Annual Conference Poster Presentation Competition.

The Michigan Chapter of the American Academy of Pediatrics (MIAAP) is proud to introduce the second Annual Conference Poster Presentation Competition.

General Guidelines:
Deadline for submission is: August 1, 2022
Students will be judged separately from residents.
Only one submission per individual.
All submissions must be submitted via email to: ryan.handy@miaap.org.
All work must be from individuals actively engaged in residency or medical student training.

Poster Symposium:

- **Clinical Vignettes**
  Clinical Vignettes involve the presentation of one or more patient encounters that illuminate unique observations of a known disease, or that describe a novel disease process. These are expected to include clinical patient information – such as history, physical exam, clinical data – as well as an analysis of how such observations might contribute to existing medical or scientific knowledge.

- **Research**
  Research on a pediatric-related topic. This may include research in pediatric medicine or general child health.

- **Advocacy/QI**
  Advocacy or Quality Improvements in child health or pediatric medicine.
