District 2 Quarterly Report

The three detachments that comprise District 2, Gator Detachment 990, Tri County Detachment 1018 and Sgt Maj Griggs Detachment 1086, have been shut down due to the Covid-19 virus.

One Detachment attempted to hold a meeting two months ago but it was not well attended and they have not tried again. Tri County Detachment 1018.

The Sgt Maj Griggs Detachment 1086 have tried to hold an informal gathering in the parking lot of the VFW but they are not well attended. Not Detachment business was conducted.

The Gator Detachment 990 Board of Trustees have met several times since January to conduct Detachment business and discuss any issues that may have come up. The Detachment has lost one member due to illness not Covid-19. The Chaplin is sending in the notifications.

To my knowledge the above is the only member this District who has passed for any reason and no one has contracted Covid-19. The District Vice has kept in touch with the officers of all three Detachments in this District and none are reporting any problems or issues. All are waiting and planning for the day when they can get back to regular order. The meeting houses of all of the Detachments are shut down at this time and would make it difficult to meet.
