Summary of Changes in the 2024 SilverArts Manual

NO Changes for 2024

Important Reminders (not changes):

- **State Finals Qualification for 2024 remains:**
 - **Performing-best in show, Heritage and Visual-Places 1-3, Literary places 1-2;**
 - The registration deadline for State Finals remains August 1st, so all Local Games must be complete by June 15th.
- SilverArts Information Forms are part of online registration. For those participants who register with a paper State Finals Entry Form, a “SilverArts Information Form” (pages 46-50) must be given to each qualifier for each entry. All forms must be submitted together with photos, recorded music (mp3 preferred), and literary entries to be a complete registration for State Finals by August 1st. Please make sure that you use the current year’s “SilverArts Information Forms” for Local Games qualifiers (to send in with their State Finals Entry Form). These forms are also available on the web site to download or print out and are part of the on-line registration as well.
- **Participants should choose/determine which sub-category to enter; staff can “advise”.**

For Heritage and Visual Arts (only):

- State Finals will also accept **second and third place qualifiers** in all sub-categories (*unless the artist is the same person*). At the Local Games, all entries should meet the size and weight requirements!

For Literary entries:

- All Essay, Life Experience, and Short Story entries must be typed, double spaced on 8-1/2 x 11 paper, and have a minimum of 1” margins. Poetry entries must be typed, on 8-1/2 x 11 paper, and have a minimum of 1” margins, but double spacing is not required. (Appearance must support and contribute to the meaning of the poem and its impact.) A minimum font size is 10-point type. Font should be easily readable and "times new roman" or "arial" fonts are suggested. Please review entries carefully for the Local Games show and adhere to these format requirements or entries will not be accepted for State Finals. Electronic entries must be in pdf format.

For Performing (Follies) and Cheerleader Showcase:

- If recorded music is used, it must be an mp3 file (submitted electronically or on a flash drive) or a high-quality CD. **Music must be received by NCSG by August 1st with the Information Form and the State Finals Entry Form.**
- The Local Game may determine how to choose the Performing Act to represent their Game at State Finals (best of show, audience votes, etc.).

Visit our website (www.ncseniorgames.org) and encourage participants to do so for:

SILVERARTS PHILOSOPHY

SilverArts, "a celebration of the creative expression of seniors in North Carolina", is a major component of the traditional athletic competition of North Carolina Senior Games. In a philosophy that strives to keep seniors healthy, active and involved, SilverArts unites the athlete and artist in a program that recognizes the similarities of both endeavors: discipline, dedication, and pride in one's accomplishments.

SilverArts provides a stage for the creative talents of the visual, heritage, literary, and performing artists. Encouragement and recognition of creative potential and accomplishment is the goal of the SilverArts program.

A SilverArts program need not, and perhaps should not, rely solely on standard arts events as models for their content, format, and philosophical base. SilverArts Coordinators should explore presentation and program ideas that will enable them to "celebrate" total wellness through creative talents. In short, the core of a SilverArts program should be a celebration of personhood as expressed through artistic creativity. In addition to the selection of Local Games representatives to State Finals, the SilverArts Coordinator should provide opportunities for as many artists as possible to be showcased and recognized through the creation of additional Local Games special recognitions and awards (e.g., Best of Show, Most Improved, People's Choice, Most Original, etc.).

Regardless of its structure or content, SilverArts is a very significant part of the total Senior Games program. In addition to giving seniors a venue for celebrating their creative talents, it inspires people of all ages to consider the life-long benefits of artistic expression. SilverArts contributes to the "total wellness" of your whole community.

HISTORY OF SILVERARTS

Incorporating arts with athletics in the Senior Games program was an idea conceived in 1986 and encouraged at the local level. In the spring of 1987, three Local Games hosted SilverArts and the respective Coordinators reported their success in a session during the 1988 NCSG Conference.

The SilverArts session held at the 1989 Senior Games Conference defined the SilverArts philosophy implemented at present -- a celebration of the artist and the creative process. For the first few years, SilverArts celebrated the Visual, Literary and Performing Arts. Representatives selected by Local Games were showcased at State Finals. Many Local Games added Heritage Arts to their program. Because of its popularity on the local level and numerous requests by participants and Local Coordinators across the state, the Heritage Arts were added as an official category in 1991.

Many participants expressed their desire for more than a showcase at State Finals. In 1993, State Finals offered a SilverArts competition and awarded first, second, and third places in each sub-category of Visual, Literary and Heritage Arts; and first, second, and third places in Performing Arts and Cheerleading.

