GENEROUS DONORS TO THE KCLS FOUNDATION

Dear Friends,

This past year, with your help, the KCLS Foundation boldly embarked on our vision to fund the future of King County Libraries. In 2017 your support provided funding for 18 library programs, in 49 KCLS libraries and dozens of community sites, reaching more than 300,000 people. You granted \$1 million to the library system. And you joined 1,924 other generous donors with your giving to the KCLS Foundation.

A Letter of Thanks from the Executive Director

But your generosity is about much more than the numbers. In 2017 with the KCLS Foundation:

- You brought a **new library** to the diverse community of Tukwila
- You championed **STEAM learning** and **innovation** with ideaX
- You helped kids discover their **love for reading** through Summer Reading programs
- You fed young minds and bodies with **Summer Outreach**
- You helped Spanish-speaking students **earn their degree** through Plazas Comunitarias
- You **welcomed new American citizens** with Literacy Towards Citizenship
- You supported **young readers** through Raising a Reader and the Global Reading Challenge
- You connected **older adults** to their community with Wisdom Cafes and more

These are just some of the many ways you are funding the future of King County libraries. We are proud to have your support and pleased to present these stories demonstrating the impact of our work together last year. Thank you!

With appreciation,

Elizabeth Castleberry
Executive Director
King County Library System Foundation

2017 STORIES & STATISTICS

SUMMER READING

Summer is a library's time to shine — and thanks to your donations, more children are finding their love for reading during the summer months. Programs like Summer Reading help prevent the dreaded "Summer Slide". Many children, especially struggling readers, lose what they learned during the year when school's out. And by 5th grade, that annual loss in skills means they can be years behind their peers.

"Reading takes my mind off things and I get lost in the world." — Sarah, Age 11

But Summer Reading at our libraries changes all that. From reading challenges to fun and educational events, librarian visits to local schools, outreach in parks and community centers, and programs for teens and adults — KCLS is the place to be between June and August. And with the Summer Meals program we are feeding young minds and bodies!

ideaX

Thanks to your generous support, ideaX classes, workshops, and drop-in sessions are helping to expose more of our neighbors to valuable STEAM learning opportunities and the creative technology that is driving our local economy.

"Our libraries provide a place where the community can come together to learn new things, and the opening of this dedicated STEAM Maker Space in Bellevue will ignite a spark in our future creators." — Congresswoman Suzan DelBene

What started as a dream in 2015 has become a cutting-edge, permanent space for creativity on the Eastside — free to anyone with a library card. The Bellevue Library ideaX Maker Space features three creative studios, sound and video recording space, a laser cutter, 3D printer, virtual and mixed reality, sewing machines, musical instruments, art kits, and electronic circuits. With your donations, KCLS can continue to take risks and try new, innovative programs like ideaX.

GENEROUS COMMUNITY SUPPORT BRINGS OUTSTANDING RESULTS

In addition to the nearly 2,000 donors who supported our libraries in 2017, the KCLS Foundation recently received two very special grants for the ideaX initiative. In January 2018, [Google.org](https://www.google.org) granted \$100,000 to the ideaX Maker Space. And in June, the [Moccasin Lake Foundation](#) granted \$300,000 to this special project. These funds come at a crucial time for ideaX, as KCLS begins work on a second Maker Space at the Federal Way Library in 2019.

2017 STORIES

A NEW TUKWILA LIBRARY

If you ever visited the old Foster Library in Tukwila during a busy weekday afternoon, you know it was bursting at the seams. KCLS knew it needed a bigger space to support the diverse community of library users in Tukwila, but plans for a new building from the Capital Bond weren't enough for this growing population.

With your donations, the KCLS Foundation stepped in to secure the site that allowed for a bigger library. And on April 29, 2017 the new library on the corner of International Boulevard opened to a joyful crowd of neighbors and library supporters. Thank you for contributing to this vital project.

GLOBAL READING CHALLENGE

For the 18th consecutive year KCLS and the Foundation sponsored the **Global Reading Challenge**, a competition that encourages reading and teamwork. Teams of 4th and 5th graders read six books selected by KCLS Children's Librarians, working together to answer questions based on the books.

The teams work their way through multiple rounds of competition: in-school, other nearby elementary schools, district-wide, and a final Grand Challenge in four regions. **In 2017, a total 6,888 students participated, forming 238 teams from 54 schools.** Although competitive, the Global Reading Challenge is all about having fun with reading!

RAINBOW TEEN ADVISORY BOARD

Debuting in 2017, the **Rainbow Teen Advisory Board** created a safe space for LGBTQ+ youth in the 7th to 12th grade age range, giving them a place to explore and express their identities. R.TAB leaders gained valuable experience as they developed, planned, and promoted activities and events for the Eastside LGBTQ+ youth community.

R.TAB met bi-monthly as they planned three social events — Summer Pride Dance & Game Night, Red Carpet Drag & Cosplay Show, and Spectrum Identities: Art Exhibit and Open Mic at the Bellevue Arts Museum. **More than 200 teens joined the fun, representing 8 high schools and 3 middle schools.**

2017 STORIES

LITERACY TOWARD CITIZENSHIP

To help those preparing for the US Naturalization Test, KCLS offers the popular **Literacy Towards Citizenship** class. This weekly course is staffed by dedicated volunteers who offer free test preparation help, access to study materials, and a welcome face for our newest neighbors. In 2017, your donations to the KCLS Foundation provided 300 study books for these students. **Because of you, 82 people became new US citizens!** KCLS also hosted 3 Naturalization Ceremonies to celebrate these new “graduates”.

10 TO TRY | AUTHOR EVENTS

Ever feel stuck in a book rut? Last year, KCLS dared adult readers to try something new with it's **10 to Try Reading Challenge**. Participants had the entire calendar year to read a book in each of 10 categories — like a Graphic Novel or something recommended by KCLS staff. The library also hosted a series 13 of author events including Pulitzer Prize winner Geraldine Brooks (*The Secret Chord*, *Caleb's Crossing*) and Natalie Bazile (*Queen Sugar*). Thanks to your support, 10 to Try is back for 2018 so start reading today!

OLDER ADULTS

To encourage lifelong learning, the KCLS Foundation sponsored an array of programs for older audiences ranging from practical to thought-provoking to just plain fun. **Wisdom Cafés**, a conversation group for older adults, encouraged the sharing of life experiences. The **Arts and Tech Fest** gave adults and seniors the opportunity to experiment with the arts and technology in a fun, low-stress atmosphere. And **dementia-friendly arts classes** decreased social and emotional isolation, while providing respite and support for caregivers.

PROGRAMS FOR SPANISH-SPEAKERS

For our more than 100,000 Spanish-speaking neighbors, KCLS Foundation sponsored a number of library programs Last year. Programs for children and families such a **Tres Reyes, Dia, Fiestas, National Hispanic Heritage Month**, and **Family Book Club** celebrate multiculturalism while encouraging kids to develop a lifelong love for books. And **Plazas Comunitarias** helps adult learners earn their GED-equivalent from the Mexican Consulate, helping them achieve the next step in their career or education. **In 2017, Plazas celebrated 14 graduates.**

Just as library cataloguers are sticklers for accuracy, we too strive to ensure we have appropriately recognized all donors.

We apologize for any omissions or errors and encourage you to notify the KCLS Foundation with any corrections.
