Dear Neighbors and Friends,

Get ready, get set, BID! The Wayne Community Church Auction is online July 1-10 and full of so many amazing items! Wayne locals have donated priceless items like: a jar of George Dragonetti's heavenly jam, homemade dinners and desserts, unique pieces of visual and fabric art. Restaurants and businesses around the state have donated gift certificates to restaurants and stores – perfect for those "hard to buy for" folks in our lives. We have baskets with goodies from the world-famous "Maine Cabin Masters" and locally beloved "Grey Goose Gourmet." We have one-of-a-kind Sports Memorabilia for both avid and burgeoning collectors as well as leisure getaways and golf packages. We truly have something for everyone!

What you may not know about our annual auction is just how important it is to the life of our beloved Wayne Community Church. The auction is our primary fundraiser with all proceeds going to our general fund. This auction helps pay the bills so that all the things we love the best about our church can keep going: Christmas pageants and Pooh Bear and Caroling and Halloween parties and family hikes. This auction also makes it possible for us to start new ministries like: Have Faith Will Travel (take-home Sunday School kits) and Fireside Fellowship and Livestreamed Worship Services. This auction helps us to make a difference in people's lives through outreach like: Thanksgiving food baskets and the Christmas Giving Tree and partnerships with Camp Mechuwana, United Methodist Economic Ministries, Rural Community Action Ministry, and the Winthrop Area Food Pantry. By enjoying our auction and buying these amazing items, you are also contributing to the continued life and ministry of our 227-year-old community of faith and our 200-year-old sanctuary.

So, please, begin bidding TODAY (July 1). Send our web address to your friends: [www.waynechurcauction.com](http://www.waynechurcauction.com). The website is user-friendly and you can even pay for your items online. Stop by the church on July 8, 9, and 10 to check out a few of our "must-see" items or at the Strawberry Festival on July 10 from 9-1. Bidding ends July 10 at 4:30 so that you can pick up your newest prized possessions between 5:30 and 7.

Thank you for your continued love for our little church. Your support helps us to be a small church with a big vision – to amplify our call to be a community church. Together, we can build a community of love, compassion, and joy!

In Grace and Peace,  
Rev. Angela

"Come and find the quiet center"

This summer as we gather around a firepit on the lawn in front of the parsonage for some low-key fellowship. Bring a lawn chair, a snack, or picnic dinner. Bring a partner, your whole family, or just yourself. We'll sing some "oldie but goodie" hymns, share our thoughts and prayers, and just enjoy one another's company. We've got something for everyone: fun songs for kids (and a playground) and familiar tunes for the young at heart. We'll meet on the fourth Wednesday of each month from 6-7 pm (or whenever we feel like going home). Should the weather decide it doesn't want to cooperate, we'll simply move it to the following Wednesday.

July 28, and August 25 - 6-7 pm

## Winthrop Hot Meal Kitchen

After Labor Day, the Winthrop Hot Meal Kitchen will be open Mondays through Thursdays at noon for hot meal pickup only. Prepared meals will be available outside of the St. Francis Parish Hall, which will remain closed to the general public during food service hours. Deliveries to Wayne and Winthrop will continue as normal. Please contact Steve Dodge at 620-0488 if you'd like to volunteer or have a meal delivered to you in Winthrop or Wayne.

The Winthrop Hot Meal Kitchen welcomes donations from the public towards their food purchases. They obtain some food from the Good Shepherd Food Bank at a low cost; other items are found at supermarket sales. The Hot Meal Kitchen especially likes to receive donations of Hannaford gift cards for purchasing the groceries they need. If you would like to purchase a Hannaford gift card, a simple way to do this is to call the church office at 685-3505 for details about the Wayne Community Church Hannaford gift card program, a convenient way to buy gift cards locally at the same price you'd pay at a Hannaford market.

## Did You Know?

Did you know that the footbridge across the millpond used to be a vehicular roadway? You could travel on Bridge Street beside the General Store to the Yacht Club. Behind these locals seen here eating ice cream is the Old Mill, which is no longer there, and the Masonic Hall, which Sustain Wayne is currently working to revitalize into a cultural and social site for our community. How many ice cream cones do you think have been enjoyed here?

