Dear Neighbors and Friends,

March marks one year since we have been able to worship inside the sanctuary as a community. I remember thinking that we would be back in the building by Easter 2020 and now we know we will not be worshipping in the building for Easter 2021. At first glance, that is something to grieve. But if we stop to take a closer look, we can see that the Church never actually closed. I'd like to share with you some of the wonderful gifts that God has brought out of our time of struggle and confusion.

- In 2019, we usually had anywhere from 2-5 children in Sunday School each week. In February, we delivered 30 "Have Faith, Will Travel" take home Sunday School kits to children in Wayne, Livermore, and Turner.
- In 2019, we averaged about 50 people in worship any given Sunday. In 2020, thanks to our livestreamed services, we are averaging 96 people who worship with us at various times throughout the week.
- Since March 2020, we have been able to worship with friends in Connecticut, South Carolina, Florida, New Mexico, Oregon, and England!
- Throughout the pandemic, we have strengthened our ties with other area groups. Just last month, we teamed up with Aging At Home and delivered Valentine's cards, balloons and cookies to some of our neighbors and friends. We also mailed cards to those living a little further away.
- Thanks to the generosity of our neighbors and friends (especially those who responded to our plea in the Messenger), we were able to share half of our Christmas Eve offering with Rural Community Action Ministry (RCAM) in Leeds. In years past, we have given them \$250 – this year, YOU gave them nearly \$900!
- Seasonal residents and neighbors have been able to join us for worship and be a part of committees all year round. We all benefit from their generous gifts, ideas, and time.
- Some friends have donated all or portions of their stimulus checks to our Pastor's Discretionary Fund so that we can help folks with rent, heat, medical bills and other pressing needs.

Now, as we go through Lent together and prepare for another Easter outside the walls of the sanctuary, I am reminded that Jesus did all his best work outside. He taught on mountainsides and from boats. He walked dusty streets surrounded by crowds, meeting people wherever they were in the moment (physically, emotionally and spiritually). We look forward to meeting you outside, too! Whether that is for our Easter Sunrise Service or while out for a walk or on Facebook live for worship. The Church has NOT closed and we can't wait to connect with YOU!

In Grace and Peace,
Rev. Angela

It is time for the Wayne, Maine Directory to be updated! Would you like to be included?

Church volunteers have offered to create a new directory. The town office staff has indicated that people, especially those new to town, often ask if there is a directory they can purchase. Our last (2015) directory is outdated and no longer available. Whether you are a full-time or part-time resident, a seasonal visitor, or otherwise have a connection to Wayne, we would love to have you included – landline, cell phone number, address, email, whatever you would like listed so people can find you! The Directory will be sold for the benefit of the Wayne Community Church. If you would like your information added or updated, please email Sue Spalding at sspalding143@gmail.com or call her at 207-685-9012.

We will also be looking for a few volunteers to call folks who are in the current directory regarding the update. If you would be interested in helping, please call Sue Spalding.

Wayne Church Hannaford Card Fundraising

The Wayne Community Church has an ongoing fundraiser with Hannaford. By placing a bulk order for gift cards, the Church earns 5% of the sales. So for example, purchasing a \$100 card, or reloading an existing card through the program earns \$5 for the Church, and gives the Purchaser a \$100 value card to use at Hannaford. If you spend \$100 each week at Hannaford, this would earn \$260 for the Church in one year without any additional cost to you! The cards can be used for anything except purchasing another gift card, lottery tickets, or getting cash back. It can be used for "Hannaford To Go".

All you need to do is email Hazel Stevenson at wchannafordgc@yahoo.com and mail or drop a check at the Church office (PO Box 300, Wayne, ME 04284). Once you have a card from the program, you can continue to reload the same card the same way. You decide how much and how often you want to add to your card. A weekly bank deduction is also an option.

Support the Wayne Church Hannaford Gift Card Fundraising Program!

For additional information call Hazel at 207 754-6007.

TOWN NEWS AND ANNOUNCEMENTS

Did You Know?

