Dear friends and neighbors,

The holiday season is upon us! For some, this is the most wonderful time of year. For others, it used to be, but has a ring of loneliness or deep sadness now. For still others, it has never been a time of great joy. Still, here we are: steeped in the music and decorations, gifts and feasts. At Wayne Community Church, we are spending this Advent season, this time of preparation for Christmas, with the story of The Grinch. The story of a character who had enough of the noise and toys, the great roast beast and decorations. We don't know why his heart was two sizes too small, but together we will discover how his heart grew three sizes that Christmas in Whoville.

We have lots of fun and joy built into our calendar in December. This year, WCC will be part of the Wayne Holiday Stroll on December 3! Stop by and pick up gifts for your friends and family like our "Bridges" cookbook or Rada cutlery. We will also be hosting some special guest vendors – be sure to check out the ad for the Holiday Stroll inside the Messenger to find out who will be at WCC! On December 4, we invite all our neighbors to come and help us beautify the church as we prepare our hearts and our sanctuary for Christmas. Then join us for some caroling around the tree in Memorial Park. December 18 promises to be a wonderful morning specially designed for families to enjoy as we welcome The Grinch himself to Wayne! Our Christmas Eve Candlelight service will be as heart-warming as ever and this year you won't need to wear your coat as our new heat pumps are up and running! And Christmas morning should be spent in your pajamas, but that doesn't mean you can't come to church! Wear your PJ's to church or stay home in your PJ's and join us on Facebook Live for a special Christmas morning SUNG Communion.

Even as we have planned for fun and joviality, we have also been mindful of providing moments of solemnity and "Building Bridges of Healing and Hope." Our Christmas Eve service will begin early again this year with a special organ recital provided by Christina Misner Rao. Our offering will again be shared with another non-profit close to our hearts whose mission is to provide food to our neighbors: The Maranacook Area Food Pantry. We hope you are able to join us on Christmas Eve, but even if you are not, we have provided a special Christmas envelope in the mailed copies of the Messenger so that you can be a part of bringing healing and hope to someone else's table this season. If you receive the Messenger via email, please send your gift to WCC, PO Box 300, Wayne, ME 04284 with a note: Christmas Eve.

"We love because God first loved us" (1 John 4: 19).

Sending you lots of love,
Rev. Angela

What's happening at WCC?

Thanks to a generous gift from Tom and Jan Cook, one of our dreams at Wayne Community Church is becoming a reality! We want to share our excitement with you about a new "Bridge" project that will help us provide healing and hope to the whole community. We are improving our audio/visual capacity at the church and working with experts who are simultaneously working to maintain the beauty and historical character of the Sanctuary we all know and love. By improving our livestreaming capabilities, providing a space at the back of the sanctuary for the equipment, and adding an electrically retractable screen, we envision this project as benefitting the entire community. Our livestreamed worship services have been enjoyed in 20 towns in Maine, 14 states across the nation (plus D.C.) and 3 other countries but we have not had a way to share videos well in the sanctuary. We look forward to not only improved worship experience, but also celebrating weddings and funerals with the ability to share videos that everyone can see and hear. We will be able to welcome local groups and guest speakers who will be able to bring their presentations and include a larger audience who can watch from home. This project will open many doors and opportunities to improve our worship experience as well as connect with people outside the church walls. Thank you, Tom and Jan, for embracing the vision!

If you want to know more about the exciting "Bridges" being built at WCC, be sure to connect with Rev. Angela and check out our new "Connect" video on our website: www.wayneumc.com.

Update on Jackie Hanley

An open letter from Jackie Hanley, whose Florida home was severely damaged during Hurricane Ian in late September:

"To all my Wayne friends and neighbors, thank you for lifting me up as I go through every stage of re-building the inside of my 7-room home: sheet rocking, painting, floor covering, replacing appliances and furniture – all of it is daunting for this nearly 82 year old bird. But you know, it is the blessings from people like you who really make an unforgettable difference. So thank you again! Love from Jackie Hanley"

Jackie's family is so very grateful for all of the support and financial contributions received to date. For community members still interested in helping Jackie, thank you for your consideration of the below listed options:

1. Jackie can be reached at **239.731.8367** or jackiehanley80@icloud.com and greatly benefits from encouraging words and moral support.
2. Cards (with checks enclosed, optionally) can be sent to Jackie's mailing address: **5640 Long Leaf Drive, North Fort Myers, FL 33917.**
3. Donation boxes are set up at both **A Small Town Bakery** (Wayne General Store) and **Cobbie's.**
4. You can find Jackie Hanley on **Venmo** (look for her picture on profile, which is also linked to her phone number and email above).
5. Alternatively, contact daughter Trish Hanley-Goodwin (local Wayne resident) at 207.441.5641 to make a private cash or check donation to be directly deposited to her FL account.

Wayne’s 100-Acre Wood December 2022 Update

Much progress has been made toward conservation goals for our Town’s largest and most beautiful open space parcel over the last 18 months.