Who qualifies for State Finals? At present, SilverArts recognizes five broad categories, each with sub-categories. First, second and third place winners in each sub-category of **Visual and Heritage Arts** are eligible for State Finals. First and second place qualifiers in **Literary Arts** in each sub-category are eligible. **One overall winner in the Performing Arts and Cheerleading categories** is also eligible to compete at State Finals.

NCSG judges SilverArts at State Finals. Medals are awarded in each sub-category in Visual, Literary, and Heritage Arts. Medals in Performing Arts are awarded to solo, small group (2 - 4 performers), and large group (5 or more performers) per sub-category. Medals in Cheerleading are awarded in three group sizes; small (2-4), medium (5-9) and large (10 or more).

North Carolina Senior Games is excited about the SilverArts component, its impact on citizens of all ages across the state of North Carolina, and its contribution to the completion of the total wellness circle.

SILVERARTS GUIDELINES

1. SilverArts is a Senior Games program and must be promoted as such. It must be held locally between February 1 and June 15. If SilverArts is held separately from the sports competition, the SilverArtists should be included, and recognized, as a part of the Local Games: i.e., showcases, performances, awards ceremonies, special events, etc.
2. All persons entering SilverArts must be 50 years of age or better as of December 31st, a N.C. resident for a minimum of 3 consecutive months of the calendar year, and must qualify through a Local Senior Games SilverArts program for State Finals.
3. A Local Game must offer at least half of the official categories and/or sub-categories. Additional categories and sub-categories not offered at State Finals may be offered by a Local Game, but winners should be informed that they will not qualify for State Finals.
4. An artist may only submit one (1) entry per sub-category at State Finals; except in Performing Arts - an artist may only have one (1) entry per size of Act in each sub-category.
5. Each Local Games may send/submit a first and second place qualifier in each Literary Arts sub-category; one Act/entry in Performing Arts and Cheerleading to State Finals; and the first, second and third place qualifiers in each Heritage and Visual Arts sub-category. A participant may only submit one entry per sub-category. The Local Game may determine how to choose the Performing Act to represent their Game at State Finals.
6. NCSG will judge SilverArts at State Finals. Medals will be awarded in each sub-category in Visual, Literary, and Heritage Arts. Medals in Performing Arts will be awarded to solo, small group (2 - 4 performers), and large group (5 or more performers) in each sub-category.
7. The SilverArts entry/entries entered at State Finals **must be the same** entry/entries that won in the Local Games competition.
8. Entries must be the original work of the artist and must have been completed within 2 years of the Local Games' qualifying date.
9. An art entry may only be entered in one (1) SilverArts sub-category at State Finals.
10. Artists must not submit an entry if the piece/performance/entry has been showcased in the previous SilverArts Showcase at State Finals.
11. Art entry/entries incorrectly categorized by the artist, or not in compliance with NCSG Guidelines and Category Requirements, will not be considered in the judging process.
12. Local Games should include the NCSG *SilverArts Guidelines* and the *Specific Category Requirements* with/in the Local Games SilverArts Entry Form. A print-ready copy is in the SilverArts Manual, on the PPA and on the website.
13. The safety and sportsmanlike conduct of everyone is of paramount concern. Senior Games Officials have the authority to disqualify, and/or remove, from current and future NCSG programs, anyone who exhibits inappropriate behavior or a condition of medical concern. Falsifying information in the registration process will not be permitted and may result in disqualification from current and future Senior Games activities.

CHEERLEADER GUIDELINES

Definition of a Cheerleader Group:

Cheerleaders are persons who lead cheers by speaking in rhythmic patterns and/or who present a choreographed routine.

State Finals Cheerleader Showcase Guidelines:

- Each Local Games may enter **one** representative group into the Cheerleader Showcase. If a Local Games has more than one cheerleader group, that Games must choose one group to represent them.
- All persons entering the Cheerleader Showcase must be 50 years of age by December 31 and have been a registered participant at a Local Games. Instructors and/or group members under the age of 50 as of Dec. 31st will not be permitted to perform with the group.
- Each Local Games is limited to a maximum of four (4) minutes of performing time. The 4 minute time limit begins when the first note of music is heard or the first movement is visible to the audience and ends with the exit of the last performer from the stage or final movement of your routine. Exceeding the time limit will result in automatic disqualification.
- Choreography of cheers must follow traditional format -- to "lead" a cheer (i.e. speak in rhythmic patterns) or to present a pom-pom or flag routine. Skits, songs, and square, circle or round dances are **not** considered a "cheer" and may be appropriate for the SilverArts Follies.
- Cheerleaders must register for State Finals using the *State Finals Official Entry Form*, check Cheerleader Competition on the *Form*, and pay a registration fee. Every Cheerleader in the group must complete a *separate* Entry Form. Each Cheerleader will receive the same packet, gifts, and processing as an athlete or an artist.
- Medals will be awarded to first, second, and third place winning squads per group size.
- All performers for all acts must enter "stage left" and exit "stage left" or begin and end in the performance area (See the SilverArts Manual for a diagram).
- If cheerleaders are using music and/or props as part of their routine the group must have an individual (not in the routine) to assist the sound technician with cueing the music and quickly setting up and removing the props from the performing area/stage. Props should be small, lightweight and easy to quickly set up and remove.

