5 WAYS TO DIG DEEPER

The New Testament remembers Jesus' coming through the eyes of his closest followers and looks forward to his return. But it is not just a historical record; as part of the Bible, it is the primary way the living Lord Jesus still speaks to us today. Here are five tips for reading the New Testament as a spiritual practice - as an encounter with the Spirit of Jesus.

- 1) **PRAY BEFORE YOU START.** You might say something like, "Jesus, speak to me through your word."
- 2) **READ SLOWLY.** Is there something that jumps out at you? Don't be in a hurry; spend a minute or two there before you move on.
- 3) **PAY ATTENTION.** Do you feel your heart "burning" as you read? Is Jesus saying something to you on your journey with him (Luke 24:32)?
- 4) **LOOK AROUND.** The Bible tells one grand story of God's work from beginning to end. Where does today's chapter fit in?
- 5) **REMEMBER AS YOU GO.** Take one word or phrase or thought from the chapter with you to reflect on during the day.
