Dear Friends and Neighbors,

I feel the deep and joyful desire to say, "Welcome Home!" It's so exciting to hear about our summer residents returning to Wayne or making their plans to return. And we are SUPER excited to be planning our introduction of "Both/And" worship at the Wayne Community Church. Beginning on Mother's Day (May 9), we will be reintroducing in-person worship as well as continuing our livestreamed worship services. Over the past year, we have doubled worship attendance through our online services and want to continue that powerful ministry even as we begin welcoming people back into the building and our beautiful sanctuary. A few things to expect if you join us for in-person worship:

- Everyone will be expected to wear a mask inside the building at all times. If that is not possible or comfortable for you, please join us online. If you forget yours, we have some disposable and some homemade masks for you to keep!
- Greeters will be taking names and phone numbers for contact tracing purposes as recommended by the CDC and the New England Annual Conference of the United Methodist Church.
- Ushers will guide you to your seats. Please understand that you may not be able to sit in your favorite pew as we have had to block off certain pews and some seats in order to maintain 6' distancing between families/groups. If you want to sit with a friend, please plan to arrive together. Ushers will also help us to exit the building at the end of the service.
- We will not be singing together as this is still considered a potential risk for transmission of COVID when indoors. Instead, we have been blessed by our music director, Christina Rao and the Corona Choir who have created videos of our hymns and special music for worship both in-person and online.
- We have seats for 30 worshipers in our sanctuary (in addition to the volunteers and Pastor). Once we have met capacity in the sanctuary, the ushers will direct you to seating in Fellowship Hall where we have a closed circuit television so you can worship with us live.

There will be lots of questions and learning along the way as we transition to this new method of worshipping together. We will continue to adjust in response to (hopefully) positive improvements in the control of the Coronavirus. We realize that many folks will be returning to Wayne from communities and states that have different standards and guidelines in place. It is our hope that we can find joy in worshipping together while we also focus on continuing to follow what our leadership has researched to be the safest and best practices for keeping the most people safe and healthy.

It will be so good to see our seasonal neighbors return. It IS so good to see so many people out and about walking and enjoying the beautiful Spring weather. Praise God from whom all blessings flow!

Be Well and Be Blessed,

Rev. Angela

Winthrop Hot Meal Kitchen

After Labor Day, the Winthrop Hot Meal Kitchen will be open Mondays through Thursdays at noon for hot meal pickup only. Prepared meals will be available outside of the St. Francis Parish Hall, which will remain closed to the general public during food service hours. Deliveries to Wayne and Winthrop will continue as normal. Please contact Steve Dodge at 620-0488 if you’d like to volunteer or have a meal delivered to you in Winthrop or Wayne.

The Winthrop Hot Meal Kitchen welcomes donations from the public towards their food purchases. They obtain some food from the Good Shepherd Food Bank at a low cost; other items are found at supermarket sales. The Hot Meal Kitchen especially likes to receive donations of Hannaford gift cards for purchasing the groceries they need. If you would like to purchase a Hannaford gift card, a simple way to do this is to call the church office at 685-3505 for details about the Wayne Community Church Hannaford gift card program, a convenient way to buy gift cards locally at the same price you’d pay at a Hannaford market.

### “Add a Ribbon”

### Wayne’s Memorial Day Observance

May 31, 2021

On Memorial Day Americans honor those who have died in service to our country by visiting cemeteries and memorials, holding family gatherings and participating in local commemorations. A red poppy may be worn from May 1<sup>st</sup> in remembrance of those fallen - a tradition that began with a World War I poem. The memorial observance began in 1868 for the “purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country, and whose bodies now lie in almost every city, village and hamlet churchyard in the land.”

In Wayne, we have gathered for an annual parade, wreath laying, musical selections and a poignant address, and specifically honor the sacrifices of Wayne’s 26 Civil War, two World War I and three World War II dead. This year, (as last year) a recorded program will be provided online since it remains unwise to gather in the face of COVID-19 risks.

