MISSION
The Immigrant Legal Advocacy Project (ILAP) helps low-income immigrants improve their legal status and works for more just and humane laws and policies affecting immigrants.

VALUES
Social Justice, Integrity, Respect

PRIORITIES
• Keeping people safe from violence and persecution
• Helping families stay together
• Helping people achieve economic security

HISTORY
ILAP began in 1993 as a volunteer lawyer project providing assistance to about 20 asylum seekers per year. In 2000, in response to the rising need for immigration legal assistance, ILAP became a staffed legal aid agency. Since that time the organization has grown from a staff of two and a dozen volunteer lawyers, to a staff of 14 and over 250 volunteers.

2017 BY THE NUMBERS
3,159 Mainers received direct legal assistance from ILAP.
ILAP clients originated from 15 counties in Maine.
ILAP staff and pro bono attorneys provided full legal representation to 340 individuals.
1,638 individuals were served through ILAP’s Immigration Clinic.
ILAP served clients from 94 different countries.
1,791 immigrant community members and service providers attended outreach events.
160 pro bono attorneys donated 4,275 hours of time representing asylum seekers.
Looking Back
A Message from ILAP’s Leaders

Dear Friends,

This past year brought more challenges than we ever could have imagined. An inundation of draconian immigration policies, proposed laws and regulations, and increased ICE enforcement activities have created fear and anxiety in our immigrant communities. At ILAP, we have seen the impact as clients are separated from their families through travel bans, ICE detention, and deportations; long-time residents with DACA and Temporary Protected Status are losing their status; and those working their way through our immigration system face a continued erosion of due process protections.

We are lucky to have a talented core of 14 staff and over 250 volunteers who have been here to respond to these challenges. As new policies came out, ILAP staff quickly analyzed them and created translated advisories; conducted outreach with affected communities; consulted with anxious clients; and visited ICE detainees at the Cumberland County Jail. In 2017, ILAP staff and volunteers provided direct legal services to 3,159 clients, maintaining 100% success in full representation cases that reached a final decision. An additional 1,791 individuals attended ILAP’s education and outreach events and learned about the immigration laws and their legal rights.

We also experienced an increase in support from funders and donors like you, who recognized that harsh new immigration policies would require expanded legal services, outreach and advocacy with Maine’s immigrant communities. As a result, we have been able to invest in strategic growth, including the addition of an Advocacy and Outreach Attorney position and a new office in Lewiston. This will expand our capacity to assist more immigrants, refugees, and asylum seekers throughout the state of Maine. Thank you for your continued support during these challenging times.

Warm Regards,

Sue Roche, Esq.

## THANK YOU

This amazing community, from individuals to family foundations, private funds to community foundations, civil legal aid funders to businesses, has created a place that protects and fights for immigrants in Maine. This community has helped ILAP thrive, so we can be here for families who gave up everything seeking a better life, men and women threatened by their own governments, or children separated from their families. This community ensures there is a voice for the rights of immigrants, and someone to turn to when there are more questions than answers about immigration every day. You are part of this community and we thank you for the humanity of your gift and the beauty of your intention.

HOW YOU CAN HELP

ILAP has a **Donate button** on our website (www.ilapmaine.org) that you can use anytime of the day or night. Whether your donation is five or fifty thousand dollars, we are always available for a conversation or to answer questions. One of our new initiatives is **Planned Giving** options. ILAP has always accepted gifts of stock or other investment vehicles, but we now have a Gift Acceptance Policy that allows us to accept different types of Planned Gifts, such as bequests and others.
