**6. Presentations**

**6.1 South House Presentation**

Presented by: Frank Heimpel and Francesca Ekwuyasi

Heimpel and Ekwuyasi discussed the concept of a survivor-centric process, and principles in discussing sexual violence through a trauma-informed and anti-oppressive lens.

**6.2 Report on Recent Online Disclosure of Sexual Violence**

Presented by: President
Member Alex Hughes, the Black Students’ Representative, and the Board of Governors representative asked about why the Union had chosen to contact Halifax Regional Police. The speakers commented that the police are not a survivor-centric body and therefore this action contradicts the DSU and the DSU Survivor Support Centre’s stated principles, as well as the procedures laid out in the University’s Purple Folder.

The President responded by noting that the police were contacted based on legal advice, and that the survivor would only be involved with HRP if they choose to be. The decision to contact the police was based on an obligation to report criminal allegations and a desire to protect students, particularly given the details of the online disclosure. In response to the question about the purple folder, she noted that this disclosure came forward during transition.

The BoG Representative asked about how the DSU would be moving forward and remaining survivor-centric. The President responded that she has now been in contact with the survivor, but can not share details at the moment. She stated that this individual would be consulted at every step. The Equity and Accessibility Office Director asked if the Union will now be using the purple folder, and the President confirmed that they would.

7. New Business

MOTION 2020-05-21-7.1

WHEREAS the Judicial Board has not yet been appointed for the 2020-2021 year but will be appointed at the meeting of Council on May 21; and

WHEREAS the Judicial Board reports to Council and Council has greater decision-making power; and

WHEREAS serious allegations of sexual violence have been made online about a member of the DSU Executive; and

WHEREAS the Judicial Board Policy enables the Judicial Board to take the non-disciplinary action to temporarily suspend an individual respondent for a period of up to one week, should they find potential for continued serious harm to the organization or another individual pending the results of inquiry; and

WHEREAS the DSU is committed, as per the Equity Policy, to creating equitable and inclusive environments free from harassment and discrimination; and

WHEREAS the DSU recognizes that sexualized violence and rape culture affect people profoundly and differently, and believes that all students have a right to safer campuses; and

WHEREAS the DSU has received feedback from many members, in particular women and non-binary students and others who may experience higher rates of gender-based violence, calling for the DSU to follow survivor-centric principles;

THEREFORE:
BE IT RESOLVED THAT Jad Ghiz, current Vice President, Student Life, be suspended with pay, effective immediately, for a period of one week as a non-disciplinary action; and

BE IT FURTHER RESOLVED THAT at the end of one (1) week, on May 14, 2020, this suspension may be renewed for an additional period of up to one (1) week by a special resolution passed by the Executive Committee; and

BE IT FURTHER RESOLVED THAT if said suspension is renewed, this decision will be immediately communicated to Councillors; and

BE IT FURTHER RESOLVED THAT this non-disciplinary suspension be carried out in order to allow for any potential investigative proceedings to be carried out.

Moved by: President; Seconded by: LGBTQ+ Representative

Extensive discussion was held around the presence of the VPSL in the meeting space. A number of meeting attendees, including the Black Students’ Representative, noted that folks would feel safer if the VPSL was absent, given that the motion concerns him. The Chair initially stated that there was no mechanism in Robert’s Rules for removal of a person from a meeting without a conflict of interest or disruptive behaviour. The situation was determined not to constitute a conflict of interest because the motion was for a suspension with pay. The VPSL chose not to leave the meeting of his own accord. After a number of other meeting attendees stated discomfort with continuing debate with the VPSL present in the meeting, the Chair reconsidered the question of privilege and ruled that VPSL would leave the meeting for the remainder of debate on the motion. The VPSL then left the meeting for a period of 20 minutes.

Attendees including Member Jenn Wingfield, the Black Students’ Representative, and the Board of Governors Representative asked logistical and procedural questions about the motion, including about why the motion was being brought forward with these specific terms: for a seven-day suspension when disciplinary proceedings would take longer; for a suspension with pay when many students had been calling for pay to be withheld; and not through the Judicial Board. Concerns were also raised about how the need for an extension of the suspension would be determined, and about whether an investigation would need to occur in order for disciplinary action to be taken.

