### THE WAYNE MESSENGER

Carol Steck, Editor  
[editorwcc@gmail.com](mailto:editorwcc@gmail.com)

News for the November Messenger is due by 5 pm  
October 15th at  
[editorwcc@gmail.com](mailto:editorwcc@gmail.com).

If you'd like to receive the Messenger via email, send your email address to

Like us on Facebook!

Dear Friends and Neighbors,

Autumn has arrived once again! The leaves are changing and falling, the water is cooler and sparkling like diamonds, and my tomatoes have finally given up! Having lived all across the state of Maine (from Presque Isle to Bangor to Portland), I knew the beauty I was heading for in coming to Wayne in the fall. One thing I did not expect to find was that this "little newsletter" put out by this "little church" was beloved by so many people all across the country. Imagine my surprise when I learned that the Messenger is delivered to more than 900 homes either by the USPS or email. And when you figure that many of those homes have probably two readers, it boggles the mind.

So many of you have sent in notes throughout the year thanking us for keeping the Messenger going, telling us how much it means to you to stay in touch with this beloved community throughout the year. Now is the time when you have the opportunity to show your gratitude and to keep this ministry going through your generous gifts. The Wayne Community Church is committed to making the Messenger a FREE outreach of our church, but there are costs involved that exceed anything we could ever raise through the sale of ads. Your support makes it possible for us to have an editor (thank you, Carol!) who puts so much time into making the newsletter happen in the first place! We love being able to share town happenings at the library and the church, for the town office and local businesses. We know you love the birthday and anniversary reminders, seeing familiar names (and new ones), and reminiscing time spent on the porch of the Yacht Club or down by mill pond.

Will you help us continue this outreach and tradition of keeping people connected with our town? It brings so much joy into so many homes. With many thanks from me, Carol Steck (our editor), Hannah Faulkner (our church administrative assistant), and the entire Outreach team of the Wayne Community Church.

Be well and be blessed,

Rev. Angela

Dear Wayne Messenger Recipient,

Especially during these Corona Virus times, isn't it nice to receive The Wayne Messenger each month, to help connect you to friends, businesses, organizations and events in Wayne? We think so and hope you agree. You may have noticed that our new Editor, Carol Steck, has successfully managed to make delivery more timely while including even more human interest stories!

As a ministry of the Wayne Community Church, we do not ask people to pay for a subscription; however, we do ask our readers, if you are able, to make an annual donation. We very much appreciate the donation that the town of Wayne contributes each year. However, we continue to need the support of email and postal recipients to help the church cover production costs of over \$9,000 annually.

If you receive your copy in the mail, we have enclosed an envelope for your donation, which we hope you will return at your earliest convenience for 2020. For those receiving The Wayne Messenger via email, we hope you will mail a contribution to Wayne Community Church, PO Box 300, Wayne, ME 04284. Please indicate "Messenger Donation" in the memo space on your check.

If you have already sent us a donation this year, thank you so much for your support!

If you have any questions or comments about The Wayne Messenger, please feel free to contact Hannah, the WCC Administrative Assistant, at [wayneumc@roadrunner.com](mailto:wayneumc@roadrunner.com).

Thank you,

WCC Outreach Committee

Winthrop Hot Meal Kitchen

After Labor Day, the Winthrop Hot Meal Kitchen will be open Mondays through Thursdays at noon for hot meal pickup only. Prepared meals will be available outside of the St. Francis Parish Hall, which will remain closed to the general public during food service hours. Deliveries to Wayne and Winthrop will continue as normal. Steve Dodge is seeking a Wednesday volunteer for about one hour to deliver meals in Winthrop. Please contact him at 620-0488 if you'd like to volunteer or have a meal delivered to you in Winthrop or Wayne.

The Winthrop Hot Meal Kitchen welcomes donations from the public towards their food purchases. They obtain some food from the Good Shepherd Food Bank at a low cost; other items are found at supermarket sales. The Hot Meal Kitchen especially likes to receive donations of Hannaford gift cards for purchasing the groceries they need. If you would like to purchase a Hannaford gift card, a simple way to do this is to call the church office at 685-3505 for details about the Wayne Community Church Hannaford gift card program, a convenient way to buy gift cards locally at the same price you'd pay at a Hannaford market.

Aging At Home News, October 2020

Tai Chi is back in the Ladd Center from 10:30 to 11:30 on Fridays, Lead by Pam and Stephanie. We are

wearing masks and staying apart. If you would like to join us, please call Pam to see if there is still space.

