

IMPORTANT INFORMATION FOR DRIVERS

The site entrance is on a fast stretch of the A36. You should indicate and start to slow very early – as soon as the castle comes into view. Please ensure that you do not pull into the neighbouring hotel entrance.

Hidden Woods is based at Farleigh Wood, approximately 6 miles south of Bath. The postcode for the site entrance is **BA2 7NH** and the grid reference is **ST 788 563**. Access to the site is directly off the A36, through a five bar gate immediately to the **right** of the Bath Lodge Castle hotel - you'll see a blue sign with our logo on it. Due to the rural location of the woods there are no public transport links in close proximity to the site.