- A professional boundary survey was completed in late spring 2021. This work was needed to resolve discrepancies between the deeded record and actual property boundary lines, some of which could not be located before the survey.
- The Wayne Conservation Commission (WCC) has worked with abutting land owners to identify their respective property lines and ensure good neighbor relations such as avoiding encroachments. Two conservation-minded abutters offered to make boundary adjustments with the Town which would add several acres and enhance the conservation and recreation value of the 100-Acre Wood.
- There is now a 1-mile loop trail along the upper slope originating from the parking area. It is not a difficult walk, and is marked for easy identification. Plans for additional trails are in progress.

There is more work to be done. The Town has signed a contract with Main-Land Development Consultants to write legal descriptions for the boundary agreement and land exchange and to install new boundary corners and lines, in follow-up to the original survey. The cost for this work is expected to be approximately \$2,600. There will be other expenditures too. The Town needs to place boulders along the property line with one abutter, and there will be attorney fees associated with the legal work. We also hope to install a permanent information kiosk at the parking area in spring 2023.

When Wayne residents voted in 2019 to conserve this land as open space for public use and low impact outdoor recreation, there was no money in the budget for the boundary survey, legal costs, trail construction, and related amenities. The Conservation Commission has agreed to raise private donations to cover these costs.

The Town maintains a designated fund to accept donations. If you have already donated to this fund (as have all WCC members), thank you! [We still need your help.](#)

Why does this matter? We need beautiful natural areas more than ever, and we are fortunate to have this local gem of mixed woods, wildlife habitat, dramatic terrain, and shoreline on Wilson Pond. The 100-Acre Wood enhances the quality of life in our town.

You can make a difference! Please send a check payable to Town of Wayne, P.O. Box 400, Wayne, ME 04284 annotated, “Wayne’s 100-Acre Wood”.

Donations may also be made by credit card; go to <https://wayne.androgov.com/>. Select ‘Miscellaneous Payments’, and indicate “Wayne’s 100-Acre Wood”.

Thank you for helping us continue to make progress with Wayne’s 100-Acre Wood.

Sincerely,

The Wayne Conservation Commission

Directions

At the end of the public portion of the House Road is an open field on the left. On the right is a new parking lot for access to the 100-acre wood. Beyond this the road is private. Please respect the privacy of our neighbors and don’t drive beyond the parking lot.

Goodpost Refill Shop 508 Main Street, Wayne

So, what is a refill shop? The shop was opened this past July at 508 Main Street, the old post office, offering refills for your home essentials—laundry detergents, hand and dish soaps, castile soaps, lotions, shampoos and more. We also carry reusable cleaning products (like scrub brushes and sponges), travel essentials, and personal care items that help keep plastic out of the waste stream.

How it works: Bring in your empty container (we also have jars for purchase), we will fill it with whatever you prefer from our menu items, weigh it, and you will only be paying by the ounce.

Switching to refills for your detergents and soaps, using reusable bottles, stainless steel containers, lunchboxes and straws, bamboo cutlery and canvas/cloth bags are just a few easy changes you can make that will make a positive impact to our environment. In addition to being better for the earth, our products are long lasting and durable, meaning less repeat buys and more savings.

We hope to see you at our little shop and help you on your sustainability journey!

Thank you, Tammy Birtwell, Owner/Operator

Winter seems to have begun. I'm cold already, how about you? Please take care of yourselves as the winter cold sets in. Stay warm!

Aging At Home had a fun event on Nov 15. Randy from Hallowell Antiques came with a few of her antiques and spoke about them. She commented on items brought in by AAH folks from their homes. She agreed to make a return visit to discuss other items. Those in attendance were delighted with the program and were unanimous in their desire to have Randy return.

If you have ideas for other events of interest to our group, let me know.

Have you applied for your Maine Real ID? It will be necessary to have it soon if you plan to fly on a commercial plane or enter a federal building. May of 2023 is the deadline!

Here is what you need to present at the Bureau of Motor Vehicles to obtain the Real ID:

Identity (Name and birth date) AND

Lawful status in the US AND

Valid Social Security number AND

Maine residency documents.

Go to Maine.gov for more information.

Deadline for the Property Tax Stabilization Program, a state program which "freezes" property taxes for certain senior citizens, is December 1, 2022, for this coming year. You must have your application to the Wayne Town Office before then. But you must apply for each year. You can qualify even if you move from one town to another in Maine. The property must be your "primary residence or homestead."

Did you know that a number of Wayne residents are receiving meals from the Winthrop Hot Meal Kitchen? That organization is supplying meals three times a week to these folks. Our own Steve Dodge is in charge to the kitchen. They can always use donations to help buy the food for meals. Send your donations to: Winthrop Hot Meal Kitchen, PO Box 472, Winthrop ME 04364.

Also we have the Winthrop Food Pantry. They supply a box of (mostly) non-perishable foods to a number of Wayne people each week. They are a non-profit. They can also use donations. Send your donation to:

Winthrop Food Pantry, PO Box 82, Winthrop ME 04364

While we are speaking of donations, a donation to Aging At Home would be gratefully accepted. You can help subsidize speakers, pay for snacks or luncheon items, or just give us a cushion to pay for items that arise. We are in the process of ordering new tables for our mahjong and bridge groups. You may make a check out to: Town of Wayne. Indicate on it that it is for support of AAH programs. Mail your check or drop it off at the Town Office. PO Box 400, Wayne, ME 04284. THANK YOU!

Regular Hours at the AAH Center:
