SEMI-DRY Odds & Ends Batch #3 [7.9% ABV] - After creating our ciders, we often find ourselves with a bit of this and a bit of that, which just didn't fit into a batch. We take these odds and ends and put them together to create their own gorgeous and unique batch. This version is light, bright and refreshing. Hints of lemon zest and a long complex finish are complimented by a touch of sweetness. This cider was made a number of apple varieties including Rome Beauty, Jonathan, Dabinett, Gold Rush, Wickson Crabapple and others.

SEMI-DRY Harrison [7.2% ABV] - Yakima, WA - Harrison was one of America's oldest cider apples and likely here prior to the founding of the country. It was thought to be lost but a tree was found in 1976 in NJ and brought back from extinction. The cider is bright and refreshing, the perfect warm weather drink. The finish is long and citrusy, reminiscent of orange peel and coriander.

SEMI-DRY Dabinett [7.9% ABV] - Yakima, WA - A famous English apple used exclusively for cider making, not for fresh eating. This cider is bolder than most, boasting fruity and rich aromas, soft tannins, a touch of sweetness, a complex and lasting finish, the astringency of a lighter red wine and refreshing tartness.

SEMI-SWEET Opal [6% ABV] - Yakima, WA - This cider is bursting with banana and tropical notes. Opal is a bright yellow modern European apple that resists browning and thus makes a brightly colored cider.

MEDIUM Honeycrisp [6.8% ABV] - Masonville Orchards, CO - Honeycrisp is the quintessential modern apple, with a texture and flavor esteemed by apple lovers. In Fort Collins the honeycrisp apple reaches new heights. The cider begins with soft and round flavors, both rich and refreshing, with deep perfectly ripe honeycrisp flavor and a biting finish.

MEDIUM Golden Supreme [7.2% ABV] - Masonville Orchards, CO - Golden supreme is a modern apple with a striking appearance - bright pink blush against electric yellow skin. The flavor is exceptional - tangy, sweet and rich. The cider has a honeydew melon nose. The flavor is lemony, light and refreshing.

SEMI-SWEET Winter [6.4% ABV] - Masonville Orchards, CO - This cider is made from the last apples to ripen at Masonville Orchards. There are dozens of varieties of apples in this blend including Goldrush, Arkansas Black, Rome Beauty, Charlie's Gold and others. The cider has a big complex vanilla and fruit-filled aroma. The flavors are long and contemplative, with an extended tart finish.
