ARTICLE 4 Recognition

4.01 The Employer, as a result of a National Labor Relations Board election resulting in certification of the Union as the exclusive representative of its employees, recognizes the Union under Section 9(a) of the National Labor Relations Act as the sole and exclusive bargaining representative of all plasterer foremen, journeymen plasterers, and apprentice plasterers and plastering shop hands in the employ of the Employer with respect to wages, hours, and all other terms and conditions of employment on any and all work described herein. All Superintendents for whom contributions have been paid into the fringe benefit trust funds in this Agreement shall continue to be members of the bargaining unit.

ARTICLE 5 Union Security

5.01 All employees of any Employer covered by this Agreement who are members of the Union on the date of execution of this agreement shall maintain their membership as a condition of employment. All employees who are not members of the Union on the date of the execution of this Agreement and all employees employed after the execution of this Agreement on their initial date of employment, whichever is later, shall, on and after the eighth (8th) day become and remain members of the Union as a condition of employment. No individual shall be employed or re-employed (after layoff or more than two weeks) without a dispatch. If contacted directly by a Union member or other plasterer, the Employer shall direct the individual to contact the Union and, upon registration, may request the individual's dispatch. The Union shall make every reasonable effort to refer an employee as soon as possible, but in no event no later than 24 hours (Saturday, Sunday, and Holidays excepted) after being contacted by the Employer. In the event the Union has no plasterers available for referral and the Employer hires from a source other than the Union, the Employer shall notify the Union within 24 hours (Saturday, Sunday, and Holidays excepted) following such hiring.

6.02 Subject to the provisions of this Agreement, the Employer shall have entire freedom of selectivity in hiring and may discharge any employee for any cause which he may deem sufficient, provided there shall be no discrimination against any employee, nor shall any employee be discharged by reason of any Union activities not interfering with the proper performance of his work.

10.01 There will be no strikes or lockouts over disputes involving the interpretation or application of the express terms of this Agreement. Such disputes will be resolved through the provisions of Article 11. Upon 48 hours notice the Union shall have the right to strike an Employer who violates the Union security provision of this Agreement, or fails to make trust fund payments as required by this Agreement; or fails to pay wages, travel, or subsistence unless the Employer, within the notice period,
identifies a bona fide dispute over the amount of wages, travel or subsistence due. A concerted refusal to work based on a good faith belief that working conditions are unsafe is not a strike.

ARTICLE 11 Settlement of Disputes and Grievances

1101 All grievances or disputes between the Union and the Employer shall be settled in accordance with the provisions of this Article. The term "grievance" or "dispute" include but are not limited to differences concerning the interpretation and application of this Agreement. Grievances or disputes which arise after the term of this Agreement shall be subject to this Article if they concern obligations established by this Agreement. Any grievance or dispute shall be presented within ten (10) working days after the employee, Employer, or Union has notice of the event giving rise to the grievance or dispute. Disputes over jurisdiction shall be resolved as provided in the Work Jurisdiction Article of this Agreement.

1102 In the event a grievance or dispute arises, representatives of the Union shall attempt to settle the grievance or dispute by contacting the Employer. If a conclusion is not reached within forty-eight (48) hours of such contact, the grievance or dispute shall be referred to the Northwest Wall & Ceiling Industry Joint Labor Management Committee. The Committee shall meet within ten (10) working days of the date the matter is referred to them. If the Committee is unable to resolve the grievance or dispute within forty-eight (48) hours after convening, the grieving party may promptly refer the matter to an impartial arbitrator for final and binding decision by filing a written request within ten (10) working days of the Committee decision.

1103 In the event the Union and Employer are unable to agree on the selection of an arbitrator, either party may request the Federal Mediation and Conciliation Service to supply a list of nine (9) Northwest arbitrators, and the Union and Employer shall alternately strike eight (8) names from the list. The remaining name shall be the arbitrator. The arbitrator shall conduct a hearing. His decision shall be final and binding. The Union and Employer shall share equally the fees and expenses of the arbitrator.