We encourage anyone to add a commemorative ribbon honoring a family member or friend to the “Wayne Remembers” banner which will be placed again in the Memorial Park on Main Street along Pocasset Lake, including last year’s ribbons. We also recommend observing this year’s National Moment of Remembrance at 3 pm on Memorial Day.

The Wayne Program will be available May 31 on the Town website, [waynemaine.org](http://waynemaine.org). The Memorial Day address promises to be a thoughtful reflection offered by Wayne’s Dana Reynolds, who grew up here as an accomplished vocalist and trumpeter and is now completing her freshman year at the University of Maine.

For information, contact Holly Stevenson (685-9005) or Don Welsh (685-4117)

### Wayne Farmers’ Market

We are coming back strong in 2021! The last year has been a challenge for all of us. Many of our vendors developed new strategies for connecting with their valued customers, as they worked to keep their operations afloat. Now they look forward to seeing you all again on the green next to the Post Office, overlooking the beautiful Mill Pond. The Market will begin on Saturday, May 29, and continue each Saturday through Labor Day weekend, from 9 am until noon. Whether you are a lifelong citizen, an occasional visitor, or a long-time summer resident, the Market is a great way to purchase fresh food and other products, support local vendors and producers, and enjoy summer Saturday mornings.

We will be observing state mandated COVID-19 protocols, to keep everyone safe. Our vendors will be wearing masks, sanitizing frequently, and prepackaging some of their offerings. We ask customers to please wear a mask and practice social distancing as long as these mandates are in place. Additional guidelines may be posted at the market, and may change over the course of the market season. Welcome back!

**Internet improvement in Wayne**

The Wayne Selectboard and Town Manager have been working for the past year to find ways to extend and improve internet access in Wayne. We have explored many options, and received input through a community survey, which showed us that there is widespread support for this project. The challenges of the last year have made clear how important this issue is to people in our town. We have designed a second survey, focused on strategies for extending fast, reliable internet access throughout town. We would appreciate it if you would fill out this brief anonymous survey. We would also appreciate it if you would forward the survey link to other year-round and seasonal residents. The survey will be also available in paper form at the town office. You can take the survey at <https://www.surveymonkey.com/r/WayneSecondInternetSurvey>

In the survey you will also have a chance to sign up for a Town email list through which you would get announcements about town initiatives and news, including the progress of this project. We plan no more than two emails a month, and your email address will not be shared or sold. If you don't want to take the survey but would still like to be on the email list, please email Stan Davis (Selectboard member)

AAH Newsletter May, 2021

Happy May to all! It is sooo lovely to bask in the sunshine of this season. It's been a long year.

Do you have a File of Life? Or reflective numbers for your mailbox? If so, it may be because AAH provided you with them. Are you USING them? We haven't seen many around town. Please use both. The file of life can help first responders understand what your medical needs are. The reflective numbers can help them find you in a medical emergency. Precious minutes might be lost in searching for your house in the dark without them. If you missed out on the first distribution of these items, AAH will be present at the Strawberry Festival on July 10 to give you these items, no charge.

Tai Chi is back! We began again on April 30. We HIGHLY RECOMMEND that you be fully vaccinated for Covid 19 before you attend. If you would like to take part, please contact me.

## Invasive Milfoil in Androscoggin Lake: Plans for 2021 and how YOU can help

LIDIE ROBBINS, EXECUTIVE DIRECTOR  
 30 MILE RIVER WATERSHED ASSOCIATION

As the summer season approaches, we are ramping up to fight the new invasive milfoil infestation on Androscoggin Lake. If you missed it, here's a quick recap of what happened last fall.

