

INTERNATIONAL COMMUNITY SCHOOL

School Profile 2024 - 2025

The ICS Mission

“Based on the Bible, in partnership with parents, we teach the whole student to know and apply wisdom for the good of our world and the glory of God.”

International Community School (ICS) is a non-profit Christian school and a leading American AP K-12 institute in Bangkok. ICS is known for the close-knit community fostered between its faculty, students, and parents. This comes from a relentless focus on care and individual attention to help each child thrive in and out of the classroom. The emphasis on character formation together with student achievement is why ICS is one of the very few international schools with continual growth for 32 years.

SENIOR CAPSTONE SERVICE PROJECT

Students research, assess, propose, and implement creative solutions to social and economic issues in their communities. Finalized projects and their results are presented and defended in front of a panel of board members, NGO workers, and business professionals.