The every two-week widows and widowers support group meets on the second and fourth Tuesdays. If you would like to join us, please call. We will meet safely, with masks. You don't need to be a widow/widower to join us. Just feeling alone is enough. And don't we all feel alone these days?

Stan Davis is continuing his free solo concerts in the Memorial Park each weekend as long as the weather is decent. He says the concerts do more for him than for the audience. Again, it will be socially distanced and with masks. Consult the notices AAH sends out each week to see day and time.

An AAH group is meeting to assess the grant funds received for the elder luncheons. Since we can't have the luncheons now, we are determining what worthy item of elder support to put the money toward.

The Winthrop meal kitchen is now preparing meals for Wayne and Winthrop on Monday, Wednesday, and Thursday each week. We make deliveries to Wayne, or you can go to the St Francis Church in Winthrop to pick up a meal at curbside. No charge. No registration. Call for more information.

The Coronavirus has hamstrung many of the social activities within our community. Please don't lose hope. We can each reach out to someone else and give them a little cheer. That in turn will give us cheer. We WILL get through this difficult time.

*FINDING*

*CONSTANT HAMMOND*

When selling my parents' home recently I began thinking about classic old Maine houses and the stories they hold. Many families moving in and out, each with their own routines and traditions.

**Died 1892**, written on the gravestone perched in our new front yard was the beginning of a story left behind. We were never able to meet the prior owner so our curiosity was left unanswered. We were reasonably certain (hmm?) no one was buried there but we did worry that the stone may have been filched from its original resting place and should be returned. I was directed by the town clerk, who is an expert on otherworldly accounts, to investigate the Evergreen Cemetery where records show Constant Hammond was buried. After an afternoon wandering through the hillsides of Evergreen and peering at headstones, which certainly hold stories of their own, I came across Constant and his wife's marker. It became apparent that Mrs. Hammond had died several years after her husband and a new stone holding both their names was erected. We're still unclear why or how the original marker ended up residing with us, but perhaps that holds another tale.

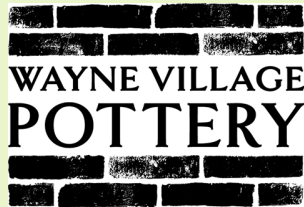

Hopefully, the new Owners of my parents' homestead will not encounter any mysterious activity but instead will overhear the echoes of unrestrained laughter, creative storytelling, and giggles from happy children. With a bit of luck, they'll smell the aroma of home cooking, linen closets scented by wind dried sheets, and fresh sawdust of proud woodworking projects.

Although it can be difficult to let go of a beloved house, there comes a time we must move on and let the old dwelling create a new life and new stories. Our family memories will live on vibrantly and we will recall them often. There will still be laughter, storytelling, and giggles to be had.

However, If a box of money is found hidden within the walls...**call me!**

Wayne Village Pottery Update

We'd all like to start by thanking the community for all their support through Sam's illness. It's been a long year, the kind wishes have helped and he's on the mend, still a ways to go yet in rebuilding.

Molly was featured on Chase Morrill's Maine Cabin Masters show making her loon whistles in the spring and she has been hard at work keeping up with the demand for them ever since! A huge thanks to Chase and crew for the opportunity, the response has been overwhelming.

Our dear friends, the Irelands, have been building a 'farm stand' for us to put outside and do some cash box/pickup-style retail outside. With our ornament and loon whistle production and given the size of the shop and COVID carefulness, we are simply unable to host retail sales in our pottery shop and follow all the distancing guidelines, so this will be a wonderful way for people to stop by and still pick-up or purchase items, look for the stand to be 'operational' in the next few weeks.

Given those limitations, we will not be hosting the Open House in our shop this year, but we will be doing a new ornament and some pottery! This year's ornament will be Chickens and Roosters. With the way the world has been turned upside down this past year, they have become part of our lives here. Molly is excited to make some new pottery, as usual, we can't wait to see what she comes up with!

In mid-October, we will be taking pre-orders for the new ornament through our website: [www.waynevillagepottery.com](http://www.waynevillagepottery.com), so you'll be able to order online and pick-up your pottery & ornaments on the regular Open House weekend- December 5th & 6th this year- we will have some sort of tent outside with orders ready to be picked up, and extras for sale as well. Also, in the meantime, you can order ornaments online at any time and choose 'pickup' instead of shipping when you're checking out and swing by to get them if you live nearby.

If you'd like to be included in our newsletter and/or be reminded when the new ornament is ready, please go to our website and enter your email address and we'll keep you posted!

Hope all of you are hanging in there in these trying times, looking forward to seeing all of you sometime soon around town when things pass!
