All students should allocate at least one hour outside of school towards reading information, articles, or books of their choosing. LBPADA is a special place that has a lot of great privileges for students. The actions and choices students make create the culture and climate for themselves and their classmates, allowing these privileges to continue.

Our Student Code of Conduct is intended to inform students of the types of behaviors that are acceptable at Little Black Pearl Art & Design Academy. Students should understand that they may be disciplined for misconduct that directly affects the orderly mission of the school or that is otherwise obviously inappropriate, whether or not it is specifically listed in this Code. **DESCRIPTION OF OUR ACADEMIC PROGRAM**

Our vision is to have students immersed in a rigorous, holistic cross-curricular and project based learning platform. The goal is to have students persist through learning tasks that are standard based and associated to real world scenarios and/or events. Ninth-10th grade student’s content area learning will be facilitated by a problem based style. Eleventh and 12th grade students learning will be facilitated by an experiential project based learning approach. Ideally, students in each grade level will be able to produce a comprehensive summative project and/or portfolio that showcases their mastery in their academic content areas as well as competency in the arts. In the art elective courses, 9th-10th grade students will be exposed to the history, trends, application and culture behind the art form. Eleventh and 12th grade students will partake in an experiential learning process where students will take advance courses in arts with opportunities to enhance their learning and skills with internships and field studies in a specified art of choice. This will also be facilitated by our content area project based learning approach.

We will also implement a digital literacy curriculum incorporating ITSE’s 21st century digital literacy standards across all grades and subjects. This year we will focus on the following learning activities associated with ITSE standards 1-5: Create and publish an online art gallery with examples and commentary that demonstrate an understanding of different historical periods, cultures, and countries. (1, 2); Select digital tools or resources to use for a real-world task and justify the selection based on their efficiency and effectiveness. (3, 6); Employ curriculum-specific
simulations to practice critical-thinking processes. (1, 4); Identify a complex global issue, develop a systematic plan of investigation, and present innovative sustainable solutions. (1, 2, 3, 4); Model legal and ethical behaviors when using information and technology by properly selecting, acquiring, and citing resources. (3, 5)

It is the expectation that all students enrolled will pass all classes with a “B” or better; complete their mandatory 24 credits for graduation requirements within a 4 year cycle (4-years of English; 3-years of Math, Science, and Social Science; 2-years of a World Language, Fine Arts, and Physical Education; and 1-year of Career Ed., Computer Science and 3-years of Electives), and select an interdisciplinary learning major that is Arts centric (Performing Arts, Visual Arts, Fine Arts, Graphic Arts, or Music).

Students off-track will be required to meet the following requirements:

- Emphasis on the credit portfolio
- Accelerated independent study option - competency-based credit/exit, on-line learning
- Strategies for post-secondary or workforce transition

CREDIT RECOVERY

Credit recovery provides students the opportunity to regain a failed credit in a core class that is required to graduate. Students enrolled in credit recovery classes are required to have access to the Internet to be able to access the program. These online courses are 5-week classes; however, students can work at their own pace. Students will also be given a set time to complete the courses. All credit recovery classes are $30.00 per half credit and payment is due upon enrollment.

Upon completion of the online course, an email is sent to the counselor and student with final grade to be posted on transcript.

**ASSESSMENT PHILOSOPHY**

Our assessment policy reflects that of the LBPADA Mission Statement and Vision. We recognize that learning, teaching, and assessments are interdependent. In order to promote student growth and success with regard to assessment, criteria and expectations must be clearly outlined to inform students, parents, and community.

No zeroes: Students should not be assigned a grade of zero (0). This not only reflects grading as punishment, but also creates a hole that students cannot dig out of (Gusskey, 2000, Reeves, 2004,
Reeves, 2008, O’Conner and Wormeli, 2011). We assess for what students can do and know, not what they do not. This includes homework, quizzes, tests, projects, and other assignments. An exception to this would be cases that involve cheating, plagiarism, or an unexcused absence for midterm/final exams.

- Evidence that is appropriately documented on the progress report.
- Documented contact (email, phone) with the parent/guardian no later than midway through the marking period. If contact cannot be made (disconnected phone, no answer/response) notify main office so we can update information in Gradebook.
- Failure floor: A 70 or below is failing. As a result, all failing grades should be entered between the ranges of 50 – 70 in Gradebook. Any grade 64 or below is a variation of an “F”, which indicates that the student has not met basic standards for learning (O’Conner & Wormeli, 2011). A failure floor of 50 has been established (lowest score inputted into Gradebook for quarter, midterm, and final exam grades). This allows students to recover from a poor quarter and/or midterm exam grade and gives him/her the appropriate motivation to complete the course successfully.

