

His Voice Global

# EDUCATION FUND

THERE ARE VULNERABLE YOUNG MEN AND WOMEN IN SOUTH SUDAN WHO DO NOT HAVE A CHANCE AT HIGHER EDUCATION. BECAUSE OF THIS, MANY OF THEM WILL STAY IN THE SAME SYSTEMIC POVERTY THAT PLAGUES THEIR COMMUNITIES AND WILL NEVER HAVE THE ABILITY TO THRIVE INTO WHO GOD HAS CREATED THEM TO BE. YOU CAN STAND WITH US BY BEING A PART OF THE EDUCATION PROGRAM TO FILL THE GAP FOR THESE STUDENTS, AND GIVE THEM THAT OPPORTUNITY. AT HIS VOICE GLOBAL WE BELIEVE EVERY ONE OF THESE AMAZING YOUNG MEN AND WOMEN ARE LOVED AND CHERISHED BY GOD AND THEY DESERVE A CHANCE TO FLOURISH AS A BELOVED CHILD OF GOD.

THE EDUCATION PROGRAM GOES BEYOND GETTING A DEGREE. THROUGH THE HIS VOICE EDUCATION FUND, ALL OF OUR STUDENTS RECEIVE HOLISTIC CARE AND DISCIPLESHIP THAT SEEKS THE RESTORATION OF THEIR RELATIONSHIP TO GOD, THEMSELVES, OTHERS, AND CREATION. IN DOING THIS, WE BELIEVE THEY HAVE A KEY ROLE IN RENEWING THEIR COMMUNITIES BY MENDING THE BROKENNESS IN THEIR FAMILIES AND LEADING THE WAY AS KINGDOM MINDED LEADERS. WITH YOUR PARTICIPATION IN THEIR LIVES, YOU ENABLE EACH OF THEM TO COME OUT THE OTHER SIDE WITH AN EDUCATION, A CHANCE FOR THE FUTURE, PRAYERFULLY MORE IN LOVE WITH JESUS, THE ABILITY TO GIVE AND RECEIVE LOVE, EMPOWERED TO MOVE FORWARD IN LIFE, AND THE CHANCE TO STEP INTO WHO GOD CREATED THEM TO BE.

“Getting a higher education is important for me and my family because as I pursue higher education I will be an inspiration to my family and to the young girls in South Sudan. They will learn to know that there is something important about higher education. I come from a family who is illiterate and most have not received higher education. I am the first girl to pursue higher education. For me to get an education, will be an inspiration to the entire clan. Getting a job will mean being able to get the finances to support my family, because I am the first born at home. So I will be able to pay for the fees and finances that help to get me to where I am. “

Dure Rose Age: 23  
 School: Arua Health Institute  
 Degree: Laboratory  
 Desired Job: Lab Technician

"Personally, being in an education program means, staying focused, active and clinging to the purpose and goal I would love to achieve in the future. This is within the learning environment, both in class and outside in the society. The following principles, guides me as I strive for success;

- Loving what I am studying or doing.
- Steadfastness
- Hard working and Discipline
- Loyalty
- Patience and Self confidence

I see education a success, for the following reasons.

- Aids me to achieve my long term dream career a reality.
- It creates employment opportunities in the job market.
- Builds confidence within me to face the work environment.
- Equips me with critical, creative and better decision making.

Finally, I see education a success because it builds in me abilities to contribute to the needs of the society, beginning from my family, neighborhood and the community around me."
