Dear Friends,

Our Fall Annual Fund campaign is winding to a close, but we wanted to give you another opportunity to help us remain relevant in today's complex, changing world. During the holidays, as we reflect on how we can make the world a better place, we want to continue to share the relevancy of Woodrow Wilson's era in order to better understand the issues of today. Please help us to do that by making a year-end donation. The Board of Trustees and the Staff of the Woodrow Wilson Presidential Library join in wishing you the happiest of Holiday Seasons!

Ways to Donate:

- **Donate on a Monthly Basis**: You can multiply your impact with regular monthly contributions with a recurring gift.

- **Make a One-Time Donation**: We are very grateful for each contribution we receive. In many cases you can also do a matching gift with your employer.

- **Donate in Tribute**: Your gift can honor a special person or organization.

- **Make your Gift Part of Your Legacy**: Plan to give through a bequest, trust or gift annuity.

- **Volunteer your time**: There are many ways for you to get involved in our work. A few of these opportunities include archaeological digs, special events, internships, guiding tours and many more!

Thank you

Please know that every gift we receive is important to us.