Assessment Guidelines and Practices

Assessments offer students opportunities to demonstrate knowledge of skills, knowledge, and understandings in their work. Summative assessments are performance tasks that assess the mastery of a standard(s) at the end of a unit. Formative assessments are planned and used to assess at interim points throughout the unit, which then lead up to the summative assessment. Formative assessments inform teachers of ongoing student progress, while summative assessments serve to assess the whole of the skills taught over the course of the unit.

- LBPADA uses Understanding By Design principles and practices. Summative assessment is planned before daily lessons and formative assessments.
- Unit plans include both summative and formative assessments.
- Assessments and plans are aligned vertically and horizontally across the curriculum to scaffold skills and content in preparation for future courses.
- Assessment feedback is timely, specific, and frequent, and provided to both students and parents.
- Assessments are authentic, inquiry-based, student-centered, and structured around a conceptual framework.

ACADEMIC HONESTY

LBPADA supports and encourages our students in developing personal “integrity and honesty” by working to be more principled through their daily actions as independent learners. All stakeholders should understand the differences between plagiarism, collaboration, and collusion.

Definitions of Academic Misconduct

The LBPADA defines, but does not limit definitions of academic misconduct to

- Plagiarism is “defined as the representation, intentionally or unwittingly, of the ideas, words or work of another person without proper, clear, and explicit acknowledgment. The use of translated materials, unless indicated and acknowledged, is also considered plagiarism.”
- Collusion is “defined as supporting academic misconduct by another student, for example allowing one’s work to be copied or submitted for assessment by another. Examples of misconduct during an examination (whether the student uses it or not), behavior that
disrupts the examination or may distract other students and communicating with another student during the examination.”

- Duplication of work is “defined as the presentation of the same work for different assessment components and/or requirements.”

If any student is suspected of breaking the school’s Academic Honesty Policy, LBPADA will abide by Chicago Public Schools’ Uniform and Discipline code specifications, taking one or more of the following steps toward discipline (red means most severe punishments):

- Student-Parent-Teacher Conference with Coordinator
- Student-Parent-Teacher Conference with Coordinator and School Administration
- Class assignment failure
- Malpractice Report placed in student’s file
- In-School Suspension (one to five days)
- Suspension (one to ten days)
- Class failure
- Retraction of letters of recommendation to colleges, universities, scholarship, and internship organizations
- Suspension of CPS network privileges

SCHOOL CLIMATE & CULTURE EXPECTATIONS

Students, parents, guardians, and staff must work together to ensure that we are safe at LBPADA. To help make this happen, we comply strictly with the Chicago Public Schools’ Student Code of Conduct (SCC).

Extracurricular Activities

There are important benchmarks students must meet in order to participate in extracurricular activities at LBPADA. These benchmarks are defined in the Chicago Public Schools Policy Manual, Section 601.8.

Eligibility requirements are as follows:

- Students must pass every course the semester before the activity happens. This means, for example, that student-athletes participating in a fall sport must pass every class from the second semester of the past school year. Students failing to meet this benchmark but who pass at least four of seven classes (the IHSA benchmark for eligibility) may participate in team / club meetings or practices, but may not take part in athletic contests or club events until an official grade check indicates that they are passing every class in the current semester.

- Students must maintain passing grades in all courses during the term of the activity or sport. The athletic director and eligibility coordinator will determine eligibility using official progress report grades. Students found to be failing one course will remain eligible until the next official progress report. Students failing the same subject area in consecutive progress reports, or failing multiple courses at any time, will be excluded from participation in athletic contests and / or club events until demonstrating to the athletic director and eligibility coordinator that he / she is passing every course. For example, a student may be held out of an athletic contest due to multiple failures on a progress report, but may regain eligibility within several days after providing
to the athletic director or eligibility coordinator evidence of improvement in subject areas of failure.

- Students must maintain reasonable attendance (92% attendance average) during the term of the extracurricular activity. Those who accumulate two or more unexcused absences in a week will be ineligible to participate in extracurricular activities the following week (Monday through Sunday). Students missing a full day of school (excused or unexcused) will be ineligible to participate in extracurricular activities on the day of the absence.

- Students must maintain reasonable conduct during the term of the extracurricular activity. Students serving suspensions of any kind will be ineligible to participate in extracurricular activities during the week of the suspension. They will be ineligible until the following Monday morning.

**School Property**

Hallways: Students and staff alike are expected to respect the hallways at LBPADA. All should ensure they remain clean at all times. Also, during class time, there should be NO LOUD noise in the hallways. Talking or other noises will not be tolerated.

Damage to School Property: As a community, we share the responsibility of keeping our school in good working condition. In the event that a student’s actions result in the damage to school property, he/she will be financially responsible for replacing or repairing the damaged goods. Lockers: Students can store their school-related materials overnight and during the day in their assigned lockers. Lockers are the property of LBPADA and may be searched at any time by school personnel. Each student is allowed to have one locker. The locker must be locked with a LBPADA issued lock. A locker that is not locked will be locked with a new LBPADA issued lock. A locker that is not locked will be locked with a $5 re-locking fee.

