## THE WAYNE MESSENGER

**Carol Steck, Editor**

**July Messenger news is due by  
June 15th [editorwcc@gmail.com](mailto:editorwcc@gmail.com).**

Dear friends and neighbors,

Two years ago, Wayne Community Church celebrated the bicentennial of our sanctuary. Built in 1820, we received our first Methodist preacher in 1821 (Aaron Fuller). Since then, we have been served by part-time and full-time pastors, some of whom we shared with other United Methodist congregations, or who came to us from other denominations with the approval of the United Methodist church. Our clergy are all appointed by the Bishop and her cabinet which is made up of District Superintendents. Wayne is located within the Many Waters District which covers 67 churches in a huge swath of Maine extending from our southwestern point in Eliot and York, northwest to Fryeburg and Kingfield, and east all the way to Unity and back down the coast through Brunswick and Kennebunk. Churches and pastors create profiles and update them regularly to help the Bishop's Cabinet make appointments that are Holy Spirit led and match the gifts of church and pastor. In 2019, the Holy Spirit brought me to Wayne in what I believe, and I hope you agree, was a good fit. Together, we have made it through a pandemic together, revitalized our bridges with other community groups and neighbors, and built on a foundation that was laid back in 1794 in the homes of friends and neighbors who then pooled their resources to build a Methodist Church 25 years later. This year, effective July 1, you will have the opportunity to welcome a new pastor who brings gifts from another part of our global United Methodist Church. It is my privilege to present to you, the wider community of Wayne, the incoming pastor at the Wayne Community Church, UMC: Rev. Marcos Juliao.

The Reverend Marcos Antonio Juliao is an Elder from the United Methodist Church in Brazil. He is currently serving the United Methodist Church in Weymouth, Massachusetts – The New Family Church. He has completed his master's degree at Boston University and is now working on a doctorate. Pastor Marcos' ministry has been very diverse, having served in different settings and regions in Brazil from seminarian to District Superintendent in Sao Paulo and Amazonas/Roraima. Pastor Marcos has also had the opportunity to minister the Gospel in several different countries on four different continents.

A pastor, writer, and missionary, Reverend Marcos is a husband and father. He loves to see the church as a body of Christ and has been dedicating his life to equip and care for people whose desire includes being a Disciple of Jesus Christ.

My prayer for all of you is that you will allow the Spirit to lead you in new and exciting ways. May you welcome Rev. Marcos and his wife, Pastor Mauren, with open arms and open homes, as you did for me. I know they will love and lead you with hearts of deep compassion and gifts to take you into the beautiful future God has envisioned for you! I have truly been blessed to serve you.

In grace and peace,

Rev. Angela

## CELEBRATING OUR GRADUATES

The Wayne Community Church enthusiastically celebrated our local graduates on Sunday, May 7th. Family, friends, and our church family were present to enjoy a slide show, as individual hosts highlighted each student's loves, accomplishments, and future plans. We were delighted to honor our high school graduates: Sarah Down, Elijah Gordon, Calle Lamarche, Parker McRobbie, Dylan Pottle, and Finn Sheridan-Crane. We send good wishes to additional Wayne high school grads Abigail Bousquet, Rosemary Branigan, and Emma Brosey who were not able to attend.

It was also heartwarming to welcome back our college graduates Carolina Bachelder, Grace Bachelder, and Katie King. A small gift and remembrance were presented to each graduate as well as information about our church scholarships. Following the service, all enjoyed the hospitality offered at our church coffee celebrating our confident and amazing young adults. We send blessings and congratulations to ALL graduates at this exciting time!

We invite all 2024 graduates from 5th, 8th, and 12th grades and college to next year's gathering planned for May 2024.

SPRC is very pleased to announce that after interviews with three very strong candidates, we have made the selection of Carol Steck as our new administrative and accounting assistant. She will also continue in her current role as the Wayne Messenger Editor and Wayne Maine Events Curator. Carol has been working for the church in the later capacity since 2019 and is very well known to our congregation and community. She lives a very short distance from the church office with her husband Henry. They have 2 grown children (Ira and Holly) and have been greatly blessed with three granddaughters. Carol is the daughter of the late Blanche and Richard Fyler and has two brothers, Charles and Robert Fyler who reside here in our community.

Hannah Faulkner will also be continuing to work with us on special projects. The SPRC Committee certainly feels that we have the best of both worlds with this new team. Please join us in giving her a warm welcome.

**Cary Memorial Library and the Wayne Community Church offer :  
Community Conversations on Gender Identity**

Do you ever wonder about the meaning of the letters LGBTQIA? Do you feel confused when you hear a woman or man referred to as "they or them" rather than "she or he?"

