Dear Friends and Neighbors,

November is already upon us! The leaves are all pretty much off the trees and it seems like Mother Nature is settling in for a "long winter's nap." But some exciting things are happening at the church!

- We have started a new children's ministry called "**Have Faith, Will Travel.**" They are activity bags filled with four weeks of Bible lessons, crafts, activities and snacks that families can do together at home. If you are interested in getting one for your child or grandchild, please contact me (pastorwayneumc@gmail.com) so we can get you on the list for next month.
- Starting November 1, we will be collecting non-perishable food items for our **Thanksgiving baskets**. If you are also able to donate a turkey, please contact Joan @ 303-5521. (See our Ad elsewhere in the Messenger for more details.)
- Wednesday, November 12 our Trustees will be hosting a **Take-Out Lasagna Dinner**. Contact Connie @ 446-3681 or Anna @ 685-9043 to pre-order. (See our Ad elsewhere in the Messenger for more details.)
- The **church office is NOW OPEN** – Wednesday and Thursday from 1 pm-3 pm. We do ask that you limit your visits with Hannah to 10 minutes, only one person at a time (to maintain a safe distance in the small space), and masks are required.
- **Hannaford Cards are back up and running!** Are you looking for holiday gifts or looking for a way to donate to the church while buying your Thanksgiving dinner supplies for yourself or our baskets for others? Then purchase a Hannaford gift card! Email Hazel at wccannafordgc@yahoo.com, let her know how much you would like loaded onto your card(s), send your check to the church (PO Box 300, Wayne, ME 04284), and we get 5% JUST LIKE THAT. No cost to you and no cost to the church.
- All of our **worship videos** are available for viewing ANY TIME on our Facebook page. You can find us on Facebook or go to our website www.wayneumc.com and click on the link there.
- If you would like to **support our ministries**, please send a check to Wayne Community Church, PO Box 300, Wayne, ME 04284, OR use the DONATE button on our website: www.wayneumc.com. Thank you for your generosity!

A vital congregation like ours needs support from its members AND its community to keep it going. Mother Nature might be taking a nap, but we are wide awake and on the move! Thanks be to God!

Be Well and Be Blessed,

Rev. Angela

Pre-Order Lasagna Dinners - TO GO

Wayne Community Church Trustees will be hosting a lasagna dinner by PRE ORDER ONLY on Wednesday, November 11 from 4pm-5:30pm for TAKE OUT. We'll be serving your choice of traditional, vegetarian or creamy chicken lasagna as well as salad, garlic bread and dessert.

Your donations will be gratefully received AT THE DOOR!

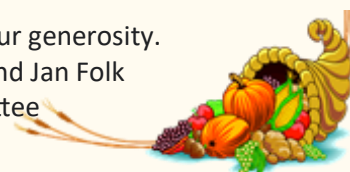

To pre-order, please call Connie @ 446-3681 OR Anna @ 685-9043 or 458- 1002. When ordering, let us know if you or someone in your party is a veteran so we can show you our appreciation when you pick up your meal!

Thanksgiving Baskets

The Wayne church will be continuing our tradition of offering Thanksgiving food baskets to community members who would appreciate help feeding their families.

Please call Hannah at the church office (685-3505), if you can use help or know someone who does. All requests will be confidential. Please bring your non-perishable donations to the gray "wish box" on the church vestry steps. We will put the box out on November 1 and it will remain outside the sanctuary doors until November 23. Either Hannah or Rev. Angela will empty the wish box each day and put the donations into Fellowship Hall. If you wish to donate a turkey, please call Hannah @ 685-3505 or Joan @ 303-5521. Please be sure items are not outdated.

Thank you for your generosity.

Non-Fiction: Rage (Woodward); Agent Sonya, Moscow's Most Daring Wartime Spy; (Macintyre); How to Fly/Poetry (Kingsolver); Maine Bicentennial Cookbook; Mill Town: Reckoning with What Remains (Arsenault);

New DVDs: Outlander Season 5; Marshall; The Public; King of Staten Island; Cats; Emma; Cider House Rules; Just Mercy; Mary Poppins Returns; Black Panther, and more.

Library Safety Note: As the winter months approach we are planning to stick with the "short visit" mode for the library. This is to minimize duration of exposure, especially as we start closing windows. Occasional meetings or computer use for longer periods can be arranged to take place on our lower level. We continue to mask inside the building. We are relaxing the book quarantine period to 24-48 hours rather than 72 hours, as guidance from the library world evolves. Thanks to everyone for complying with all this and for the appreciative comments and notes. We are so happy to be able to be open, and look forward to the day when we can have author events, Lego Club and all the other fun things we do!