ARTICLE 12 Joint Apprenticeship Committee

1201 The Washington Plasterers Joint Apprenticeship Committee shall be established. The Committee shall be composed of three (3) employer members, one of whom need not be a member of the Northwest Wall & Ceiling Contractors Association, and three (3) Union members. There will be one (1) alternate employer member and one (1) alternate union member. The rules governing apprentice training and apprenticeship indenture and approved by and registered with the Washington State Apprenticeship Council shall be incorporated as a part of this Agreement.

1202 The Committee shall determine the ability and qualification of each Employer to employ apprentices. The selection, placing and training of apprentice plasterers shall be vested in the Committee. It will be a violation of this Agreement for the Employer not to hire and work an apprentice as directed by the Committee or its delegated representative. It will also be a violation of this Agreement for the Employer to affirmatively direct an apprentice, without good cause, to make a unilateral job reclassification of a plasterer
apprentice into another Northwest Wall & Ceiling Contractors' Association trade craft.

12.03 The number of apprentices to be employed shall be determined by the Committee, based on meeting the minimum requirements of the Washington State Apprenticeship Council Standards for establishing an apprenticeship training school. All apprentices shall be selected in accordance with the Washington Plasterers Joint Apprenticeship Committee Standards.

12.04 The Parties will request that the JATC notify the Union, the last employer and the NWCCA whenever the JATC suspends or terminates an apprentice from the program.

13.01 Employees sent or called on any job that is located in any one of the following listed zones, shall be paid for each day or portion of a day worked, the amount listed below for the applicable zone in which the job is located, in addition to the regular rate of pay as established by this Agreement. If an employee is required to travel to a higher listed zone to reach any particular zone, then he shall be paid travel pay as specified for the higher listed zone.

employee is employed on the job, or at the completion if the work is less than one (1) week's duration. Return travel time and transportation shall be paid from the job to Seattle when the work is completed or the employee is discharged or laid off. Travel time shall be paid for at the straight time rate for actual number of hours spent traveling or a maximum of eight (8) hours in each twenty-four (24) hour period on regular work days, Saturday, Sunday and all holidays. Subsistence shall be paid at the rate of actual expenses or $90.00, maximum pay per full or partial day worked, or for non-worked days, when required to stay over for non-worked days due to project circumstances or the project is over 200 miles from Seattle or the Employer's office.

ARTICLE 14 Hours of Work and Recognized Holidays

14.01 Except for shift work as provided for in Section 2, of this Article, up to ten (10) hours per day will be a regular workday. Forty (40) hours in six (6) days shall constitute a work week.

14.02 Shift work will be allowed under the following condition:

14.02.1 On a two shift operation (which may be worked for not less than three (3) consecutive days with the first shift starting prior to 8:00 A.M. (but not earlier than 4:00 A.M.) ten (10) hours of continuous employment (exclusive of lunch period at mid-shift) shall constitute a full shift.

14.02.2 On a multiple shift operation (which may be worked for not less than three (3) consecutive days) other than two daylight shifts as in 14.02.1 above, the first shift shall be eight (8) hours of continuous employment (exclusive of lunch period at mid-shift), between the hours of 7:00 A.M. and 5:00 P.M. unless the starting time shall be changed by mutual written agreement between the Employer and the Union. The pay for such full shift shall be eight (8) hours of pay at the straight time hourly rate. On the second shift eight (8) hours of continuous employment (exclusive of lunch period at mid-shift) shall constitute a full shift and shall be paid for at eight (8) hours of pay at the straight time hourly rate.

On all shift operations only those groups of workmen who relieve prior shift groups (of substantially the same size) of workmen shall be considered as working multiple shifts. Further provided, however, that no workmen shall work in excess of ten (10) hours at straight time rate in any twenty-four (24) hour period without at least eight (8) hours off, and further provided, that there shall be no overlap of the regular working hours of the various shifts nor shall any interval between any shift

When an employee is called out to work without at least eight (8) hours time off since his previous shift, all such call-out time shall be paid at the overtime rate until such time as he would have had the eight (8) hour rest period.

