## **Chick-fil-A Leadership Academy:**

Seniors who completed the requirements are wearing silver and red cords.

## **Principal's List:**

Students who earned a 4.0 GPA or higher are wearing purple and white cords.

# THE TRINITY

## EDUCATING. EQUIPPING.

Trinity Christian School is committed to be a Christian community. Although our families come from a variety of church affiliations, we are unified by the Person of Jesus and the mission of the school.

The foundation for the vision and mission of Trinity is the Bible. We value faith that is based on a personal, intimate and authentic relationship with Jesus.

The golden triangle of parents, churches, and schools working together to shape Christlike disciples has proven to be an effective model. Trinity Christian School believes that having healthy relationships with parents and local churches is paramount to the foundation of an effective Christian school.

Therefore, we seek to be transparent with our community, to listen and consider their input, to communicate with them and to be available to them.

**CULTURE**

Prepare  
student to  
tomorrow

**PARTNERSHIP**

**Our mission is to prepare today's student to impact  
engagement, equipping hearts for character development**

# TY WAY

IG. EMPOWERING.

## EXCELLENCE

Trinity strives to honor God by pursuing excellence in all of our endeavors. From the chapel to the classroom, the athletic field to a community service project; we ask our staff and students to "work heartily, as for the Lord..."

The education of Trinity students goes well beyond the classroom. As students grow within a culture of excellence, they become godly leaders who can influence the world for Christ.

today's  
to impact  
w's world

## DIVERSITY

The benefits of diversity are endless. Secular studies show diversity helps learning and problem-solving in the classroom and workplace. Colleges are more and more vocal about their desire to enroll students who are culturally intelligent.

Most importantly, diversity helps students learn more about our amazing God, as we teach our students to affect the world for Him. God made diversity, and He made it for our good. Each student is made in the image of God with a unique set of gifts and talents as a testimony to His creativity.

tomorrow's world: by educating minds for cultural  
ent and empowering hands for compassionate service.

*Prepare*

*what lies*

red for  
ahead!

**always forward**