## Get to Know Wayne's 100 Acre Wood

Join us for a walk in Wayne's 100 Acre Wood on Sunday, July 18<sup>th</sup>, at 1:00 pm. The Wayne Conservation Commission would like Wayne's townspeople to get acquainted with this woodland haven that is being conserved for the enjoyment of us all.

There are old foundations, unique rock outcroppings, and beautiful views to enjoy along the trail. The walk is approximately three miles and will follow the ridgeline above Wilson Pond. While longer than previous walks with some steep sections, the trail should be very doable for most people.

Meet us at the Parking Lot at the end of House Road. Remember to guard against ticks and have bug spray on hand. For more information, please call Chris Jones at 685-4186. Cancellation only if pouring rain.

### WAYNE'S 100 ACRE WOOD

This beautiful 118 Acre woodland bordering Wilson Pond is being conserved for the benefit of the Wayne community, but help is needed to make it accessible so that more people can enjoy it. The property has been surveyed, and *the need to raise funds is urgent as the payment for the survey comes due*. After this, the next steps are trail development and installation of benches and an information kiosk. Please send a check payable to Town of Wayne, PO Box 400, Wayne, ME 04284 noted, "Wayne's 100-Acre Wood". Donations may also be made by credit card; go to <https://wayne.androgov.com/>.

**Kennebec Land Trust reaches 7,200 Acres of Conserved Land with the donation of the 273-acre Jacobs-Stanley Conservation Easement in Monmouth.** Contact: Howard Lake, Co-Chair of the Kennebec Land Trust Lands Committee 446-5996 (cell)

Monmouth — On June 14, 2021, Monmouth residents Charlie Jacobs and Rebecca Stanley donated a 273-acre conservation easement to the Kennebec Land Trust (KLT) that features 123 acres of woodlands, 79 acres of wetlands, 58 acres of open fields, and over 3,670 feet of undeveloped shoreline on Annabessacook Lake, and protects forever a well-known scenic vista from the Macomber Road.

The Maine Department of Inland Fisheries and Wildlife (MDIFW) has mapped portions of the property as containing high-to-moderate value waterfowl and wading bird habitat. Several of the fields include valuable agricultural soils and are currently a source of hay for Maine dairy and beef operations. The Town of Monmouth's Comprehensive plan notes the agricultural and scenic values of the property and in particular the sweeping views of Mount Pisgah and the western mountains.

Conservation easements are legal documents that limit the type and scope of development on a property. These lands are still privately owned but are protected forever by a conservation entity. With this generous and farsighted gift, KLT now holds easements on 2,360 acres in the Kennebec River and Lakes region. In addition, KLT owns over 4,600 acres with fifty-four miles of trails that are open to the public for outdoor recreation, including hiking, hunting, fishing, paddling, skiing, and nature observation.

At the time of their donation, Charlie and Rebecca noted, "This land that we love has a wonderful diversity of wildlife habitats, productive farmland, and scenic views. It is also very important to us to help protect the water quality of Annabessacook Lake by preventing the development of waterfront property. We are thrilled to be able to ensure that this land will not be developed and that the traditional views along Macomber Road of open fields and forestland will be preserved. Many thanks to KLT for giving us the opportunity to maintain this land as open space for the future."

In recognizing the significance of this gift, Kim Vandermeulen, President of the KLT's Board of Directors, said, "Currently Maine is experiencing increasing development pressure and the associated conversion of forestland and farmland to other uses. These losses generate carbon emissions and are contributing to the earth's rising temperatures. Since undeveloped land sequesters and stores carbon, land conservation projects like the Jacobs-Stanley easement not only protect valuable woods, wetlands, shoreland, and agricultural soils, they are also part of a natural solution to climate change. Charlie and Rebecca's gift is truly a legacy for current and future generations.

Since 1988, KLT has worked cooperatively with landowners and communities to conserve the forests, shorelands, fields, and wildlife that define central Maine. The Trust's conserved lands encompass over 7,200 acres in the Kennebec River and Lakes region. Most of KLT's properties are open to the public for hiking, outdoor recreation, nature observation, and hunting. For more information call 377-2848 or visit [www.tkl.org](http://www.tkl.org)