The Chair and members of the Executive responded to these concerns, noting that typically the Judicial Board would make recommendations about disciplinary motions, but the board has not yet been formed; that the policy states that this type of suspension can only last seven days; and that suspending the VPSL without pay would be a disciplinary action which must have at least two weeks’ notice. Procedures for disciplinary action in the Bylaws and Judicial Board Policy were highlighted.

Attendees discussed mechanisms for holding executives accountable, about the role of survivor-centric processes within the DSU, and about how best to listen to members.

The Faculty of Agriculture Representative asked about the terms of the suspension, and the President responded that the effect of the motion would be to relieve the VPSL of all current responsibilities, including communications. She also clarified that since the disclosure had come forward, the VPSL had only participated in online training sessions.
At 7:52, the Vice President, Finance and Operations, motioned for a ten-minutes recess (MOTION 2020-05-21-P1). The motion was seconded by the Vice President, Academic and External, and passed. Following the recess, debate on motion 2020-05-21-7.1 resumed.

The Board of Governors Representative introduced the following MOTION TO AMEND:

**MOTION 2020-05-21-7.1.1:**

BE IT RESOLVED THAT Motion 7.1 be amended by striking out “with pay” and inserting “withholding honorarium until acquitted, or, until Council decides other disciplinary measures if he is not acquitted” and;

BE IT FURTHER RESOLVED that motion 7.1 be amended to add: “BE IT FURTHER RESOLVED THAT Judicial Board appointees are trained in sexual violence response and will follow the guidelines of the Purple Folder”.

Moved by the Board of Governors Representative; seconded by the Black Students’ Representative.

The BoG representative and proponents of the amendment emphasized their constituents’ desire to see the VPSL suspended without pay, and for the students on the Judicial Board to be adequately trained. The BoG representative stated that this motion would keep the original motion non-disciplinary.

Councillors raised questions about the legal interpretation of non-disciplinary, and whether the amendment at hand would be in order for a non-disciplinary motion. The Vice President, Finance and Operations, stated that legal advice had been that any withholding of pay constituted disciplinary action. They further clarified that withholding pay could open up the DSU to legal action. The DSU’s legal counsel joined the call to respond to specific questions.

The Black Students’ Representative introduced a procedural motion (MOTION 2020-05-21-P2) to extend the meeting by 15 minutes. Seconded by: LGBTQ+ Representative.

The Agriculture Representative introduced an amendment to MOTION 2020-05-21-P2 to strike out “15” and insert “30.” The amendment was seconded by the Faculty of Management Representative and passed. The meeting was extended by 30 minutes. Debate returned to the amendment at hand.

Debate continued around the merits of withholding or not withholding pay. The President stated that based on legal advice, withholding pay would be seen as a disciplinary measure and would therefore be beyond the scope of this motion. Legal counsel confirmed that suspension without pay would be considered a disciplinary motion. The President explained that passing a disciplinary motion without following the disciplinary procedures laid out in the DSU’s bylaws would open up the Union and current executives to potential legal action. Attendee Jordan Roberts also noted that a failure to follow proper procedure could result in legal proceedings against the survivor.

The Faculty of Agriculture Representative moved to call the amendment to question (MOTION 2020-05-21-P3). Seconded by: Faculty of Management Representative; passed.

MOTION 2020-05-21-7.1.1 failed.
The LGBTQ+ Representative moved to reconsider MOTION 2020-05-21-7.1.1 (MOTION 2020-05-21-P4); seconded by the Black Students’ Representative. The motion to reconsider passed. Debate returned to MOTION 2020-05-21-7.1.1.

Member Jenn Wingfield introduced a motion to divide MOTION 2020-05-21-7.1.1 in order to vote on each clause individually (MOTION 2020-05-21-P5). The motion was seconded by the Black Students’ Representative and passed. MOTION 2020-05-21-7.1.1 was therefore divided into two separate motions to amend, the first titled MOTION 2020-05-21-7.1.2 dealing with the change to “without pay,” and the second titled MOTION 2020-05-21-7.1.3 dealing with the requirements for the Judicial Board.

