veterans

are you looking for volunteer opportunities that support veterans and their mental health?

we need your help to offer peer support for veterans

• provide peer to peer support to local veterans who are experiencing emotional and mental health challenges, many of who are experiencing distress
• receive veteran-led training in suicide prevention practices including:
  • ASIST: Applied Suicide Intervention Skills Training
  • safeTALK

want to get involved?

• must be a veteran
• must have lived experience with emotional and mental health challenges