"It was a warm summer night in the early 1950s when a young woman by the name of Joan Ward, of Winthrop, first met George Morse of Dixfield. He teased her unmercifully until she finally agreed to one dance. Even though there was just one dance that night, she went home and told her mother she had met her future husband. They were married just a couple of years later when he returned from Korea, where he served as a Marine. This young couple would be my parents, and I so loved to hear the story of how they met. I only wish the Moon-Glo were still in existence; what a great venue for dancing, for fellowship and romance."

Andy Pettengill

"Musicians were Foster Beach on Trombone, Horace Davenport on Drums, Vivian Lincoln on Piano, and Waldo Lincoln on Violin. My parents, Paul and Charlene Gould, were present at The Moon-Glo with Charlene's parents, Ervin and Flossie Burleigh, on November 20, 1951, during the unusual winter of 1951-1952. The stars were out that night, but the next morning they saw 5 feet of snow on the ground!"

Ken Gould

The Moon-Glo Pavilion could be found tucked into the woods off Rt. 133 across from the present day public boat ramp. It was originally built to entertain the guests of the Androscoggin House, but soon became popular with Wayne and surrounding communities. Sadly, some thirty years later after the hotel closed the building was torn down.

Thankful for the following two books for information: *Illustrated History of Wayne, Maine* by Jack Perkins *Golden Summertime*, by Edward L. Kallop, Jr.

Did you know in the early 1930's the *Kennebec Journal* wasn't the only paper available? Wayne, Maine for a short time had their own newspaper to deliver social news for and about the residents of Wayne and their visiting friends and family. It only lasted a short time but does sound familiar to the current *Messenger* that began in the early 70s. The name of Wayne's original tabloid can be found on page 8.

If you have an idea for a *Did you Know?* puzzler send it to editorwcc@gmail.com

A sixty-foot-long banner was displayed on the Wayne footbridge and participants started at the footbridge and walked clockwise by the Memorial Park passing by 68 blue and red signs which displayed in chronological order the date of each inauguration and the name of each President inaugurated from George Washington to Joseph R. Biden.

Planning Committee included Margaret Lane, Stan and Jane Davis, and Jim Perkins. Banner was painted by David Randall.

An Introduction to Maine Medicinal Plants: Cultural Uses, Ecology, and Botany Virtual Annual Lyceum Lunches

Thursdays, March 18 and 25, 12:00—12:30 PM

Although we won't be having our annual Lyceum Lecture Series in-person this year, we are thrilled to be able to offer a modified Zoom lunch program. Join guest speakers as they present a short introduction to Maine medicinal plants. On Thursday, March 18, Jennifer Neptune, artist, anthropologist, educator and member of the Penobscot Nation will introduce *Past, Present and Future: Cultural Uses of Native Plants in Maine*. On Thursday, March 25, Eric Doucette, of the Massachusetts College of Liberal Arts, will introduce *Botany of Medicinal Plants*.

News:

In Memory of George Smith

George Smith, conservation champion and a friend to many, passed away on February 12, 2021. We will miss his smile, good spirits, and infectious love for Maine's natural areas and wildlife. The Ezra Smith Wildlife Conservation Area was donated to KLT in 2018 by George and Linda Smith. KLT will carry on George's tradition of keeping the property open, both for hunters of all ages and for other outdoor enthusiasts and will be working to create a new trail to Hopkins Stream in the summer of 2021.

Winthrop Hot Meal Kitchen

After Labor Day, the Winthrop Hot Meal Kitchen will be open Mondays through Thursdays at noon for hot meal pickup only. Prepared meals will be available outside of the St. Francis Parish Hall, which will remain closed to the general public during food service hours. Deliveries to Wayne and Winthrop will continue as normal. Please contact Steve Dodge at 620-0488 if you'd like to volunteer or have a meal delivered to you in Winthrop or Wayne.

The Winthrop Hot Meal Kitchen welcomes donations from the public towards their food purchases. They obtain some food from the Good Shepherd Food Bank at a low cost; other items are found at supermarket sales. The Hot Meal Kitchen especially likes to receive donations of Hannaford gift cards for purchasing the groceries they need. If you would like to purchase a Hannaford gift card, a simple way to do this is to call the church office at 685-3505 for details about the Wayne Community Church Hannaford gift card program, a convenient way to buy gift cards locally at the same price you'd pay at a Hannaford market.