*Note to the minutes:* Proper procedure would have been for a voting member of Council to move this motion, rather than a general member. This procedural issue was overlooked during the meeting and not addressed by a point of order. As per Robert’s Rules of Order, points of order need to be raised promptly. Given that the motion was duly seconded by a member of Council and passed without objection, this procedural issue is being noted but does not result in the motion being automatically rescinded, or any other action.

The floor was opened to debate on MOTION 2020-05-21-7.1.2.

MOTION 2020-05-21-7.1.3 passed.

The Indigenous Students’ Representative moved to extend the meeting by twenty minutes (MOTION 2020-05-21-P6). The motion was seconded by the Faculty of Management Representative and passed by unanimous consent.

MOTION 2020-05-21-7.1 passed as amended.

**MOTION 7.2**

WHEREAS the DSU distributes bursaries from the Student Accessibility Fund through the Student Accessibility Fund Committee, and these bursaries have been particularly important over the past few weeks in supporting students whose access needs have been exacerbated by COVID-19; and

WHEREAS in some cases the financial need described in bursary applications is urgent and a gap in the distribution of bursaries from this fund would negatively impact students with disabilities; therefore

BE IT RESOLVED THAT the term of the 2019-20 Student Accessibility Fund Committee be extended until May 21, 2020, at which point the members of the Committee for the 2020-2021 year shall be appointed.

Moved by: DSU VPI; Seconded by: LGBTQ+ Representative

Motion 2020-05-21-7.2 passed.

WHEREAS the DSU has stated that it aims to abide by survivor-centric response to sexualized violence as outlined in Dalhousie’s Human Rights and Equity Guide to Responding when Someone Shares an Experience of Sexualized Violence, and did not reach out to the survivor before taking any further steps - therefore putting survivors at greater risk and;

BE IT FURTHER RESOLVED THAT if the Judicial Board has not completed training and been able to meet by the end of said week, this suspension may be renewed for an additional period of up to one (1) week by a special resolution passed by the Executive Committee; and

BE IT FURTHER RESOLVED THAT if said suspension is renewed, this decision will be immediately communicated to Councillors; and

BE IT FURTHER RESOLVED THAT this non-disciplinary suspension be carried out in order to allow for any potential investigative proceedings to be carried out.

Moved by the President; Seconded by: Faculty of Management Representative.

The President stated that this motion is relatively similar to the last week’s disciplinary motion because we don’t have the judicial board in place as it stands and there has been considerable will by the student body to not have Jad Ghiz as acting VPSL. In the opinion of the executive, we see that there is considerable desire to continue a suspension and whereas we don’t have the grounds to do so in a disciplinary fashion, this is the best option according to the executive that maintains our obligations to the bylaws and policies but also meets the wishes and will of the student body.

Motion 2020-05-21-11.2 passes.

MOTION 2020-05-21-11.3

WHEREAS the Councillors and Full-Time Staff of the DSU need support in dealing with ongoing events related to the VPSL suspension; AND

WHEREAS the mandate of the Survivor Support Centre is to support, educate, and advocate on issues surrounding sexualized violence; AND

WHEREAS if the Councillors and Full-Time Staff receive support and training in processing events related to sexualized violence, there will be greater capacity to respond to current and future situations, to the benefit of survivors within our membership; AND

WHEREAS the Survivor Support Centre currently has an appropriate capital reserve to provide this support; THEREFORE:

BE IT RESOLVED THAT up to $3000.00 of the Survivor Support Centre capital reserve be utilized in the 2020-21 budget year for the purpose of consultation and support for the Dalhousie Student Union Councillors and Staff, with Hardy Consulting.

Moved by the VPFO; Seconded by: LGBTQ+ Representative.

Motion 2020-05-21-11.3 passes.
MOTION 2020-05-21-11.4
WHEREAS the Judicial Board has been appointed on this May 21, 2020; and

WHEREAS addressing the allegations against the VPSL is a time-sensitive process; and

WHEREAS the University has verbally agreed to support the DSU in initiating an investigation in regard to the aforementioned allegations;

THEREFORE

BE IT RESOLVED THAT the Judicial Board start their training immediately, including the sexual violence response training approved by council; and

BE IT FURTHER RESOLVED THAT the Judicial Board prepare to receive a report from an investigator and provide recommendations to Council on how to further address the allegations against the VPSL by June 4th, 2020.

