MAKE A WISH:

Print and display your students’ academic or personal wishes for the year ahead.

ACADEMIC:

1) Outline the assessments or learning targets for the term/ or the year
2) Brainstorm ideas for what can be achieved and what skills will be needed to achieve these goals
3) Use VISUALISATION, SMART GOAL SETTING and MODELLING to show students how to effectively set goals.
4) Decorate and display around the central star upon completion

PERSONAL:

1) Brainstorm ideas about reasonable personal goals for students in your class to be forming for the year ahead
2) Listen and take suggestions and allow some group brainstorming or think/pair/share time
3) Use VISUALISATION, SMART GOAL SETTING and MODELLING to show students how to effectively set goals.
4) Decorate and display around the central star upon completion
