District 2 Quarterly Report 3rd Quarter

The three detachments that comprise District 2, Gator Detachment 990, Tri County Detachment 1018 and Sgt Maj Griggs Detachment 1086, have continued to recruit new members.

Overall the District 2 has reduced the number of delinquents, though the total number of delinquents remains too high. We are always working to reduce the total to zero.

Members of all detachments that make up District 2 have continued to volunteer at functions honoring veterans and at facilities that care for the well being of veterans. The Sgt Maj Griggs Detachment 1086 has contributed many hours at the Lake City Veterans Administration Hospital assisting in the well being of veterans seeking medical care there.

The Sgt Major Griggs Detachment 1086 has formed their veteran’s help organization and are seeking qualified veterans to help. They currently have several strong candidates for help. At the last meeting in February they were presented a check for $37,000+ to aid the veterans help organization serving the tri county area of Suwannee, Dixie and Columbia Counties.

All detachments in District 2 have continued to attend veteran’s functions for the purposes of informing other veterans of our presence and honoring their service by our presence. Many of District 2 members are continuing to serve on local veterans boards in their respective locales.

The Detachments 990 and 1086 remain strong and both are continuing to grow. Detachment 1018 in Tri County is having problems attracting individuals to serve as officers. At the past meeting of Detachment 1018 the first step in holding elections was conducted by opening nominations for the 4 elected officer positions. At the next meeting they are intending to finish the nomination process and elect officers. I am intending to install the officers elected at that time.
The Covid-19 has continued to restrict the activities of District 2 Detachments.

Detachment 990 has elected officers for the coming year and the installation we held on February 23, 2021. ROI will be in the mail soon.