Moved by the President; Seconded by: DSU, Vice President Academic

MOTION 2020-05-21-11.4.1: Motion to amend the motion at hand by striking out “June 4” and inserting “June 11”.

Moved by: Black Students’ Representative; Seconded by: Faculty of Agriculture Representative

The amendment is to reflect a change that was made an hour before council started. This amendment would be made to the scope document which defines the same deadline as June 11th. It was at the university’s request that we extend that so that it would be more reasonable to an investigator. So, the amendment would be to change the date from June 4th, 2020 to June 11th, 2020.

Motion 2020-05-21-11.4.1 passes.

The final clause of MOTION 2020-05-21-11.4 now reads:

BE IT FURTHER RESOLVED THAT the Judicial Board prepare to receive a report from an investigator and provide recommendations to Council on how to further address the allegations against the VPSL by June 11th, 2020.

Motion 2020-05-21-11.4 passes.

MOTION 2020-05-21-11.5
WHEREAS the DSU membership has shown considerable desire and will for an investigation to occur that considers the incidences detailed in an online disclosure published to Change.Org on April 29, 2020; and

WHEREAS Dalhousie University has verbally agreed to provide support to such an investigation; And

WHEREAS the survivor has given their consent to the DSU exploring investigative procedures; And

WHEREAS the DSU’s legal counsel has recommended an external, third-party investigation as the next step in addressing membership concerns;

THEREFORE:

BE IT RESOLVED THAT the DSU contracts an unbiased, external, third-party investigator to examine online allegations against the Vice President Student Life made by the survivor, a member of the DSU; and

BE IT FURTHER RESOLVED THAT the external investigator have experience working with students, student union governance, and/or university structures; as well as experience working with and/or advocating for oppressed populations; and

BE IT FURTHER RESOLVED THAT the investigation must be conducted with a strong understanding and inclusion of the following policies and concepts: the bylaws, codes, policies, and values of the Dalhousie Student Union; the Dalhousie Student Code of Conduct and Dalhousie’s Sexualized Violence Policy; the Purple Folder; anti-oppressive and harm-reduction frameworks including intersectional, survivor-centric, and trauma-informed approaches to investigations of allegations of sexualized violence; the impacts of sexualized violence on marginalized populations including, but not limited to: womxn, transgendered, non-binary, and femme-identifying persons; the oppressive and harm-inducing consequences and history of conventional legal investigations of cases of sexualized violence; and

BE IT FURTHER RESOLVED THAT the findings of the examination must then be applied to the will and intent of the relevant bylaws, codes, and/or policies to determine if any violations have occurred; and

BE IT FURTHER RESOLVED THAT this report is to be delivered to the DSU’s legal counsel. After reviewing the report, the DSU’s counsel will share the report with the Executive Officers of the DSU, with exception of the Vice President, Student Life; and

BE IT FURTHER RESOLVED THAT once the report is reviewed by the approved Executive Officers, the President of the DSU can petition the Judicial Board if necessary; and

BE IT FURTHER RESOLVED THAT the Judicial Board will return their findings and recommendations to the President within two weeks of receiving a petition, at which point a meeting of the DSU Council will be called within one week, to be held within two weeks of the return of findings and recommendations. If the Judicial Board requires more time and can
provide justification that it is needed to develop their recommendations, an extension may be approved through special resolution of the Executive Committee, with the exception of the Vice President, Student Life; and

BE IT FURTHER RESOLVED THAT all Councilors, Executive Officers of the DSU, and Judicial Board members are prohibited from altering the findings, intent, or contents of the report in any manner other than to provide summary and/or redact confidential information and/or the identity of persons other than the complainant or respondent. The contents of the report may only be published to the public through special resolution of the DSU Council; and

BE IT FURTHER RESOLVED THAT this procedure is to be followed in this exact sequence, as is required by the Judicial Board Policy of the DSU, and as is necessary to maintain the integrity of the report produced by the third-party investigator.

