SENIOR CAPSTONE SERVICE PROJECT

In order to graduate from ICS, each Senior needs to complete a Capstone Service Project that requires them to research, assess, propose, and implement creative solutions to social and economic issues within their communities. Our 2024 projects focused on a range of sectors including health care, infrastructure, sports/recreation, education and technology and served communities including the elderly, low-income neighborhoods, vulnerable children and asylum seekers. Our Seniors successfully presented and defended their finalized Capstone projects in front of a panel of board members, NGO workers, and business professionals.
