

What Happened Here?

Look in the front of your Bible for a list of the Books of the New Testament. Paul wrote:

- _____ to the church in Rome.
- _____ to the church in Corinth.
- _____ to the churches in Galatia.
- _____ to the church in Ephesus.
- _____ to the church in Philippi.
- _____ to the church in Colossae.
- _____ to the church in Thessalonika.

Choose one of these cities/areas to learn more about and use one of these ways to learn about the people going to church there:

1. Look at the beginning and ending of the book to see what Paul said about them.

2. Glance through the middle of the book to see what kinds of things he thought they needed to know.

Look up Acts 1:8. To what city, area, and neighboring area did the Good News about Jesus go first? Can you find and circle those places on this map?

Grade 8, Social Science Standard 2: Geographic Tools

Look on the back page for cities (or areas) that have books of the New Testament named after them. 1) Find and circle those cities on the map. 2) Look online for a map of the Mediterranean area and write in the names of some of the countries as we know them today. (Google “Political Map of Mediterranean Countries.”)
