TULSI

(holy basil)

Primary Benefits:

- Has a calming aroma
- May help maintain oral hygiene
- May support the appearance of healthy skin

Uses:

- Diffuse to promote a calming atmosphere.
- Add one drop to two ounces of water and gargle.
- Add one drop to your lotion as part of your skin care routine.
- Add one drop to the palm of your hand, rub hands together, and cup hands over your nose and inhale.

Emotional Benefits:

- Tulsi (Holy Basil) aids in harmonizing the conscious and unconscious mind.

MADAGASCAR

VANILLA

Quality:

Vanilla planifolia is a species of orchid, originally native to Mexico and Central America. Though it's now grown in tropical regions globally, natural pollination can only be done by a specific bee found in Mexico.

Uses:

- Add a drop to your next diffuser blend.
- Include a drop or two in your personal pure-fume.
- Use a drop with your personal care products, like shampoos, conditioners, lotions, or creams.
- Add one drop to a smoothie.

Emotional Benefits:

- Vanilla helps individuals see the synchronizing in their life. It teaches them that there are no coincidences every thing happens in divine timing.

COPAIBA

touch

Primary Benefits:

- Promotes a clear, smooth complexion
- Assists natural skin hydration
- Supports healthy-looking skin
- Helps manage minor skin lesions

Uses:

- Apply topically to help keep skin clean and clear.
- Roll on to help moisturize skin.

Emotional Benefits:

- Copaiba invites individuals to connect with their past. It offers deep intertwining energy that links experience to experience.

ABŌDE™

refreshing blend

Primary Benefits:

- Contains powerful surface cleansing essential oils
- Formula contains CPTG® essential oils high in cleansing constituents including limonene, geranial, neral, and 1,8-cineole
- Keeps your home smelling clean
- Provides a fresh, citrus aroma

Uses:

- Add 10-15 drops to water to create a powerful, non-toxic surface cleaner.
- Include in the DIY room, fabric, and upholstery sprays.
- Use 5-8 drops in the diffuser of choice to elevate and refresh any space.
- Put a few drops onto wool dryer balls.

Emotional Benefits:

- abōde™ is a powerhouse cleansing blend that works both for emotional and environmental cleansing.

HYGGE

cozy blend

Primary Benefits:

- Provides a cozy, welcoming aroma
- Creates a relaxed, comforting space
- Makes any room more inviting

Uses:

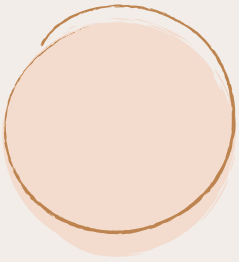

- Diffuse to create a warm and inviting environment
- Blend with distilled water and witch hazel for a DIY room spray

Emotional Benefits:

- hygge helps individuals recognize the gift of being able to share space with friends and loved ones. Hygge tends the inner candle flame.

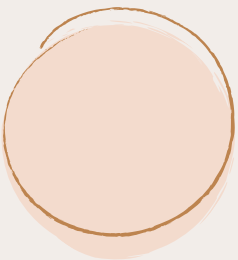

DEEP BLUE™

stick +copaiba

Primary Benefits:

- Includes Deep Blue Soothing Blend, Copaiba, and other natural ingredients
- Provides maximum OTC strength plant-based menthol
- Delivers temporary relief of minor aches and pains of muscles and joints associated with simple backache, arthritis, sprains, strains, and bruises

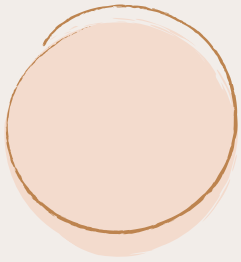

Uses:

- Apply to areas of need for soothing relief.
- Apply directly to affected areas. For a more intensive treatment, apply the Deep Blue essential oil blend on the skin prior to application.

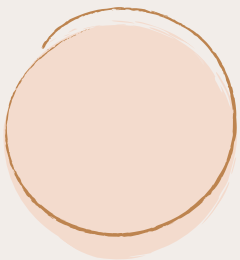

ON GUARD+™

chewable tablet

Primary Benefits:

- Developed with beta-glucan to help support and maintain a healthy immune system
- Formulated with vitamin C, vitamin D, Zinc, and the doTERRA On Guard Protective Blend
- Vegan-friendly and free from gluten, sugar, and artificial sweeteners
- Convenient to use anytime, anywhere

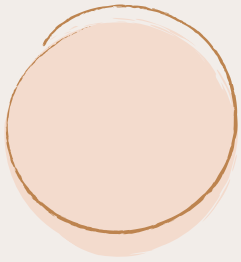

Directions:

- Chew three tablets per day as needed to promote healthy immune function.

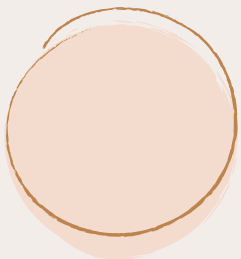

SENSITIVE

carrier oil blend

Primary Benefits:

- Soothes dry, distressed, and irritated skin
- Protects skin's moisture barrier
- Lightweight and easily absorbed
- Hydrating and nourishing

Uses:

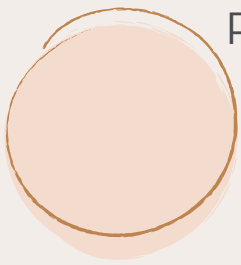

- Create a soothing skin experience by combining 4–5 drops of the carrier blend with 1–2 drops of your favorite essential oil.
- Smooth onto skin after a bath or shower with your favorite skin-nourishing essential oil like Geranium, Rose, or Helichrysum.
- Apply to dry spots like elbow and knees.

Ingredients:

Grape Seed, Rosehip Seed, Hemp Seed, Tocopherol, and Sunflower Seed

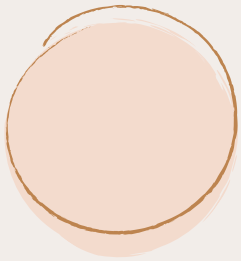

BODY

carrier oil blend

Primary Benefits:

- Hydrates and softens while sealing in moisture
- Glides on skin effortlessly
- Enhances essential oils used topically

Uses:

Blend with your favorite essential oils and:

- Create a customized massage oil.
- Add a few drops to bathwater
- Smooth on after a bath or shower
- Apply to dry spots like elbow and knees

Ingredients:

Passion Fruit, Jojoba, Baobab, Moringa, Tocopherol, and Sunflower Seed

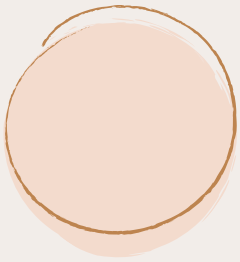

OSMANTHUS

touch

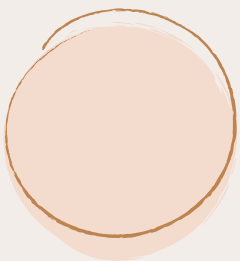

Primary Benefits:

- Comforting, sweet aroma
- Ideal as part of a revitalizing massage
- Helps maintain the look of healthy skin
