From the CEO

Kilmore Cup

Congratulations to Kilmore for its Trots Country Cups Carnival season-opening cup night meeting last month. The club is working hard to reengage the crowds and industry in a new timeslot for its premier meeting and I'd like to acknowledge the hard work being done behind the scenes by Ben Murphy and his team. This year's cup meeting attracted a good crowd, with AFL footballers on hand to run clinics with the kids, and the club's use of social media engagement in the lead-up to the event and on the night was beneficial not just for it, but for its sponsors, such as Jet Roofing. I'm sure this event will continue to grow in the future.

Victoria Cup

The comeback story of Bling It On was a highlight of Pryde's EasiFeed Victoria Cup night. Although the crowd was down slightly on last year on the lawn and in the Food Truck Precinct, mainly due to untimely rain, the dining rooms were packed and the on-track action was first-rate. Congratulations to all HRV and Tabcorp Park staff who

worked so diligently on this event and at the Angelique Club barrier draw event at the Amora Hotel in Richmond.

Racing innovation

Innovation is important, so it is great to see our racing team, under the leadership of General Manager Stephen Bell, unveiling exciting changes to the Victorian racing product. A few of the initiatives we've announced in recent weeks include grass track racing to return to Yarra Valley on Melbourne Cup Day and a revamped TAB Summer of Glory 2020 carnival, featuring the Victoria Oaks and Victoria Derby finals over 2760m. The Yarra Valley meeting on Cup Day and the Summer of Glory events attract strong crowds and put Victorian harness racing in the spotlight. Keep an eye on HRV websites, social media and our media partners for promotion of those events in coming weeks and months.

Gavin Lang

The industry's thoughts are with champion driver Gavin Lang and his

family during a difficult time for them. His wife Meagan provided an update to the industry earlier this month and she thanked people for their love and support. HRV wishes the family and Gavin the very best during this time and it was wonderful to see drivers in the Victoria Cup don Gavin Lang helmets for the race as a tribute.

Annual Report

At the time of writing this the HRV Annual Report is shortly to be released, which will include the important announcement of a HRV profit of \$0.4m for FY19 – HRV's second successive year announcing a profit. An update from HRV Chairman Dale Monteith will be issued the same day as the HRV Annual Report's release, which will also advise important updates on the development of industry-owned land at Melton among other topics.

Victorian **Qualifying & Official Trials**

Qualifying Trials

Qualifying Trials are scheduled by HRV and are the only trials where horses can fulfil HRV qualifying criteria, such as – qualify to race, be re-instated in the barrier draw, have a racing ban lifted, or complete a trials drive to obtain a drivers licence. Any horse may contest a Qualifying Trial regardless of whether or not it needs to meet HRV qualifying criteria.

Qualifying Trials

Official Trials are scheduled by country clubs for the purpose of education and fitness only. HRV qualifying criteria is not available at Official Trials.

All trials gazetted in *The Harness Racer* are covered for insurance purposes under HRV's industry policy.

For a horse to qualify to race, have a ban lifted or be re-included in the barrier draw, the following HRV requirements are to be met:

1. A stable return must be lodged no later than 48 hours before nominating for a Qualifying Trial.
2. A horse must be nominated in accordance with the nomination procedures detailed below.
3. A horse must be checked in with the Acceptance Office no later than 30 minutes prior to the advertised starting time of the trials fixture.
4. The trainer of a horse that is attempting to complete a satisfactory trial for re-instatement in the barrier draw or is attempting to have a bar lifted must report to the Trials Supervisor prior to the commencement of the first trial. A 'Horse Bar Record' form is to be completed and then forwarded to the HRV Racing Office following the completion of the trials.

5. The horse's brand must be legible.
6. The description on the RAC must correspond with the actual markings on the horse.
7. The horse must complete the trial in accordance with the advertised criteria 'Qualifying to Race' published in the Victorian Racing Information pages of the annual Licence Holders Directory.
8. The trainer should report to the Trials Supervisor after the respective trial to establish whether the performance of the horse was deemed satisfactory.

Procedures For Qualifying Trials

1. To assist with the nomination process and compilation of fields for Qualifying Trials, separate trial-codes have been designated for different purposes. If a horse is attempting to qualify to race from a mobile start, the trainer selects the relevant code from the list below and nominates accordingly. Similarly, if a trainer just wants to trial a horse for the experience, the relevant code is used to nominate.

By using separate trial-codes, the host club will know in advance what the trainer hopes to achieve at the trials. The club can then mix and match all the nominated horses to provide the best possible opportunity for the trainer to achieve the desired outcome. For example: A horse entered for Ballarat Qualifying Trials on January 25, 2009 with the intention of qualifying to race would be nominated for BAQ25010902.

2. Nominations will generally close at noon on the day prior for day-time trials, while midweek night trials will close at noon on the day of the trials. Weekend trials will close at noon on the prior Fri-

How to nominate

- Nominations may be lodged on HarnessWeb, by fax or mail. Telephone nominations will not be accepted.
- It is preferable that a driver be named on the nomination but it is not essential.

