Mischief Management Statement on COVID-19

NEW YORK (March 10, 2020) – Mischief Management does not currently anticipate any changes or delays to our 2020 event lineup. We are coordinating closely with our venue partners to ensure that all necessary precautions are taken. As scheduled events approach, more information about each venue’s precautions will be made available via the event website.

We are actively monitoring the COVID-19 virus outbreak and assessing our event schedule and policies in line with local, state, and federal officials and public health advice, including that of the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO). Our policies reflect the travel restrictions and guidelines of the United States government and take into consideration international travel restrictions and guidelines.

The health and safety of our attendees, guests, exhibitors, and staff is our top priority. For up-to-date information regarding specific events, please visit the individual event Websites listed below. Mischief Management events are currently operating by our standard ticket terms and conditions which can be found on the FAQ pages for each event.

With the situation evolving quickly, we strongly urge everyone to refer to the guidelines and protocols as suggested by the CDC (https://www.cdc.gov/coronavirus/2019-ncov/about/index.html) and to pay close attention to their own local and state health authorities regarding the virus.

If you are feeling unwell or have concerns that you may become unwell, we strongly urge you to reconsider your attendance at the event.

The CDC’s standard recommendations for the general public to help prevent the spread of respiratory diseases like COVID-19 are as follows:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.