14.02.4 Starting time and hours of work of shift other than those contained in this Agreement be established by mutual written agreement between the Union and the Employer prior to the starting of such special shifts.

14.02.5 By mutual agreement between the Union and Employer, the Employer for substantial business reason specific to the specific job may engage in shift work without penalty for work performed within an eight or ten hour shift (provided that an eight hour rest period before the next shift is provided). Any member can take the day off upon 48 hours notice to the employer and without recrimination. Preference for overtime work will be given to those employees who have been employed on-the-job at least two days prior to the overtime period.

**ARTICLE 15 Health and Welfare Fund**

15.01 This fund shall be used to provide health and security benefits for eligible employees and their dependents, in accordance with the provisions of the Trust Agreement of the Fund. Contributions to the Fund shall be due and payable on or before the fifteenth (15th) day of the month immediately following the month in which the hours were worked. Payments for contributions shall become delinquent on the twentieth (20th) day of the month immediately following the month in which hours were worked. Each monthly contribution shall include all payments which have accrued in the interim for work performed up to the close of the individual Employer's payroll period ending closest to the last day of the preceding calendar month. Each monthly contribution shall be accompanied by a simple report in a form and manner prescribed and approved by the Board of Trustees of the Fund. The Employer shall pay the agreed upon rate per compensable hour on all employees to the Cement Masons and Plasterers Health and Welfare Trust. The Union may designate that some of remaining two year's increase shall be diverted to benefits.
ARTICLE 16 Pension Fund

16.01 Pension contributions will be paid on all bargaining unit employees, except for first 6 months of apprenticeship. No pension contribution shall be paid on shop hands. The Employer shall pay the agreed upon rate per compensable hour to the Cement Masons and Plasterers Pension Trust. The Union may designate that some of remaining two year’s increase shall be diverted to benefits.

16.02 This Fund shall be used to provide retirement benefits for eligible employees in accordance with the provisions of the Pension Trust Agreement. Contributions to the Fund shall be due and payable on or before the fifteenth (15th) day of the month immediately following the month in which hours were worked. Payments for contributions shall become delinquent on the twentieth (20th) day of the month immediately following the month in which hours were worked. Each monthly contribution shall include all payments which have accrued in the interim for work performed up to the close of the individual Employer’s payroll period ending closest to the last day of the preceding calendar month. Each monthly contribution shall be accompanied by a simple report in a form prescribed and approved by the Board of Trustees for the Fund.

ARTICLE 17 Industry Funds
(Apprenticeship & Promotion Funds)

17.01 It is recognized that the Maintenance of a strong plastering industry with broadened usage of plastering and with the maintenance of an adequate work force of fully trained plasterers will be to the mutual benefit of both parties. To carry out these mutually beneficial aims certain funds have been established as follows:

a). Cement Masons’ and Plasterers’ Training Trust of Washington

b). Northwest Wall, & Ceiling Industry Fund

17.02 For the maintenance of these funds and for the support of the programs supported by each of these funds, each Employer under this Agreement will pay the negotiated amount to each fund for each compensable hour worked by an employee.

17.03 Payments to the Industry Funds shall be reported on the same form and paid in the same manner as the Health and Welfare Fund, Pension Fund and Vacation payments. The collecting agency for the various funds will make payments to the funds as directed by the trustees of the various funds. Each fund will bear any costs of collection and handling in proportion to the amount paid to each fund. The trustees of each fund may, upon determining that the requirements of the fund will be met by the collection of a lesser amount and upon the giving of proper notice, reduce the amount to be collected for their particular fund during any calendar year.