Moved by the President; Seconded by: LGBTQ+ Representative

The President stated that as the process stands, the report will not be shared with the council in its entirety. The executive officers will review the report and then the president will petition the judicial board. This board will then ask for the contents of the report, which the president will share. Then the judicial board will report back to the executive committee and then council will be called. If there is a request by council to see the report in its entirety in order to have enough background information to make an accurate ruling on any action to be made, then that can be requested by council and then council will be restricted to the terms of the motion we will ratify (if we do ratify it). This means that the council have to be responsible in the handling of the report and the viewing of the report will likely be in-camera because it will contain sensitive information on elected officials and the status of their employment, so council may see it if they request to.

MOTION 2020-05-21-11.5.1: Motion to amend the term “transgendered” to either “transgender” or “trans”.

Moved by: Indigenous Students’ Representative; Seconded by:

Motion to amend passes.

MOTION 2020-05-21-11.5.2: Motion to amend to include “Black, Indigenous, and people of color” to the list of marginalized populations.

Moved by: Black Students’ Representative; Seconded by:

Motion to amend passes.

The third Be It Resolved clause of MOTION 2020-05-21-11.5 now reads:

BE IT FURTHER RESOLVED THAT the investigation must be conducted with a strong understanding and inclusion of the following policies and concepts: the bylaws, codes, policies, and values of the Dalhousie Student Union; the Dalhousie Student Code of Conduct and Dalhousie’s Sexualized Violence Policy; the
Purple Folder; anti-oppressive and harm-reduction frameworks including intersectional, survivor-centric, and trauma-informed approaches to investigations of allegations of sexualized violence; the impacts of sexualized violence on marginalized populations including, but not limited to: womxn, transgender or trans, non-binary, and femme-identifying persons, and Black, Indigenous, and people of colour; the oppressive and harm-inducing consequences and history of conventional legal investigations of cases of sexualized violence; and

Motion 2020-05-21-11.5 passes.

Motion to extend the meeting by 1 hour.

Motion passes by unanimous consent.

Motion to take a 5-minute recess to count votes.

13. Notice of Motion

13.1 Sponsorship Policy

There are now two notices of motion which will be circulated via email after the meeting. We have two new policies up for review. One of them is a completely revised sponsorship policy, as our current policy hasn’t been revised in almost 10 years. This new policy looks quite different. The motion will be “be it resolve that the existing sponsorship policy be repealed and replaced by the updated sponsorship policy”. The PDF of this policy will be circulated after the meeting. It will be debated at the next council meeting.

The second policy is a completely new policy. It is a reserve fee policy. Currently, we don’t have a formal procedure in place for accessing some of our reserve funds which are levy funds which are collected but not always used within the fiscal year in which they were collected. These are things like the accessibility fund and the international student emergency bursary fund. This will help us ensure greater responsibility around accessing these reserve funds as they sometimes contain large sums of money but should only be used for situations that meet specific criteria.

MOTION 2020-07-16.11.1

WHEREAS the situation in Yemen has been declared by the UN as the worst humanitarian crisis in the world

AND WHEREAS the Canadian government has a military equipment contract with Saudi Arabia, one of the countries involved in the conflict and supporting the internationally recognized Yemini government,

THEREFORE;

BE IT RESOLVED THAT; the DSU write a letter addressed to the Canadian government stating our solidarity with the Yemeni people and opposing their military contract with Saudi Arabia because it is perpetuating violence.
BE IT FURTHER RESOLVED; that the letter focus on an anti-violence message and ensure that the DSU does not take a side in the ongoing civil war.

Moved by the Vice President, Academic and External; seconded by: LGBTQ+ Representative

The VPAE stated that as a student union, we shouldn’t do anything to alienate any student; however, they feel that it is important to address this matter and to spread an anti-violence message. When the Canadian government approved the arms deal, they stated that if human rights were violated, they would back out of it. Since then, they have been several violations, but the deal has continued. As a student union, we should share a strong anti-violence message and oppose such things.

Motion passes.