2020 Library Auction by the Numbers by Lynette Stinneford, Library Auction Chair

Like so many other events this summer, we had to rethink the Library Auction and although we all missed the displays at the Williams' House, our online event was quite successful and provided a lot of entertainment, especially for the coordinators! The online site, 32Auctions, was recommended to Janet by another librarian and we found it easy to implement, access and maintain all of our auction data. In the end, we discovered that the site made it really easy to count things, with no tally marks! We had 163 items donated by 42 donors. 45 items were Buy It Now, including 12 beautiful aprons and 12 stunning (and timely) masks. This year's very popular, limited edition book and characters, *Mel and Millie the Meadow Mice* were also included in BIN. These unique, handcrafted items were real "hot ticket" items for us. That left 118 items to bid on, far less than previous years but about all that we could manage. We had 72 people register as bidders and they placed a total of 453 bids. We were extremely fortunate to acquire seven Great Wayne Fair Plates and one Wayne Bicentennial Plate from the Chellis family; this is the premier market for these items and we always do well with them whenever we can get them. Five of the top 10 bid-getters were those plates! Three items were close contenders for the impressive highest percentage increase: The 1983 Great Wayne Fair plate with the butterfly went up %500, the courting candle went up %550, and The Pines, done by Christine Dragonetti, went up %600. The bid items netted \$4,972.53 and the BIN added another \$116.00 for a total of \$5,088.53. The website also provided this hilarious statistic: we had 16,559 site visits! Think about that, 73 registered bidders and over 16,000 site visits, that is A LOT of entertainment! We are forever grateful to our always generous donors. This year we truly appreciate our adventurous bidders, who were willing to deal with a whole new system and raise funds for our beloved Cary Memorial Library. We have no idea what next year will bring, but rest assured, there will be an auction in one form or another.

LOCAL ANNOUNCEMENTS

Dear Community, Friends and Supporters,

We want to give you an update on Sustain Wayne's Masonic Hall project.

With Covid-19 and the effect it has had, we thought it was best not to solicit donations during the past several months. As we near the end of the year and look ahead to the future of the Masonic Hall, we are asking for your help. We have a block grant (known as the CDBG Grant) for \$50,000, which will cover exterior work on the building, specifically the roof. The work is slated to begin in May.

Our wish is to raise enough money to replace the foundation, requiring raising the building and also replacing the rotting sill along the General Store side of the building while it is jacked up. The building needs this repair to make it usable. The interior of the building is beautiful but still needs architectural repair to keep the historical footprint. As with any old building, windows, paint, plumbing, and electrical are all needed but will be part of another phase as we raise money. Your support with raising the building would ensure that the old Hall will be around for all of us to enjoy for years to come.

Estimates put the foundation work at around \$90,000. We are hoping to raise this money in the next two to three months so we can get the foundation work done, shoring up the building before any roofing begins.

As we go forward with the project, each phase will be shared with all of you. This building is part of Wayne's history and it is for the whole community. Please consider donating to this very worthy cause. The building cannot withstand sitting idle for much longer without consideration of an alternative plan. Sustain Wayne would like to continue with this project and see it through, but we desperately need your help. Thank you very much. Please feel free to reach out to us via email at sustainwaynemaine@gmail.com with questions.

Winthrop Hot Meal Kitchen

After Labor Day, the Winthrop Hot Meal Kitchen will be open Mondays through Thursdays at noon for hot meal pickup only. Prepared meals will be available outside of the St. Francis Parish Hall, which will remain closed to the general public during food service hours. Deliveries to Wayne and Winthrop will continue as normal. Steve Dodge is seeking a Wednesday volunteer for about one hour to deliver meals in Winthrop. Please contact him at 620-0488 if you'd like to volunteer or have a meal delivered to you in Winthrop or Wayne.

The Winthrop Hot Meal Kitchen welcomes donations from the public towards their food purchases. They obtain some food from the Good Shepherd Food Bank at a low cost; other items are found at supermarket sales. The Hot Meal Kitchen especially likes to receive donations of Hannaford gift cards for purchasing the groceries they need. If you would like to purchase a Hannaford gift card, a simple way to do this is to call the church office at 685-3505 for details about the Wayne Community Church Hannaford gift card program, a convenient way to buy gift cards locally at the same price you'd pay at a Hannaford market.

