The Neutral Zone
Where teens lead, create and innovate

With your help, the Neutral Zone makes life better for our community’s young people.

The Neutral Zone is a diverse, youth-driven teen center dedicated to promoting personal growth through artistic expression, community leadership and the exchange of ideas.

The Neutral Zone...

• Provides teens a safe space for tutoring, mentorship, connection and community engagement every day after school.

• Offers virtual and in-person weekly programs in music, literary arts, visual arts, education and leadership.

• Gives teen artists, musicians, writers, students and leaders a place to make a difference in their lives and their community.

• Partners with organizations and schools to engage teens in high-quality programs throughout the community.
