Dennis/Brad/Approved

PedPDX Presentation and Exercise
Francesca Patricolo from PBOT led the committee in an exercise to help PBOT appropriately prioritize sidewalks, crossing improvements and other investments to make walking safer and more comfortable across the city, using maps and local expertise to highlight gaps and provide reasons for needed improvements not already identified in the plan.

Short-Term Rental Discussion
The committee had a discussion on short-term rentals spurred by the recent City of Portland Auditor’s report. In general, the committee seemed to support many of the recommendations of the report.
Margaret O’Hartigan presented a proposal calling for a moratorium on short-term rentals.