Longtime Wayne resident, Grace Burleigh passed away on October 13, 2020. After many years of summer visits, Grace and her late husband, Bob, retired to Wayne, Maine in 1979. Grace was actively involved in the community throughout the remainder of her life. Most recently, she donated an Alice in Wonderland room from her home to the Cary Memorial Library. She will be sorely missed by her family and friends. Grace's full obituary is available at the Kennebec Journal:

Aging at Home News - November 2020

Welcome to fall! We hope all is well in your household and that no one is sick.

VOTE: If you have not voted, it's almost too late to do absentee voting, the safest way to cast your ballot. Go to the Town Office (in the school building on Pond Rd) and you can cast your ballot and turn it in while you are there. Or plan to vote in person on Tuesday, November 3. Let us know if you or someone else needs a ride to the polls that day. Whatever you do, PLEASE VOTE!!

GRANT: Aging At Home Wayne was given a grant to help pay for elder's luncheons. Since we are not able to hold these luncheons at present with the Coronavirus lurking, we opted to provide comfort/emergency bags for elders. We did this with permission from the grant agency, Maine Community Foundation. We are stocking tote bags with Covid-useful items (gloves, masks, sanitizer, disinfectant wipes) safety items (flashlights, first-aid kits) and comfort items (fleece throws, mugs, chocolate, and a winter ornament.)

This is not the same as being able to gather and socialize while sharing a meal, but we hope it will begin to make up for missing some of these meals. If you know of someone who could use one of these bags, please call Pam.

GRANT: Another amount of money Aging At Home was granted is from Maine AARP. It has allowed us to purchase 2 picnic tables and 2 benches for the Memorial Park area. One bench will be added to the Farmer's Market part of the park, and a second bench plus 2 picnic tables will be installed across the pond in the Memorial Park. That gives more space for people to buy food and picnic in the area, or just sit and rest between stops in beautiful downtown Wayne. A big Thank You to AARP Maine.

You may be aware that Wayne is partnering with several other towns in the area to enable broadband internet access in the area. If you would like to be up to date on what is happening around broadband, call Aaron at the Town Office.

Utility Scams!! Scammers may call, email and even knock at your door demanding immediate payment for overdue utility bills or they'll shut off your service. When it's storm season and the power goes out, these crooks show up offering to restore service for a payment. The goal is to create a panic in their targets in hopes they will act hastily and pay up. If you get a surprise visit or call from the "utility company," ask questions like what your bill history is or what the individual's employee ID number is, and then confirm before paying.

Airline Ticket Scams!! one of "us" wrote that she had ordered airline tickets for last March from one of the cheap third-party sellers online. She has not, after trying many times, had her money refunded from that. Suggestion: don't buy third party tickets.

If you would like services or know of someone else who would like them, please get in touch with me. Our help includes: Phone calls, visits (from a distance), grocery shopping, rides, and meal delivery. If you have other needs, just ask!

Stay safe and healthy,

Pam Chenea, Coordinator, Aging At Home,

FALL WALK IN THE WOODS

The Wayne Conservation Commission led a group of 14 on a hike up the Kennebec Land Trust Surry Hill property in Fayette on October 14th. (This is not counting our littlest members, who were safely ensconced in their mom and dad's backpacks) The weather was exceptional; still some colorful foliage, and we could see beautiful shimmering Pocasset and Androscoggin Lakes as well as Mt. Washington in the distance.

The group enjoyed the free paracord-handled walking sticks – came in handy for the areas of incline. Many thanks to the Cary Memorial Library for helping the Commission spread the word.

Keep an eye out in the Messenger for future activities from the Wayne Conservation Commission.

The Wayne Area Garden Club Meetings are cancelled until further notice. We will confer in December to decide whether we will be able to meet in January 2021.

WAYNE VILLAGE POTTERY

This year's ornament will be: Chickens and Roosters. With the way the world has been turned upside down this past year, they have become part of our lives here. Molly is excited to make some new pottery, as usual we can't wait to see what she comes up with!

We will be taking pre-orders for the new ornament through our website: www.waynevillagepottery.com, so you'll be able to order online and pickup your pottery & ornaments on the regular Open House weekend- December 5th & 6th this year- we will have some sort of tent outside with orders ready to be picked up, and extras for sale as well. Also, in the meantime, you can order ornaments online any time and choose 'pickup' instead of shipping when you're checking out and swing by to get them if you live nearby.

If you'd like to be included in our newsletter and/or be reminded when the new ornament is ready, please go to our website and enter your email address and we'll keep you posted!

Hope all of you are hanging in there in these trying times, looking forward to seeing all of you sometime soon around town when things pass!