In September, a volunteer member of the Androscoggin Lake Improvement Corp.'s (ALIC) invasive plant patrol team found a suspicious plant in the Inner Cove at the northern end of the lake, near the public boat launch. DNA testing confirmed the plant was invasive Variable Milfoil. Because attacking an infestation early provides the best hope, 30 Mile and ALIC immediately went to work with the Maine DEP and Lake Stewards of Maine to implement a rapid response. After four days of surveying and removing plants, by mid-October we had done everything we could for the season, removing all the plants we had found.

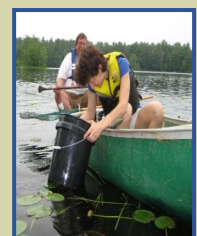

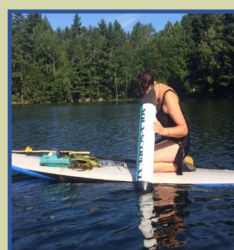

Late this spring, staff from 30 Mile will be back out on the cove, looking for new plant growth and any plants we missed. DEP divers will survey the deeper areas of the cove. As invasive plants are found, DEP staff will remove them. This intensive effort will continue throughout the summer and into the fall.

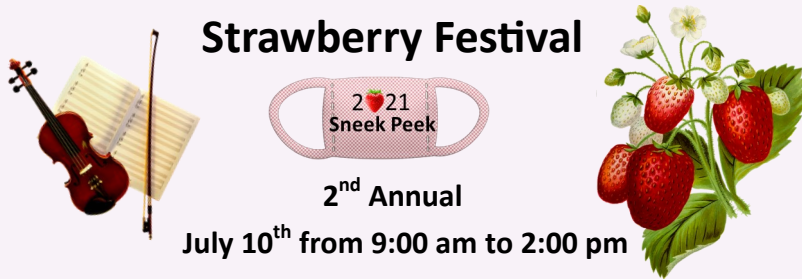

We also must confirm that the milfoil isn't growing anywhere else in the lake. Androscoggin is a big lake and there are many places where variable milfoil could be. A full lake survey effort will be ongoing throughout the summer and will depend upon the support of MANY volunteers.

If you are eager to help, we will be offering several trainings throughout the season - no experience necessary. What's involved in volunteering? You will be spending time on the water, on your own schedule, looking for plants that don't belong. Many different species of native (good) plants grow in the lake, and several are look-alikes for variable milfoil, so basic knowledge of plant identification is important. Most surveying is conducted from the surface, with the naked eye when conditions allow, or with a scope, as shown here. To learn about joining our effort, contact ALIC's volunteer coordinator, Buddy Cummings, at (207) 320-5720 or [alic@androscogginlake.org](mailto:alic@androscogginlake.org). For updates, subscribe to 30 Mile's email newsletter, like our Facebook page, and visit [www.30mileriver.org](http://www.30mileriver.org).

## We're hiring summer staff!

Be part of the "first line of defense" against invasive aquatic plants. **Courtesy Boat Inspectors** work at public boat launches checking incoming and outgoing boats and educating the public. Protect our lakes from the devastating impacts of invasives, while spending time at beautiful, lakeside locations. More info at <http://30mileriver.org/get-involved/employment/>.

## Hall Renovation Goals

2021

### PHASE ONE - RAISE THE HALL

Phase one of the rehabilitation will address the most significant aspects that are currently threatening the building, the foundation and the roof. Lifting the Hall out of the floodplain and back down onto a new foundation will secure the Hall for generations to come. Phase one will also complete necessary roof repair with funding from the Community Development Block Grant (CDBG) Sustain Wayne was awarded from the U.S. Department of Housing and Urban Development.

*after phase one is complete, we'll begin:*

### PHASE TWO - FARM TO TABLE

Phase two of the renovation will be renovating the first floor. This space will be used for:

- Dining – highlighting local farmers and producers
- Winter Farmers' Market
- Educational Programming – topics may include canning, preserving, sustainability initiatives
- A community hub for gathering and learning

### PHASE THREE 2<sup>ND</sup> FLOOR

The second floor will be a mixed-use space, and include office space, a gallery for local artists, and overflow for first-floor activities.

