LET'S REFLECT ON OUR SUMMATIVE TASK!

- Fill in your overall mark in this assessment

_________________________________________

- What was this task called?

______________________________________________________________________________

- What did you have to DO in this task? [Not sure? LOOK at the rubric!]

- How do you feel about this grade

______________________________________________________________________________

______________________________________________________________________________

- What did I do well in this summative?

EXAMPLES
(I listened to my teacher and knew what I had to do, my spelling is improved, my vocabulary was of a high standard, I used correct quotations and references, I organized my ideas properly, I was creative etc.)

1.

2.

3.
Did I do the best I could do?

One thing I could improve upon for next time is:

![Wish]

To improve this I need to:

**EXAMPLES:**
(Read each question carefully, revise vocabulary, do a mind-map before I begin the question, review key vocabulary, rewrite a paragraph of my work, practise at home, read the rubric carefully etc.)

To improve I will...

A question I still have about this topic or exam is:

Please remember:

In order to improve your marks in future, or to sustain a mark you are happy with, it is very important that you reflect on what went well in an assessment and what you would like to do differently in future assessments.