17.04 Trustees for the Cement Masons’ and Plasterers’ Training Trust of Washington will be the Washington Plasterers J.A.C., as provided in Article 12.
ARTICLE 18 Liability of Employers Under Funds

18.01 By entering into this Agreement each Employer and the Union shall be bound by the terms and provisions of the Trust Agreements, and any modifications thereof, creating the Health and Welfare Fund, Pension Fund and Apprenticeship Fund. Each Employer and the Union accepts as their representatives for the purpose of such Trust Funds, the present Employer and Union Trustees, and their duly elected or appointed successors.

18.02 The parties recognize and acknowledge that the regular and prompt payments of Employer contributions to the funds is essential to the effective maintenance of the Vacation and Union Dues Deduction Plan, Health and Welfare Fund, Pension Fund, Northwest Wall & Ceiling Industry Fund and the Apprenticeship Fund, and that it would be extremely difficult, if not impracticable, to fix the actual expense and damage to these funds and to the administration of these funds which would result from the failure of an individual Employer to pay such monthly contributions in full within the time provided by this Agreement. Such delinquent Employers shall become liable for a surcharge to reasonably compensate the funds for damages due to such delinquency, in an amount of two points above the prime rate as published in the Wall Street Journal on the first business day of each calendar year, and in addition, overdue contributions shall bear interest at the rate of eighteen percent (18%) per annum from the time they become delinquent.

18.03 Legal action may be taken to collect delinquent contributions, together with the surcharge and interest thereon, and it is agreed that in any such action the Employer shall be liable to any of the Fund (or Funds) a reasonable sum for an attorney's fee, together with an amount equal to all costs incurred and expenses incurred by the Fund (or Funds) in bringing such legal action. Failure by an individual Employer to make the required payments shall be deemed a breach of the Collective Bargaining Agreement by the individual Employer and may subject the individual Employer to strike action, in addition to the other remedies provided herein to compel performance of this Article.

18.04 The Trustees of each of the Joint Labor Management Trusts shall have the power to require each Employer to furnish such information and reports as they may require in the performance of their duties as Trustees. The Trustees or any authorized agent of the trusts shall have the right at all reasonable times during business hours to enter upon the premises of the Employer and to examine and copy such of the books, records, papers and reports of the Employer relating to the hours and wages of employees as may be required to permit the Trustees to determine whether the Employer is making full payments to the trusts. Such records include by way of example:

   a) Time cards.

   b) Payroll records and related worksheets and recap sheets.

   c) Checkbooks or registers and cancelled checks pertaining to payroll items.

   e) Payroll tax records, including:

      1. Federal Tax Form W-3, reconciliation of Income Tax Withheld from wages and the related W-2 Forms

      2. Washington State Employment Department Reports Form SF 5200, Employer Registration Form (Status Report): Form SF 5208, Employer's
Tax Report; Form 5208 (2), Employer's Quarterly Report of Employees' Wages; Form 5208 (a), Employer's Quarterly Wage Detail Report.

3. Washington State Department of Labor and Industries Reports - Form SF 7442, Employer's application to open or reopen and Industrial Insurance Account; Form SF 7442, Employer's application to open or re-open an Industrial Insurance Account; Form SF 7578 (rev.) State of Washington Employer's Quarterly Report of Payroll.

4. Any delinquency or penalty statement related to the above forms.

18.05 The Parties hereby encourage the Trustees to take whatever action is needed to eliminate all unfunded liability under any benefit plan.

LETTER OF UNDERSTANDING
BETWEEN THE
NWCCA EMPLOYERS
AND THE
OPCMIA LOCAL 528

WHEREAS, the Employers of the NWCCA attached to this LOU (“Employers”) and the OPCMIA Local 528 (“Union”) (collectively referred to as the “Parties”) seek to establish harmonious relations and uniform conditions of employment;

WHEREAS, the Parties further seek to promote the settlement of labor disagreements as quickly and efficiently as possible;

WHEREAS, this LOU is intended to clarify 19.01 (wages and benefits) and 22.03 (most favored nations), and resolve any potential disputes; and,

WHEREAS, this LOU only applies if the Union violates Section 22.03 by providing a competitor in the Wall & Ceiling industry more favorable treatment; and,

THEREFORE, the Parties agree as follows:

1. **Most Favored Nations Clause.** Section 22.03 is designed to ensure that the Employers’ Collective Bargaining Agreement (“CBA”) receive the most favorable treatment in the Wall & Ceiling Industry, including the Total Employer Cost Package.