MOTION 2020-07-16-11.2

WHEREAS Council has adopted consecutive motions since May 07, 2020 to issue non-disciplinary suspensions to the current Vice President, Student Life, for a period of one week, with the possibility of extending the suspension by an additional week by special resolution of the Executive Committee; AND

WHEREAS on July 09, 2020, the Executive Committee unanimously voted to extend the latest non-disciplinary suspension by an additional week; AND

WHEREAS the DSU is committed, as per the Equity Policy, to creating equitable and inclusive environments free from harassment and discrimination; AND

WHEREAS the DSU recognizes that sexualized violence and rape culture affect people profoundly and differently, and believes that all students have a right to safer campuses; AND

WHEREAS the DSU has hired a third-party legal investigator and an investigation into the allegations against the VPSL and breaches of DSU bylaws, policies, and codes has concluded; and

WHEREAS the Judicial Board has since been petitioned by the President to provide advisory opinions on alleged breaches of DSU bylaws, policies, and codes but has not yet concluded their inquiry;

THEREFORE

BE IT RESOLVED THAT the current Vice President, Student Life, be suspended with pay, effective immediately, for a period of one (1) week as a non-disciplinary action; and

BE IT FURTHER RESOLVED THAT this suspension may be renewed for an additional period of up to one (1) week by a special resolution passed by the Executive Committee; and

BE IT FURTHER RESOLVED THAT if said suspension is renewed, this decision will be immediately communicated to Councillors; and

BE IT FURTHER RESOLVED THAT this non-disciplinary suspension be carried out in order to allow for the Judicial Board inquiry to proceed and conclude in an equitable manner.
The President stated that things were going smoothly. The hearing is scheduled for this Monday (July 20th); it will be a closed hearing. She is hoping that on the 30th of July, an extraordinary meeting of council will be called to discuss the advisory opinion; however, this date is still tentative.

7. New Business
   7.1 Presentation and discussion of Judicial Board report on VPSL conduct.

   Presented by the President; document to be circulated on July 30.

   The President stated that the third-party investigator, Kelly Macmillan, is very well-rounded and conducted the investigation well. The investigator found that the complainant was not Olivia MacDonald. This means that the complainant is not who they said they were. The respondent did not drug the complainant at JadFest. The incident described in the Change.org petition did
not occur as alleged. Statements published by Jad Ghiz were not meant to cause ill. The investigator did not address potential allegations of sexual violence on other platforms; this is because the committee did not ask them to do so as they felt it would be beyond the scope of the DSU as these matters are outside the DSU’s jurisdiction.

In conclusion, the President felt that it noteworthy that the due diligence breaches on the part of Jad Ghiz were not made in bad faith and were not made to be misleading. The judicial board recommends that we enact an action plan committee to outline issues similar to these so that they can be addressed in a meaningful, timely, and appropriate manner in the future. The President stated that this investigation has indicated to us places that we can do better and be more considerate. The judicial board recommends that there be no further disciplinary action toward Jad Ghiz as there was no ill will or malevolent intent.

**MOTION 2020-07-30-P1**: Motion for a 5-minute recess.

Moved by: President; seconded by: Faculty of Management Representative

The Chair explained that the recess was to allow for council to process the information presented by the President.

Motion passes.

Indigenous Students’ Representative asks, why council received this report only 3.5 hours ago? Councillors may not have had time to look over the report prior to the Council meeting. President states, they read the report themselves and spoke to the executive committee about when to release it. They wanted to take the cautionary road and reduce the risk of having it end up online.

Board of Governors Representative 1 states, they are having difficulty understanding how the decision to suspend the VPSL was a misuse of judicial board authority. President states, the judicial board is of the opinion that the mechanism to use themselves and judicial board policy as a reason for suspension was not with alignment with policy. The judicial board would have preferred no suspension to take place and that should a suspension have been implemented, judicial board policy should not have been used to justify it.

Black Students’ Representative asks, what policy was breached? President states, there was misuse of judicial board authority. Under section 33, it states that the judicial board has the authority to suspend an individual who is the subject of an inquiry, but the neither the executives nor councillors hold this power. They believe that council adopted a power they understand to be solely their own and this was a misuse of power to justify an action that should not have occurred.

