

Welcome to your Concierge for Life.

YOUR MOVING AND HOME ASSISTANT FOR LIFE

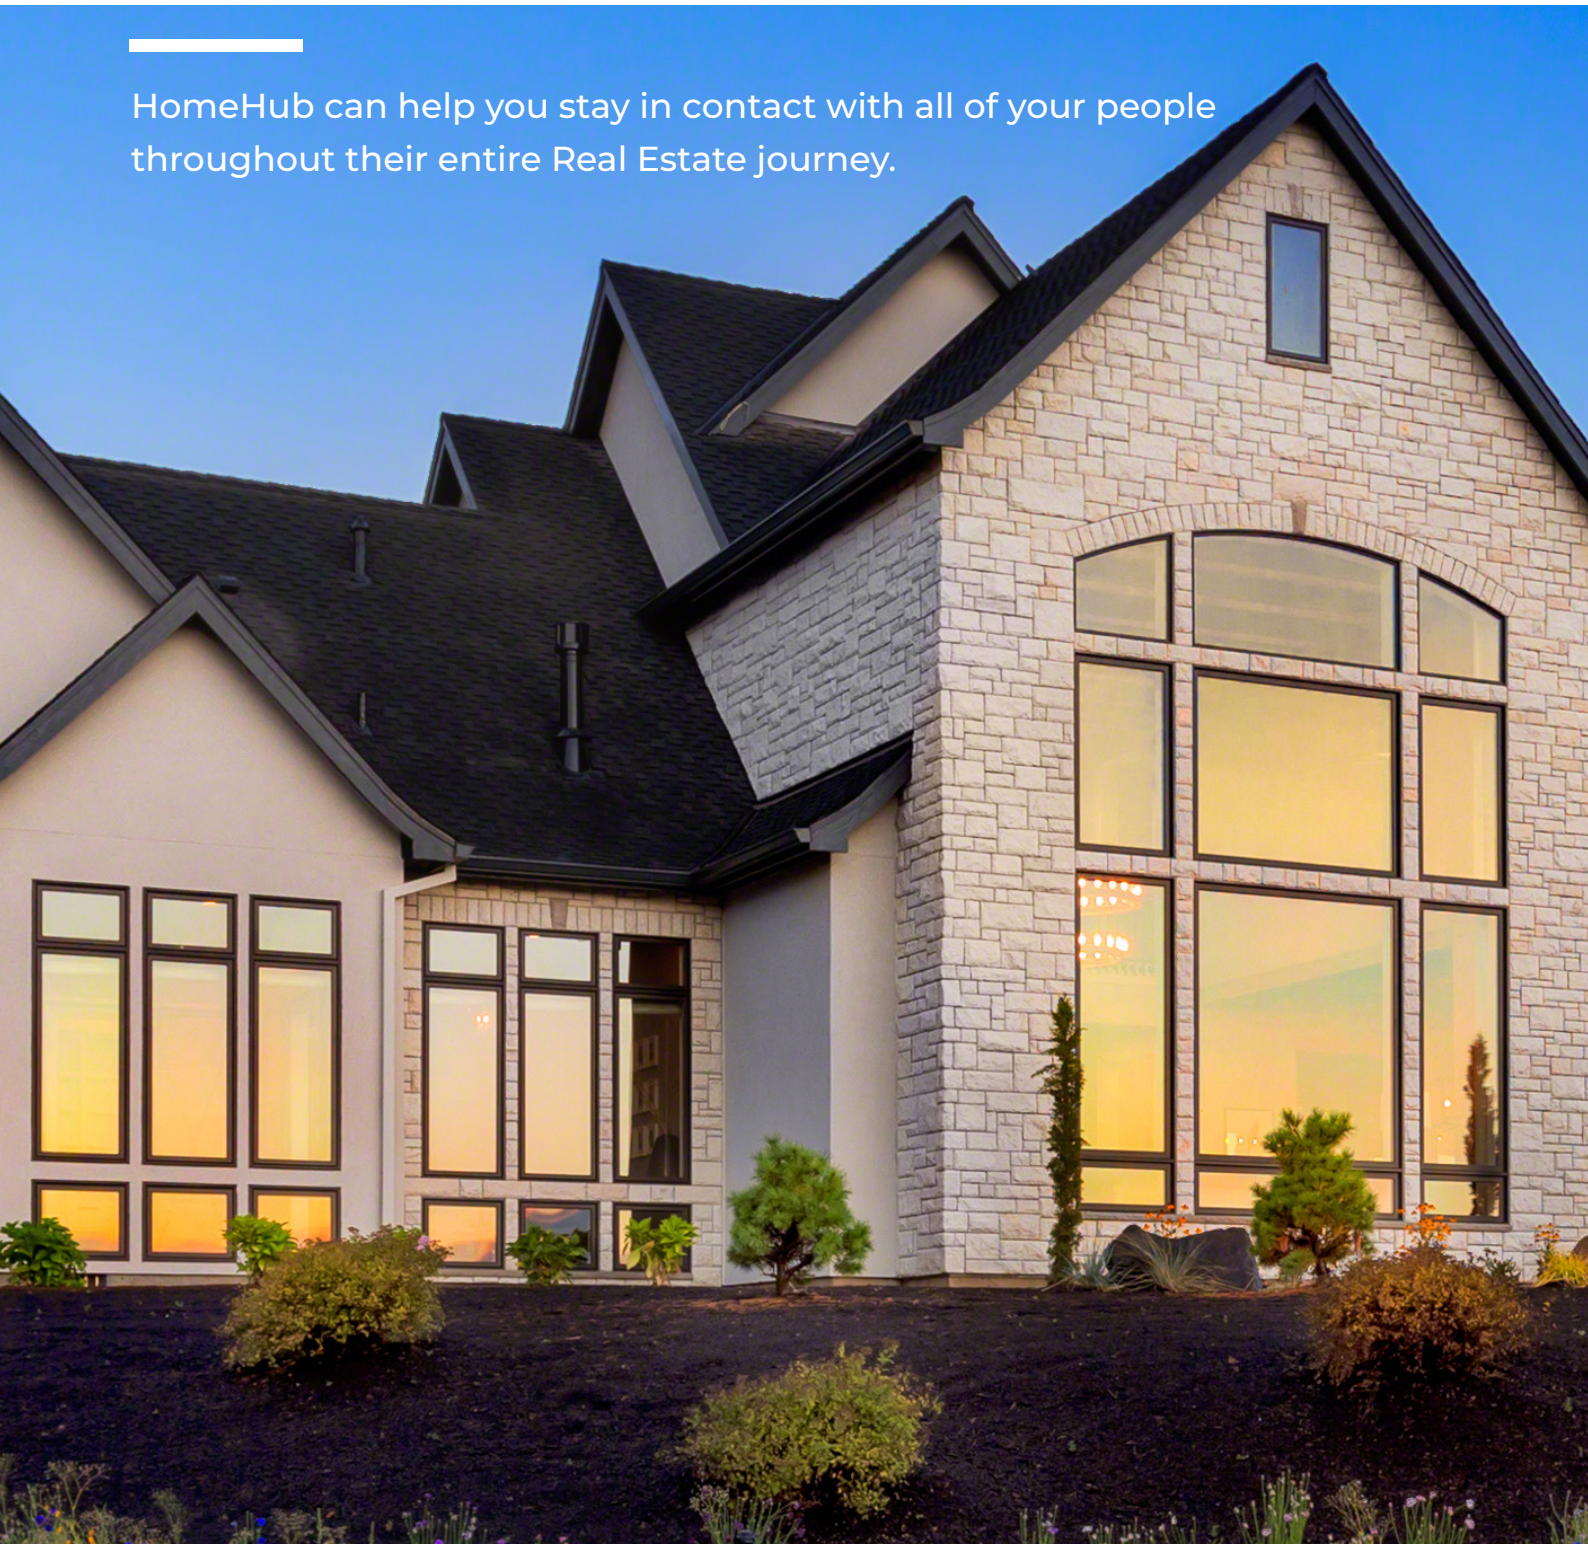

STAY TOP OF MIND WITH YOUR
CLIENTS THROUGHOUT THEIR ENTIRE
REAL ESTATE JOURNEY

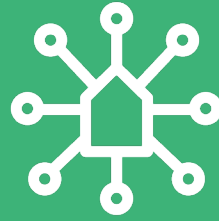

HomeHub

Help your clients stay in flow with their entire sphere of influence!

HomeHub can help you stay in contact with all of your people throughout their entire Real Estate journey.

HomeHub

We take great pride in delivering an exceptional experience when it comes to HOME and recommending exceptional service providers! Our HomeHub program offers each agent their own unique online platform and an app paired with it, which allows our brokers and agents to give their customers a truly personalized and pain free moving experience together with a homeowner dashboard; backed by powerful technology and the entire system is automated!

A seamless, branded experience will be provided to each broker and agent with their contact information built right into HomeHub providing you with the ability to promote this as your own custom App. You will be able to provide your client with a live concierge to help set up internet and cable, utilities, update your address or get a new driver's license. They can also get a mortgage, title and insurance from your recommendations! Additionally, they will be able to find trusted professionals for any home maintenance or projects they have over their entire real estate journey. This will be your client's move and home assistant for life!

The best part is, this tool is complimentary for both you and your clients. You can provide exceptional white glove service after you close this transaction and beyond.
