Incorporating Planning into MSI visits

**Vision**
- What can you do to improve quality of life?
- How can you address your workforce needs?
- What are your infrastructure needs?
- Who is engaged in community work?

**Priorities**
- Shared understanding
- Top 3-5 priorities

**Champions**
- Who will lead each priority?
- Who will support?
- What is the timeline?
- Are there youth involved?
- Who isn’t at the table?
1. **Childcare** - workers, facilities, operational funding
2. **Housing** - affordable, quality, rental, SFH, starter homes
3. Attract/retain young households - especially youth after college
4. **Community planning**
5. Recreation and engagement opportunities for young people
6. Vacant and/or dilapidated buildings
7. Essential services - including *succession planning*
8. Internal/external *communication and marketing*
9. **Vibrancy** - especially downtown; beautification and events
10. **Aging infrastructure** and lack of funding for it
Zoning

Updating Plans

Infrastructure & Housing
Increased capacity and sustainability of local initiatives will come through planning.
MAIN STREET SUMMIT
