Equity Statement

Student union solidarity is based on the principle that all members should be able to participate equally in their union, recognizing that students have diverse experiences of privilege and marginalization. As members of the students’ union, mutual respect, cooperation and understanding are our goals. We should neither condone nor tolerate behaviour that undermines the dignity of any individual or creates an intimidating, hostile, or offensive environment.

It is our collective responsibility to create an inclusive space for discussion and dialogue. Any form or forms of discrimination and/or harassment will not be tolerated, nor will hate speech rooted in, but not limited to, sexist, racist, classist, ableist, homophobic or transphobic sentiments and/or remarks. We all have an obligation to ensure that an open and inclusive space, free of hate is established. If you violate this understanding, you will be asked to leave.