To determine the trial-code you need, just follow the step-by-step instructions below.

Step by step instructions to compile a trial-code	Example
1. Write down the three letter club code (in the left hand column)	BAQ.....
2. Add the six figure date (without oblique strokes/slants)	BAQDDMMYY
3. Add the two digit code for your purpose (select from the list)	BAQDDMMYY01
The end result is a complete trial-code for the trial of your choice.	BAQDDMMYY01

day. If nominations are scheduled to close on a public holiday the nomination closing time shall be brought forward to noon on the previous working day when HRV offices are open. The complete closing schedule is:

Trial Date	Nominations Close
Monday (N)	Noon Monday
Tuesday (D)	Noon Monday
Tuesday (N)	Noon Tuesday
Wednesday (N)	Noon Wednesday
Thursday (N)	Noon Thursday
Friday (N)	Noon Friday
Saturday (D)	Noon Friday
Sunday (D)	Noon Friday

- Horses that have not been nominated in accordance with the schedule above will not be included in a Qualifying Trial, except that:

Horses that were nominated for a set of trials that were subsequently cancelled after close of nominations may trial at an alternate venue provided that the host club is notified not less than 30 minutes prior to the advertised commencement time in *Harness Racer*.

Horses that have been stood down or placed out of the draw after the close of nominations can be added to the list of nominations provided that the host club is notified not less than 30 minutes prior to the advertised commencement time in *Harness Racer*.

- As soon as possible following the close of nominations, HRV will provide the host club with a complete list of nominations for all trial-codes. The list will include the horse details - name, class, trainer and freezebrand, plus the driver if notified.
- Clubs hosting Qualifying Trials will be responsible for compiling appropriate trial fields, the conduct of the trials on the track and the notification of results.
- A trainer that brings a horse to a Qualifying Trial intending to qualify the horse to race from a mobile barrier or standing start, must have on hand the horse's Registration Assessment Certificate so that the horse can be inspected by the officiating steward.
- Horses that have been nominated may be withdrawn (scratched) by telephoning the host club. A \$22 scratching fee (per horse) will be imposed when a horse is scratched from a trial without a satisfactory excuse, or, when trainers fail to notify the club at least one hour prior to the commencement of the first trial. On advice from a club of a 'no-show', the owner will be billed a \$22 scratching fee by HRV on behalf of the club. The fee will be on-forwarded to the host club.
- A nomination fee of \$10 for day trials and \$12 for night trials will apply for each horse however, the cost for each horse at Maryborough & Wangaratta are \$15, Bacchus Marsh, Ballarat (Day only), Cranbourne, Hamilton, Mildura, Terang & Warragul is \$20, Bendigo & Echuca is \$22, and Ballarat (Night only), Geelong, Kilmore, Shepparton & Tabcorp Park is \$25. The fee is non-refundable in the event a horse is scratched. HRV will invoice the registered owner and forward these monies to the host club.

Tabcorp Park Melton - Trial Procedure Change

Trainers please note horses are not permitted to be worked on the Melton track at any time before, during or after scheduled trials. Horses that are not officially nominated to contest a trial or nominated to gain mobile barrier experience will not be permitted access to the track under any circumstances. Trainers will have the opportunity to gain mobile barrier experience prior to the first trial at all Tabcorp Park trial meetings. Please note nominations for this education and mobile barrier experience must now be lodged with the Racing Office via telephone or fax (not HarnessWeb) until nominations close. A maximum of seven (7) horses only will be permitted on the track at any one time for this education process. This may result in two or more heats of education being conducted in which case HRV will pre-determine fields for each heat. Mobile barrier education will commence at 6.15pm in order for the heats to be concluded and the track prepared prior to the first trial at 6.30pm. This mobile barrier experience is for education purposes only. Horses will not be qualified for participating in this education process. Only named horses may be nominated.

Concession Drivers

A Concession Driver is a licensed driver who has held a licence for a period of less than five years from the date a Grade B licence was first granted.

A Concession Driver may, with the approval of the Controlling Body, claim a concession (subject to the exceptions hereinafter set out) in the first five years from the date of first being granted a Grade B licence;

A horse driven by a Concession Driver claiming a concession shall have its National Rating

reduced as determined by the concurrent total of the Driver's race wins being:

Five (5) Rating points concession for 0 – 100 lifetime wins

Three (3) Rating points concession for 101 – 250 lifetime wins.

Five (5) Rating points concession in a Metro race for 0 – 50 lifetime Metro wins

Drivers under the age of 23 are eligible to claim a concession until 31 August in the season

in which they turn 23 provided that the five year maximum concession of 250 lifetime wins or 50 lifetime metro wins has not been utilised. A dead-heat for first placing shall not count as a win.

A concession may NOT be claimed in the following type of race: (i) a maiden race; (ii) a discretionary handicap; (iii) a 2YO age race; (iv) a 3YO age race; (v) a claiming race; (vi) a conditioned race; (vii) a National Rating race with a minimum less than 52 (may apply in barrier draw ONLY)