Faculty of Law Representative states, looking at the investigation summary, it was very vague especially given the seriousness of the investigation. They would like more information on what was found, other than the conclusion.
President states, it is important to note that the summary was created for internal use within the DSU. The President created the report in a manner that would protect the privacy of those included in the report and make it easy to use for meetings. Therefore, this is a very basic summary of the investigation. Within the investigation itself however, there is a lot more reasoning. The President says that if they were to give the full report to council, it would become public knowledge, and this would be a breach of privacy. In motions they’ve passed, council does have the ability to look at it in its entirety and can also look at the redacted version which hides personal information. The President believes that the redacted version is in very legal terms and is likely to be inaccessible to people who are not familiar with legal speak. They state that if they were to put the report on record, there is chance that members would read it and interpret it in a way that will perpetuate matters. If council is to look at a version of the report that is redacted, the President wants it to be moved to an in-camera session. However, with that being said, the membership will be receiving a more thorough summary than that received today.

Indigenous Students’ Representative asks, why wasn’t a redacted version in non-legal terminology circulated? President states, they understand the concern. It is possible to have the legal report translated from legal speak in its entirety but that would take time; the President states that they could do that if that is what the membership wants. However, the President would like more information from council and doesn’t want to be making this decision on their own as they don’t have the experience.

Indigenous Students’ Representative states, the document is written in a very ambiguous manner which makes it difficult for some to understand. They suggest that we have two versions, one that is redacted and one that isn’t, such that the membership can compare. President states, they understand this concern but would still like more information from council and doesn’t want to be making this decision on their own as they don’t have the experience.

Vice President, Academic and External states, that it is not entirely appropriate for the executive team to translate the report out of legal speak. This is because it would lead to assumptions and concessions which we do not have the background for. They state that if council would like to see the report, the names appearing on it could be blacked.

Faculty of Management Representative asks, given that the judicial board has seen the full report and come to this decision, is there much else missing? Does this come down to council simply needing to know more? President states, indeed, the judicial board has seen the full version however the judicial board is comprised of law students who are bound by legal obligations. The President states that they are bound by the direction of council; if folks want to move in that direction, they should decide what they would like to do.
Vice President, Academic and External states, they understand the council’s desire to know more; however, they believe that the investigator chosen for this matter was appropriately selected because of her ability to work with survivors. They believe that some level of trust needs to happen with council.

Board of Governors Representative 1 states, they are curious to know what the Faculty of Law Representative’s thoughts are since they brought up the initial concern. Faculty of Law Representative states, they would not have asked for a redacted version. They also state that they do not distrust the conclusion; however, it is hard to cast judgement on an investigation when we haven’t properly received report for. There was not much information given on the complainant. They would like more information on the legal aspects behind the conclusion.

Black Students’ Representative states, they would like to echo what the Faculty of Law Representative stated. They would like to have more detail on how the judicial board came to their decision, given the seriousness of the allegation.

Faculty of Management Representative asks, does the investigator’s report include all of the avenues explored by the investigator? President states, that all steps taken by the investigator were included in the report, which was given to the judicial board. The President states that they are not preventing the membership form seeing the report and that if folks would like to see it, a motion needs to be made. Faculty of Medicine Representative states, they would like more information as well and would like to propose a motion to see the redacted version of the report in-camera.

**MOTION 2020-07-30-P2**: Motion to move in-camera to see the contents of the redacted report.

**MOTION 2020-07-30-7.2:**

WHEREAS Council engaged an external legal investigator to investigate allegations made online against the Vice President, Student Life and the resulting report found that the allegations, based on a balance of probabilities, are false; and

WHEREAS the report was forwarded to the Judicial Board who have considered the findings in the context of the DSU Bylaws and Policy and found that any breaches of policy made by the Vice President, Student Life were undertaken during extenuating circumstances and without the intent to cause harm; and
WHEREAS Council acknowledges that many survivors justifiably fear not being believed when coming forward with a disclosure of sexual violence, due to the culture of non-consent and victim-blaming that is commonplace within our communities and our campuses; and

WHEREAS the Council acknowledges that these accusations against the VPSL have opened up conversations that have perpetuated harm against survivors of sexual violence, especially those who are Queer, Black, Indigenous, and other persons of color, which must be addressed; and

WHEREAS Council seeks to enshrine principles of justice that recognize both the need for survivor-centric response and the need to actively counter discrimination and bias against racialized students that can lead to disproportionate repercussions against those students when compared to their white peers;

