The three detachments that comprise District 2, Gator Detachment 990, Tri County Detachment 1018 and Sgt Maj Griggs Detachment 1086, have been shut down due to the Covid-19 virus.

Tri County Detachment 1018 has not held an in person meeting since they tried several months ago.

The Sgt Maj Griggs Detachment 1086 has resumed regular meetings.

The Gator Detachment 990 Board of Trustees have met several times since January to conduct Detachment business and discuss any issues that may have come up. A celebration of the Birthday of the marine Corps was held in High Springs a a local brewery. It was well attended and every one who attended spoke highly of the occasion.

To my knowledge only member this District who has passed for any reason and only a few have contracted Covid-19. There have been no deaths due to Covid-19. The District Vice has kept in touch with the officers of all three detachments in this District and none are reporting any problems or issues. All are waiting and planning for the day when they can get back to regular order. The meeting houses of all of the detachments are shut down at this time and would make it difficult to meet. Gator and Sgt Maj Griggs are going to attempt regular meetings beginning in January. Tri County will continue to meet via the internet until the Covid-19 is better under control.