Over the past two summers you may have participated in, or heard about, our Community Conversations on Race and Immigration. These programs were supported by grants from the United Methodist Foundation of New England, as well as the budgets of the Wayne Community Church and the Cary Memorial Library. Our discussions and speakers were met with great enthusiasm by many Wayne residents and summer visitors, and a topic that was suggested for this summer was Gender Identity.

Gay and Transgender are words we see daily in the media. To help us become more informed and comfortable with the terminology and with the reality of our social context, the Library and the Church are collaborating and planning **"Community Conversations on Gender Identity"** for this summer.

We will read and discuss the book **Becoming Nicole**, by Amy Ellis Nutt, the very informative and interesting non-fiction account of a Maine family struggling with, and embracing, a transgender child. **The book discussion will take place on July 19 at 7:00 pm outside under a tent at the library, if the weather is fine.** (If weather dictates, we can move to church.) We plan to conduct the discussion in person but will offer a Zoom opportunity if there is sufficient need. Though we are no longer eligible for a grant to purchase and provide books to participants, the Library will have multiple copies of the book for borrowing. If you want to get on a list to borrow a copy of **Becoming Nicole** from the library, call Janet Adelberg at 685-3612 or email her at [jadelbergcml@gmail.com](mailto:jadelbergcml@gmail.com).

If you would like to purchase your own copy of the book, new and used copies are available to order online for very reasonable prices.

**PLEASE let us know if you plan to participate by calling the library – 685-3612. Feel free to leave a message.** On **August 21<sup>st</sup>** we are pleased to present the Interim Bishop of the New England Annual Conference of the United Methodist Church. **Bishop Peggy Johnson and her transgender wife, Rev. Mary Johnson, will share their personal stories.** The Bishop feels "it is important to put a face to this reality" and recently published a book called "The Ever-Expanding Spirit of God." This program will be held at 7:00 pm at the church.

The new Friends of the Library Raffle Quilt, Kathy's Roses, will be unveiled at the FOL Spring Plant & Bake Sale on Sat. May 27 at the Williams House. Each quilt has a story, and for this one, we thank Connie Hulse for sharing the background, and showing all the skill and thought that goes into a handmade quilt:

The name of this year's quilt is "Kathy's Roses."

This quilt was made in honor of our dear friend Kathy Leclair. Our Kathy was amongst other things, a prolific gardener and quilter. She loved flowers in her gardens and in her quilts. Sadly, she passed away after a long and bravely fought battle with cancer.

From Kathy's fabric stash came the following fabrics - the light blue with roses used in the sashing, the light yellow with roses used in the cornerstones, the dusty rose with the small flowers used in the setting triangles and borders, and the dusty rose with the fussy cut large roses used in the border.

Donated well before this quilt was thought of, the three other fabrics in this quilt came from other quilters - the dusty rose and green used in the heart blocks, binding and 4-patches in the borders, and the soft yellow with small flowers used in the background of the borders. These fabrics tied all the others together as if it had been planned.

Each of the pieces of fabric were used up in its entirety. Seems that the fabrics knew they were destined to become this very special quilt. This quilt measures 96" by 96".

Tickets will be for sale all summer at the library and at events - 2.00 each or 3/ 5.00, with proceeds benefiting the library. We thank the New Sandwich Quilters for this lovely piece.

**Phyllis Marie Woodsum**

**1928-2023**

Surrounded by family Phyllis Marie Woodsum, 94, died on May 12, 2023. Phyllis, born September 17, 1928, was raised in Medford with her three siblings by a single mother (Helen Tolman) during the Depression in Massachusetts. She was fun loving and gregarious from the start with lots of friends and was an artist from a young age.

When she was 15, she joined the Civil Air Patrol by creating the first female squadron and earned many leadership citations, learning to fly at Bolton Airport in MA. In February 1949 she married George A. Woodsum, a pilot and Captain in the Army Air Corps, at Tufts University Chapel, nearby to Jumbo the Elephant. They began their life of adventures with a 6-month honeymoon in Paris. Returning home, they settled into Sterns Village at Tufts University for several years where George studied while Phyllis began raising their family of four children and upon moving to Tyngsboro, MA founded a nursery school. Phyllis and George built their dream house in Ridgefield, CT and were founding members of the Ridgefield First Church of Christ Scientist. Their new community of church builders became their closest lifelong friends. During this time Phyllis studied art with Master Watercolorist Frank Soltesz.

