WHY PARTICIPATE?
The Marine Corps–Law Enforcement Foundation (MC-LEF) provides educational assistance to the children of fallen United States Marines and federal law enforcement agents. Since our founding in 1995, MC-LEF has awarded over $86 million in scholarships and other humanitarian assistance, and supported over 4,500 children, with over $2 million in support to Arizona children and military families since our first event in 2005.

From the front lines of freedom to units right here in Arizona, Marines make legendary sacrifices. Sending their children to school shouldn’t be one of them. That’s why at the Marine Corps Law Enforcement Foundation we’ve been Honoring Marines by Educating their Children for more than 25 years.

It’s a national mission that starts right here at home. Thanks to patriotic donors like you and your support of the Arizona Chapter, we’re putting Honor, Courage, and Commitment to work in Arizona.