**School Issued Supplies**

Student tablets, textbooks, instruments, or other school issued supplies remain the property of LBPADA and must be returned when requested. A fee will be assessed for all lost or damaged items and must be paid at the end of the school year.

**Field Studies (or other school trips)**

ALL LBPADA and CPS rules apply when students are on a school event. The only exceptions are when a chaperon makes specific adjustments BEFORE the trip. Field Study and field trip days count as mandatory regular attendance days.

**Dress Code Policy**

LBPA staff and students must create and maintain a community which is in alignment with the “Business of Art.” The LBPA community respects and values individuality which inspires students to be free from judgment. LBPA students are expected to dress and groom themselves neatly and modestly in clothes that are appropriate for an academic environment. Selected clothing must not interfere with the educational environment and therefore should not be offensive, provocative, or
disruptive to instruction. When there is any question about the appropriateness of a student’s attire, it is the final decision of the school administration as to whether a student’s general appearance is acceptable.

The following clothing items are prohibited or regulated in school:

1. Hats, scarves, hoods or head coverings are not allowed to be worn in the school building. This rule applies to males and females.
2. Heavy coats or jackets may not be worn during school hours, other than when entering or exiting the building.
3. Wearing sunglasses are prohibited in the building.
4. Clothing or apparel exhibiting or publishing any profane, obscene, indecent, immoral, libelous, or offensive materials, or using such language or gestures.
5. Other inappropriate dress are halter/tube/tank tops with spaghetti-type straps, bare midriffs, unbuttoned/revealing shirts/blouses/pants, team jerseys without a shirt underneath, and undershirts/undergarments worn as base layer.
6. The dress code at dances and extra-curricular activities is at the discretion of the Administration.
7. No R.I.P. shirts and sweatshirts.
8. No flip flops, slippers or slide on shoes.
9. No sagging pants or see through leggings or inappropriately cut jeans.

*Students dressed inappropriately will be subject to disciplinary actions.*

Cell Phone/Electronic Communication Devices Use by Students Policy

This policy is meant to help maintain an educational focus in classrooms and other study areas and respect the needs of our students to have reasonable access to their phones and other electronic devices. We acknowledge that this is the age of instant communication as well as the need to maintain a proper environment for students, faculty and the educational process.

Cell phones or other electronic devices are not to be used in the classrooms unless authorized by the classroom teacher. Cell phones and other electronic devices are to be turned off or placed on silent/vibrate mode during class. Students should keep these items in their backpacks or purses. Cell phones or other electronic devices may be used before/after school, during passing periods, and lunch periods in the cafeteria.

**Having a cell phone or any other electronic device in his or her possession on school grounds is a choice made by students. LBPADA will not be responsible for any loss or damages and staff will not take on the responsibility of retrieving any of these items for students.**

Students may use the main office phone to make a phone call home. In an emergency situation, an administrator or faculty member can give a student permission to make a call from a cell phone. The use of camera and video phones is forbidden at any time including but not limited to private
areas, such as, locker rooms, washrooms, dressing areas, classrooms, and offices. Such use may also constitute a violation of the criminal code which may be referred to CPS Safety and Security and the Chicago Police Department.

Unauthorized use of electronic devices in prohibited areas is a violation of this policy. Violators will be subject to disciplinary action. Repeat or flagrant violators will be subjected to consequences stated in the CPS Student Code of Conduct.

STUDENT CODE OF CONDUCT STRUCTURE

Based on the Student Code of Conduct, certain penalties have been established as an LBPA guideline for behavioral issues and consequences for all students. The consequences below will be implemented in accordance with the Student Code of Conduct.

PLEASE NOTE: Student behavioral consequences will be based on the severity of the issue. Consequences will be enforced and implemented as deemed appropriate by school administration staff.

PROTOCOL – Classroom teachers are expected to handle classroom behavioral issues that do not disrupt the educational environment and do not cause physical or mental harm to themselves, another student or staff member. The Dean of Students will manage school-wide discipline and will impose discipline penalties according to the offense and penalties as described below (in accordance with the LBPA Student Handbook and the Chicago Public Schools Student Code of Conduct). Those behaviors deemed acceptable for expulsion will be referred to the Principal.

- The Dean of Students will send a copy of all referrals (in-school/out-of-school) suspensions to the Principal for review

TARDIES

According to the LBPA Student Code of Conduct, students must attend the assigned classes in order to learn and retain course subject matter. When a student is tardy to class, the following actions will be taken.

- Four (4) tardies equals one-day absent.
- If a student is tardy two or more days in a week, a student will be allowed to make up classroom assignments or assessments during detention.
  - All recovery minutes schedules will be determined by the Dean
  - Students who do not attend recovery on the specified day without a written excuse from a parent will not be allowed to make up the work. This will result in receiving a zero for the class assignment.

