Steps to get ready to apply to SVOG

The SVOG application is currently not open. As the SBA works on building the application platform:

- **Register for or Recall your organization’s** Dun and Bradstreet (DUNS) number (a prerequisite for SAM registration) if your organization doesn’t already have one.
- **Organize documents** that demonstrate the number of employees and monthly revenues so the average number of qualifying employees your organization has had over the prior 12 months.
- **Determine the exact amount of gross earned and revenue loss your organization experienced between 2019 and 2020.** This and additional information such as floor plans, contract copies and other evidence will be needed to apply for an SVOG.
- **Register** for SAM.gov (this is a requirement for applying to SVOG)
- **Check** SBA SVOG site for application opening date
To apply, SVOG applicants need to register with the federal government’s SAM at https://login.gov/

Completed registration with SAM is required in order to apply to SVOG. Applicants cannot use an Individual Taxpayer Identification Number, Employer Identification Number, or other means of identification or registration.

SAM registration may take approximately two weeks or more once submitted.

PLEASE confirm that your organization uses the same name and consistent numbers throughout the application process. If the information does not match, the application will be returned, and you will need to start over causing a delay in the registration process.
