World Harvest Charities and Family Services Environmental Policy

World Harvest Charities and Family Services is committed to reducing its impact on the environment. We will strive to improve our environmental performance over time and to initiate additional projects and activities that will further reduce our impacts on the environment.

Our commitment to the environment extends to our members, our staff, and the community in which we operate.

We are committed to:

- Comply with all applicable environmental regulations;
- Reduce food waste;
- Train all of our staff on our food waste prevention program and empower them to contribute and participate;
- Communicate our environmental commitment and efforts to our members, staff, and our community; and
- Continually improve over time by striving to measure our environmental impacts and by setting goals to reduce these impacts each year.