Props must be few, light weight and easy to quickly set up and remove.

FREQUENTLY ASKED QUESTIONS AND ANSWERS

These questions have been asked by Local Coordinators and participants.
They are included here for helpful information.

1. What sub-category would these items be in?

- | <u>Item</u> | <u>Sub-Category</u> |
|----------------------------------|---|
| • A cross stitched covered brick | Needlework |
| • Shell Art | Mixed Media |
| • Wood Burning | Wood Carving |
| • Wearable Art | In the category used <i>on</i> the item |
| • Caned chair seat | Weaving, if the caning is to be judged |
- If a quilter uses both machine and hand stitching, in which category should the quilt be judged?
Machine

2. **Must ties be broken in SilverArts like in the sports?** Yes. Most Coordinators defer to their Judges to do so...that's the most professional and easiest way to do it. Some Games/Judges choose to look at the most difficult issues (i.e. "skill/technique" vs costume) and look at those scores first to use for the tiebreaker. Others simply ask the Judges to discuss and decide, which is what is typically done at State Finals. If a local Game wants to give 2 medals for a tie, they may...but must only submit one for State Finals.

3. **If an entry at a local Game doesn't fit into any sub-category, can it still be displayed?** Absolutely. Some Games have a "miscellaneous" or "non-sanctioned" category for those items.

4. **Can professionals participate in SilverArts?** Senior Games is for residents of NC who are 50 years of age and better.

5. **How are new sub-categories added?** A new category is considered when there is sufficient demand at Local Games for that sub-category so that competition at State Finals is possible.

Performing:

1. **For Performing Arts, if there is time between two numbers in the same act for applause, does that count as part of the time limit? What about audience reaction (i.e. laughter for comedians)?** Yes, all on stage time counts towards the time limit! See "Timing" definition on Info Form.
2. **For Performing Arts, if a participant pre-records their voice to use as a "back-up" and also sings a second part live, does that meet the guidelines?** Yes, this is acceptable.
3. **For Performing Arts, can a Local game allow an act to be longer than 3 minutes?** Yes, but the 3 minutes that are being used to qualify for State Finals must be specified prior to the performance and considered as a separate piece from the rest of the act.

4. **For Performing Arts, how can music be of "high quality" for State Finals?** MP3 File is best!
5. **In Performing Arts, can an individual be in more than one Act?** Yes...if they were chosen as a representative from more than one Local Game. However, an artist may only have one (1) entry per size of Act in each sub-category at State Finals.
6. **In Performing Arts, can sheet music be used and/or can a "coach" be used for dancers during their performance?** Sheet music is sometimes used, but consider the fact that it may impact scoring by the judges if the competition doesn't use it. An Act can have a "leader" who is a registered participant and a part of the Act, but not someone who is **not** in the Act.
7. **Is my dance a line dance?** If the dance is a combination of line dancing and other forms, it is the performer's choice in which group they want to be judged. Note: Clogging, tapping, shagging, belly dancing and other forms of dance are in the category "dance".

Visual/Heritage:

1. **For Visual Arts, how many media must be used for a piece to be entered as mixed media?** Two
2. **For Heritage and Visual Arts, are pieces that are pre-stamped qualified for SilverArts?** No, because they are not the original work of the artist.
3. **Is digital artwork drawn on a computer with a stylus considered "drawing"?** *Yes*
4. **Can an unframed canvas entry be accepted?** It must be framed or gallery wrapped.
5. **Photography Film or Digital** - determined by the medium on which the image is recorded.

Cheerleaders:

1. **Can the same squad/group of Cheerleaders come to State Finals each year?** *Yes*

Literary:

1. **What is a good way to display Literary Arts?** Dark table cloths/coverings make the display copies (on white paper) show up well! NCSG puts the display copies into a plastic report cover with a white slide binder. They get re-used every year. The computer program generates attractive labels to put on the title page (to show thru the clear cover). All the entries should "look alike" in fairness. It's nice to have a few chairs nearby for people to sit and read the entries.