2. **Total Cost Package.** The Total Employer Cost Package is the combined wages, Health & Welfare Fund, Pension, Washington Plasterers Joint Apprenticeship Fund and the Northwest Wall & Ceiling Industry Fund. For instance, as of June 1, 2019, the CBA’s Total Employer Cost Package equals $59.42.

3. **Industry Fund.** The Industry Fund refers exclusively to monies paid to the Northwest Wall & Ceiling Industry Fund that is paid to the Northwest Wall & Ceiling Contractors Association. In lieu of making contributions to the Industry Fund, a signatory-contractor may elect to pay the Industry Fund contributions to either the Washington Joint Apprenticeship Fund, or the OPCMIA International Training Fund.

4. **Written Notice.** The Union shall provide the NWCCA with a copy of any collective bargaining agreement for any contractor, except the Employers, that performs covered work within the geographical scope of the CBA (“Signatory Contractor”).

5. **Remedy of Total Employer Cost Package Violation.** Employers shall have sole discretion to adjust its Total Employer Cost Package consistent with the terms of this
Section. The Employers may deduct all (or a portion) of the wages and benefits to equal the more favorable Total Employer Cost Package of the Signatory-Contractor, provided the Employers shall make the election uniformly (i.e. all Employers are required to make the same deduction election). The remedy for the Union providing a Signatory Contractor with a more favorable Total Employer Cost Package shall be as follows.

a. **Wages.** Employers may elect to deduct from the employee’s wage to equal the more favorable Total Employer Cost Package (in all or in part).

b. **Apprenticeship Fund.** Employers may elect to reduce their Washington Joint Apprenticeship Fund contributions to equal the more favorable Total Employer Cost Package (in all or in part).

c. **Health & Welfare.** Health & Welfare contributions outlined in the CBA shall not be decreased as a result of a violation of Section 22.03.

d. **Pension.** Pension contributions outlined in the CBA shall not be decreased as a result of a violation of Section 22.03.

e. **Separate LOU.** Consistent with Section 7 herein, the Parties shall enter into a separate LOU outlining the new Total Employer Cost Package. This new LOU shall be promptly provided to the Third Party Administrator. The effective date of the new wage and benefit rates will be 30 calendar days after the Union receives notice of the Employers election consistent with Section 7 herein.

6. **Remedy Contract Term or Working Condition.** The Employers shall also have the right to equal the more favorable term or condition of employment in the Signatory-Contractor agreement.

7. **Employers Election.** Employers through the NWCCA will notify the Union in writing of its intent to utilize the remedy provisions described herein. The remedy provisions of this LOU shall become effective 30 calendar days after the Union receives written notification. Employers may change their election at any time upon written notification to the Union.

8. **Waiver of Future Arbitrations.** Compliance with the terms of this LOU is complete compliance with the Parties’ CBA. Provided the Union fully complies with the terms and conditions of this LOU, the Employer waives the right to proceed to arbitration over an alleged violation of Section 22.03. The Employer expressly does not waive its right to grieve and proceed to arbitration regarding an alleged violation of this LOU.

9. **Force and Effect.** This LOU has the full force and effect of the Parties’ Collective Bargaining Agreement. All terms and conditions outlined in this LOU are material. Inaction is not a waiver. No term or condition of this LOU may be waived, except as provided herein, unless the waiver is in writing and signed by the Parties.

10. **Savings Clause.** The Parties’ Savings Clause in Section 24.01 applies equally to this LOU.
