Subj: 3rd Quarter Report CY 2022

Sir Commandant,

1. In this quarter I have attended at least 1 of the 4 detachment’s monthly meetings.

2. All 4 detachments regularly hold meetings, conducted by duly elected officers. Each detachment continues to be involved in their communities with continued programs.

3. All relevant correspondence has been forwarded to detachment commandants and paymasters for dissemination and responses solicited.

4. There was a District meeting held on February 5th, 2022. There were 21 marines in attendance. It was a learning experience for all that attended.

5. Jacksonville Detachment # 059 is still in the process of legal action with the former detachment paymaster. Detachment Commandant Charlie Myers is keeping me updated.

Respectfully submitted,

Bill Nantz

Vice Commandant, District 3