The next adventure was to move back to their ancestral home of Maine settling at MainStay Farm in Wayne. Phyllis taught art classes locally and some of her own paintings were displayed at the Maine State House. At 50 years old Mom went to college at Danbury State College in Connecticut earning her bachelors and master's degrees in Secondary Education. This led to a 25-year career teaching at Lewiston High School where she was affectionately known as Meme.

In her later years Mom spent a lot of time reminiscing about the special places in her life: Cundy's Harbor visiting her Aunt Winnie and Uncle Ralph during summers; Green Pond where 4 generations of Woodsums and close friends gathered for summers; Ridgefield, CT while her children were teenagers; and her 54 years at MainStay Farm where she daily enjoyed the beauty of nature.

Phyllis was predeceased by her bother Linwood (Lonnie) in childhood, mother Helen, husband George in 1993, brother Bill Tolman, and brother-in-law Harvey Robinson. She is survived by: her twin sister Winne Robinson and her sister-in-law Barbara Tolman; her children Karen Marie Woodsum of Wayne, Steven Douglas Woodsum and his wife Kathryn of Kents Hill, Paul Gilbert Woodsum and his wife Karen of Medfield MA, and Gayle Marion; her 9 grandchildren, 9 great-grandchildren and 1 great-great-granddaughter: Doug Felt and his wife Carey Donegan (Alexzander Donegan and his wife Bianca and their daughter Saoirse; Elizabeth, Victoria and Evangeline Felt), Scott Felt and his partner Niki Cote, Jen Felt and her husband Sam Slosberg (Anneke, Leia and Miles Slosberg); Nic Woodsum and his wife Lisa (Wyatt), Michael Woodsum (Ava), Keith Woodsum; Chris Woodsum and his fiancé Jen Shonborn, Jason Woodsum, and Peter Woodsum and his partner Amber Skerry; and many nieces, nephews and friends.

Phyllis will be held dear to the hearts of her family and friends as her spirit surrounds as all in love. A celebration of life will be scheduled in the near future.

We have been talking about safety in our building. From the safety of all when it is icy and snowy, to safety on the internet, to the safety of AAH participants when alone or in small numbers in our building, we need to be aware of how to remain safe in many

circumstances. Age can make one vulnerable as well. If you are interested in the safety topic, let me know and I will make sure you are included in a group discussion of safe ways to be in the world.

Sunday, July 2 through Sunday, July 9, Aging At Home will be closed and the Wayne Community Church Auction will take place. I hope you will attend the auction and support the church, which so graciously gives AAH space for our program.

Saturday, July 8 AAH will have a table at the Strawberry Festival. We will be giving away flashlights that take only ONE D battery, copies of the File of Life, and reflective house and or mailbox numbers. We will also do a free TAI CHI DEMONSTRATION at 11 AM on Memorial Drive. Come and see what Tai Chi is all about!

Thank you so much to the folks who have contributed to our Aging At Home luncheons and snacks.

**SAVE ANDROSCOGGIN UPDATE: DEP APPROVES WATERSHED PROTECTION PLAN!**

A major part of the Save Androscoggin – Campaign for a Healthy Lake program was completion in 2022 of the Androscoggin Lake Watershed Survey and the Watershed-based Protection Plan.

Androscoggin Lake Association (ALIC) and 30 Mile River Watershed Association (30 Mile) are pleased to report that the Maine Department of Environmental Protection and the U.S. EPA have approved the Watershed-based Protection Plan for Androscoggin Lake. In issuing the approval, Maine DEP noted: “The [Androscoggin Lake] plan is well developed and outlines a solid framework to guide installation and maintenance of conservation practices and outreach to promote stewardship of the lake and its watershed. The plan provides a thorough summary of the watershed and water quality conditions and a clear action plan to protect water quality.”

Achieving this important approval will now pave the way to apply for U.S. EPA grant funds to help correct shoreline and land use conditions that cause runoff pollution into the lake. To support the ongoing work of the Save Androscoggin program, please go to <https://30mileriver.org/save-androscoggin> to donate today!

From Island Port Press:

Ron Joseph grew up in central Maine, learning life lessons on his grandparent's dairy farm, and then spent more than thirty years working as a wildlife biologist. *Bald Eagles, Bear Cubs, and Hermit Bill* is a compilation of forty stories that range from his youth to his working life to profiles of the people he has met along the way. Joseph learned to drive a hay truck before turning ten, was once rescued by a hermit, spent time in remote lumber camps along the Canadian border, and helped return eagles to the skies above Maine. The book includes an introduction by Paul Doiron, author of the Mike Bowditch series of Maine crime novels and former editor-in-chief of Down East magazine.

For more information about the event, please contact Marie at [mring@tklt.org](mailto:mring@tklt.org) or 207-277-2848.
