Effective January 2020

Overview

A. Certification

- Fee: $1,000 (class cost is additional)
- Required EOI classes:
  - Awkward to Awesome: Sex Ed Bootcamp
  - Puberty/Reproductive Anatomy/Contraception
  - HIV and other STDs
  - 4 hours additional EOI sexual health classes which could be curriculum, in-person, or online.
- 100 hours of documented youth work
  (can be completed during application process)
- Completed application
- Resume
- Good for two years

B. Recertification (no hour requirement)

Track One – one year

- Cost: $75
- Class requirement: one in-person EOI class within one year regardless of number of days or hours.
- Reapplication
- Portfolio (2-5 pages, double-spaced), responding to the following:
  - What you’re doing: where, who, how many, how
  - How you’ve grown professionally
What you would share with new educators
How CSHE/sexual health education work has benefited you
Why this work is important to you
Additional documents like feedback, pictures (optional)

Track two – two years
- Cost: $150
- Class requirement: two in-person EOI classes within two years, regardless of number of days or hours.
- Reapplication
- Portfolio (2-5 pages, double-spaced), responding to the following:
  - What you’re doing: where, who, how many, how
  - How you’ve grown professionally
  - What you would share with new educators
  - How CSHE/sexual health education work has benefited you
  - Why this work is important to you
  - Additional documents like feedback, pictures (optional)

C. Lapsed Certification
   (haven’t recertified within the required timeframe to keep certified)
   - Either option 1 or 2
   - Fee: $50
   - Reapplication & fee
   - Portfolio

Grace period for current CSHE to recertify until June 30, 2020
For educators already certified and whose certifications expire in the coming months.

Additional notes:
- In year two of certification, an educator may start the process of recertification.
- In that 2nd year, a person may choose the one- or two-year track for the recertification cycle and take the 1 or 2 required trainings necessary.
- Training(s) must be completed by certification expiration.
- For more information please see the CSHE handbook, EOI website, or contact EOI.
