Quarterly Report – 01 Jun 2022 - 31 Aug 2022

Quarter 1 has been a whirlwind of activities throughout the District. Detachment 60 held a special cookout to bring awareness of PTSD on the weekend before National PTSD Day (June 27th). This community event helped bring recognition of the effects of PTSD not only on the Service Member but to the family members as well.

June was also the Department of Florida Summer Convention, followed shortly by the 99th Annual National Convention that was being held in Daytona Beach. Attending both I was able to observe that District 9 had members from 4 of the 5 Detachments at both the Department Summer Convention and the National Convention.

During this Quarter I made District Vice visits to 3 of the 5 Detachments. I was privileged to perform the installation of Officers at one Detachment.

Respectfully,

John Castle
District 9 Vice Commandant
