2022 Review

4092

Trauma Awareness

In 2022, AWC met a new yearly high by reaching 4,092 people across all sectors of our work - schools, community, and healthcare.

83

Kansas City

KC held 6 virtual Learning Experiences that reached 285 people and 83 organizations, nonprofits, and schools.

290

The Bootheel

Community Consultants have given the CEWs to 290 people. That's nearly 900 training hours. Our work on gun violence in the Bootheel provided actionable insights in to violence in Charleston.

1200

Schools

We trained 1200 teachers across Missouri. The average teacher influences 3000 children during their career. That means our trainings will impact 3.6 million students.

309%

Healthcare

We reached 1900 healthcare professionals in 2022 through training and technical assistance. That is a 309% increase from 2021.