### PHASE FOUR 3<sup>RD</sup> FLOOR

The third floor will be a community gathering space for live music and entertainment

HELP US REACH OUR GOAL

Did You Know?

From coffee klatches to Celtic music jams, the Wayne General Store has become the town Gathering Place and one of our most endearing establishments. There have been many proprietors over the years, each leaving their mark on the building and the community. Let me know if we are missing anyone, or if you know about the history before the 1930s. Share your memories with us about these hardworking townspeople.

1. After her husband’s death in 1934 she ran the store. She also owned The Pocasset House across the street and later sold it to the Ladd family.
2. He bought the store in 1948 and stayed on as a clerk after it passed into new hands. You may remember him as one of the names on the three quarter century club bench.
3. The next owner rearranged the store to compete with the new emerging supermarkets, losing some of its old time general store characteristics.
4. In the mid-fifties the store was purchased by a fun loving couple known for their generosity and hospitality.
5. They once scooped ice cream in Parsippany NJ before living above the store. Now can find one of them at our local grocery store.
6. Beautiful wooden countertops were handmade by the owners in the 1980s-90s.
7. Since 2010 this current owner and beloved baker has greeted everyone with a smile.

## LOVE BIRDS?

### JOIN US FOR BIRDWATCHING

May is a busy time for birds in our Maine woods – summer avian residents are returning, and others are passing by as they complete their migration to other distant locales. To take full advantage of this special season, the Wayne Conservation Commission is sponsoring a bird walk in Wayne's 100 Acre Wood. All are welcome!

We are fortunate to be led by two local amateur birders. Howard Lake has led trips with the Augusta Birding Club. He and his wife have birded all over Maine as well as Texas, Arizona Florida, Cape May, NJ and Costa Rica. Jane Andrews has been watching the neighborhood birds since 2003. She has birded in exotic places like Colombia, Kazakhstan and Uganda, but there is no place like home.

The group will meet at the parking lot at the end of House Road on Thursday, May 13<sup>th</sup> at 7:00 AM. Rain date (only if pouring rain) is May 14<sup>th</sup>. Please wear masks and maintain social distancing. Don't forget to bring bug spray and binoculars.

Jane can attest that Howard Lake is first rate as a trip leader, and Jane has been our neighborhood 'go to' person for local bird news. The Conservation Commission is also offering a Giveaway of the 'Birds of Maine' field guide for one lucky participant. We hope you can join us in this beautiful woodland, whether you are a birding expert or an armchair birder – this trip will be fun and informative.

For more information about this trip, please contact Chris Jones at 685-4186 or [chrisjones713@gmail.com](mailto:chrisjones713@gmail.com).

### WAYNE'S 100 ACRE WOOD NEEDS HELP

This beautiful 118 Acre woodland bordering Wilson Pond is being conserved for the benefit of the Wayne community, but help is needed to make it accessible so that more people can enjoy it.

Several groups have already enjoyed participating in the walks sponsored by the Conservation Commission, and a bird-watching walk is scheduled for mid-May. We hope to have more educational offerings in the future.

Thanks to very generous early donors a parking lot has been installed at the end of House Road.

The property is being surveyed right now, and *the need to raise funds is urgent as the payment for the survey comes due*. After this, the next steps are trail development and installation of benches and an information kiosk.

The Town Office maintains a designated fund to accept donations. Please send a check payable to Town of Wayne, PO Box 400, Wayne, ME 04284 annotated, "Wayne's 100-Acre Wood".

Donations may also be made by credit card; go to <https://wayne.androgov.com/>, 'Miscellaneous Payments,' and indicate "Wayne's 100-Acre Wood".

These woods are peaceful and blessed with scenic views and abundant wildlife. With your help, we can make sure it is accessible for us all to enjoy and appreciate!

Thanks to all,

The Conservation Commission
