

WEEKLY NEWS

Our 1st graders celebrated USA Day last week and participated in activities based on deepening their knowledge of the United States of America.

Congratulations to the Girls Varsity B-Ball team for their dominating performance in the NIST Invitational Tourney, taking 1st place.

Like I shared in last week's newsletter, our HS and MS teams took home the gold medal in last week's International History Bowl. Several students won other medals as well!!

Our thriving HS Business Club completed yet another visit to a large corporation this past weekend, learning how the Yakult Factory functions each day.

SPOTLIGHTS

After a weekend of our students shining so brightly in the classroom during the International History Bowl, many of our students, the week after, then went on to win medals on the athletics field/court this past weekend. Our Varsity Girls B-ball team and our U-15 Girls Soccer team finished 1st in tournaments and our U-15 Boys Soccer team finished in 2nd. We were happy to celebrate Thai Father's day as well just a few days ago.

- Please save the date for the ICS PTO Christmas Breakfast to be held on Dec 12th in the ARC.
- It's hard to believe that the end of the semester is fast approaching, but please remind your high school aged children to begin studying for final exams. They start next Friday!
- Make sure you are able to make it out to the MS/HS Band Concert on Dec 10 and the MS/HS Strings/Voice Concert on Dec 12. Our musicians are ready to shine!

HS Christmas Chapel was extremely heartwarming from start to finish!!

Our K5 students had a blast at Safari World last week, getting up close and personal with many animals!

Peak (Class of 2019), who is currently attending Stanford, came back to share with our HS students.
