Sarah Figliozzi, Portland Bureau of Transportation (PBOT)

Minutes

Bicycle Parking Code Update
Sarah Figliozzi from PBOT presented on the Bicycle Parking Code Update, which requires bicycle parking in multi-family and commercial projects. After answering questions regarding affordability, accommodations for all user types and specifics around height limits and discussion, the committee decided not to draft a letter from NECN in response to the Discussion Draft.

Approval of Minutes
The committee approved the August 2018 minutes by as presented. Motion/Second/Carried (MSC) Sean/Dennis/Approved

Central City in Motion Discussion
The committee discussed district-specific projects in PBOT’s Central City in Motion Plan. After discussion, the committee approved drafting a letter in support of prioritizing specific projects on NE MLK/Grand and NE Broadway/Weidler. MSC Luke/Leeor/Approved.

The committee also discussed how to better engage with historic communities within our district to provide a wider range of views when NECN provides feedback to City plans.