DISCIPLINARY PROCEDURAL GUIDE FOR STUDENTS WITH DISABILITIES
The campus administrator may suspend students with disabilities for up to ten (10) consecutive or ten (10) cumulative school days in one school year without providing special educational services. If the LBPA administrator(s) anticipate a need for a change of placement or referral to an alternative school, the LBPA administrator will contact CPS regarding any anticipated change of student status. The change of status may be due to an act of misconduct or a short-term suspension.

STUDENT COMPLAINT PROCEDURES

Complaints of Discrimination or Harassment

School administration will assist students with formalizing and processing a complaint, which should include a statement of facts, identification of witnesses and any other information necessary to fully describe the matter. Formal complaints should be filed within 30 calendar days of the alleged incident. It is unlawful for a student to falsify, misrepresent, omit, or erroneously report information regarding instances of alleged inappropriate behavior by a teacher, administrator or other school employee, including during off-school hours.

Reporting Acts of Sexual Abuse or Sexual Misconduct provides that: “The Professional Standards Commission shall establish a state-mandated process for students to follow in reporting instances of alleged inappropriate behavior by a teacher, administrator, or other school employee toward a student which shall not prohibit the ability of a student to report the incident to law enforcement authorities. Each local school system shall be required to implement and follow such state-mandated process and shall include the mandated process in student handbooks and in employee handbooks or policies.”

The following is the reporting process:

(a) Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator or other school system employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.

(b) Any teacher, counselor, or administrator receiving a report of sexual abuse or sexual misconduct of a student by a teacher, administrator, or other employee shall make an oral report of the incident immediately by telephone or otherwise to the school principal or principal’s designee, and shall submit a written report of the incident to the school principal or principal’s designee within 24 hours. If the principal is the person accused of the sexual abuse or sexual misconduct, the oral and written reports should be made to the superintendent or the superintendent’s designee.

(c) Any school administrator receiving a report of sexual abuse shall make an oral report immediately, but in no case later than 24 hours from the time there is reasonable cause to believe a child has been abused. The report should be made by telephone and followed by a written report in writing, if requested, to a child welfare agency providing protective services, as designated by the Department of Human Resources, or, in the absence of such agency, to an
appropriate police authority or district attorney. Reports of acts of sexual misconduct against a student by a teacher, administrator, or other employee shall be investigated immediately by school or system personnel. If the investigation of the allegation of sexual misconduct indicates a reasonable cause to believe that the report of sexual misconduct is valid, the school principal or designee shall make an immediate written report to the Professional Standards Commission Ethics Division.

ATTENDANCE REGULATIONS

LBPADA will comply with the attendance rules/regulations set forth by Chicago Public Schools. Students must attend their classes in order to learn and retain course subject matter. Consequently, students’ success in earning credits shall be determined by attendance in class as well as by performance on academic assignments.

Truancy/Excessive Absences
When a student has accumulated twenty days of unauthorized absence the student may be removed and replaced with another. All applicable due process procedures will be followed when removing a student for unauthorized absences. If the student returns to school with the documentation to support reason(s) for absences, he or she may be allowed to return to school. LBPADA will submit to CPS the High School Withdrawal and Release Record for each student dropped due to absenteeism on a monthly basis.

A valid excused absences is allowable with proof of evidence for illness, observance of a religious holiday, death in the immediate family, family emergency, and includes such other situations beyond the control of the student as determined by the campus administration, or such other circumstances, which cause reasonable concern to the parent for the safety or health of the student.

A student 17 years of age or older who is not attending school due to unauthorized reasons should be released by authorities following these guidelines:

After the fifth school day of unauthorized absence, school administrators will contact the parent/guardian by telephone, followed by a written letter, informing the parent of the student’s status. The content of the letter will inform the parent/guardian of the possibility that the student will be dropped after the twentieth day of unauthorized absence. The school will place a written report into the student’s temporary file as to the feasibility of the student’s returning to regular attendance. A student 17 years of age or older is to be dropped from school membership if the school administration has been informed by the parent/guardian that the student will not return.

After the twentieth school day of unauthorized absence, all students 17 and over may be dropped from school membership after the school has informed the parent/guardian that the student will be released, in a telephone call followed by a certified letter requiring a written receipt, stating: Each child (up to the age of 21) has a right to an education, but the child must be in regular attendance to exercise that right.

A parental conference is necessary within five (5) days after receipt of the letter to discuss the student’s alternative if he/she chooses to return to regular attendance. If no response is received
to the letter, the student will be dropped from school membership on the day following twentieth day of unauthorized absence. A copy of the letter is to be sent to LBPADA and attached to the student’s withdrawal form.
