ANGUS SHMANGUS

I'm Hank the holstein, and I'm here to tell you that not all meat is created equal. Personally, I'm a vegetarian, so I'm nearly always hungry, and I eat a lot. I mean A LOT. I live with my friends in southern California and we run around and lead happy lives - well, under the circumstances, that is. We eat loads of cornflakes and organic alfalfa, get by just fine without any growth hormones or antibiotics, and make the best tasting steaks you'll ever taste.