WHEREAS the complexity of this process has pointed to a need for the DSU to better support racialized members of the DSU community to ensure that all students are treated equitably; and

WHEREAS the complexity of this process has also pointed to a need for the DSU to concretely act on survivor-centric principles by improving and clarifying internal complaint, investigation, and discipline procedures to ensure they are in line with the DSU’s overarching principles and the mandate of the Survivor Support Centre;

THEREFORE:

BE IT RESOLVED THAT the DSU Council strike an ad-hoc committee, in line with recommendation from the Judicial Board’s advisory opinions, to ensure that DSU policies and procedures reflect a survivor-centric framework as well as due process, fairness, and transparency; and

BE IT FURTHER RESOLVED THAT this Committee includes the DSU President, at least two non-Executive Councillors, and two members-at-large; and

BE IT FURTHER RESOLVED THAT the Committee is named the Response Committee; and

BE IT FURTHER RESOLVED THAT the Committee shall include an individual external to the DSU with expertise in creating and revising survivor-centric policy as a non-voting advisory member; and

BE IT FURTHER RESOLVED THAT the Committee reports to Council on all progress during the last meeting of Council for 2020 and again at the last meeting of 2020-21 Council.

8. Presentations
8.1 Senate Caucus Appointments Update

Presented by the Vice President, Academic and External

Document Attached

They state that in our current bylaws, there isn’t a clear method to appoint students to the
senate caucus and specifically to senate subcommittees. There were 2016 bylaws that were
clear, however the amendment lapsed in 2019. Given that it was successful, they propose a
similar change and were working to adopt something similar in our bylaws now. Overall, there
are three groups within the senate caucus. There’s the entire caucus, which includes any
students which choose to attend as members; however, they won’t have a vote. Then there are
the voting members and the student senators who will be students that attend Dalhousie
senate and senate subcommittees. For some of these subcommittees, one does not need to be
a voting member to sit on; this is noteworthy for anyone who is interested but isn’t appointed.

13.1 The following motion will appear on the agenda at the next regular meeting of Council:

BE IT RESOLVED THAT the International Student Emergency Bursary Policy be adopted as circulated.

Moved by the Vice President, Finance and Operations. Document to be circulated August.

Vice President, Finance and Operations, states that there has been a committee that has been operating for a number of years. However, there isn’t a policy that outlines how they operate. Since there has been a drastic increase in the number of applications seen each month since COVID-19 started, the policy coordinator and Vice President, Finance and Operations, worked on this policy to mandate the committee to review the applications once every 4 weeks. If there are questions or amendments, contact the Vice President, Finance and Operations.

13.2 The following motion will appear on the agenda at the next regular meeting of Council:

WHEREAS almost the entirety of the Council Policy is in contradiction with the DSU Bylaws; and

WHEREAS the Union Rules and Procedures policy outlines Council procedures and the responsibilities of Council staff; therefore

BE IT RESOLVED THAT the Council Policy is repealed; and

BE IT FURTHER RESOLVED THAT Council direct the Bylaw and Policy Review Committee to develop a new policy incorporating the provisions of the Union Rules and Procedures Policy in addition to any provisions from the defunct Council Policy that should be maintained or are not covered in other policies.

MOTION 2020-09-10-7.1
BE IT RESOLVED THAT Council ratify the committee appointments recommended by Oversight Committee.

Recommendations to be brought forward by Oversight Committee on September 10, 2020.

Nominations for Oversight Committee seats: Surbhi Mehta.
Nominations for Society Review Committee seats: William Luton.
Nominations for Student Life Committee seats: Ferwa Tariq.
Nominations for Finance Committee seats: None.
Nominations for Offices Steering Committee seats: None.

Chief Returning Officer states that the only reason the severity for this position is high is because October 5th is when nomination period begins; therefore, they would like to pass the nomination forms by the elections committee before then, at least 2 weeks prior. The Chief Returning Officer also states that October 5th is the beginning of a very intensive period for the elections committee; the committee will need to have their training and have an understanding of what is expected of them prior to that. The Chief Returning Officer states that although this is going to be a smaller run compared to the winter elections, they anticipate that there will be a number of issues in terms of campaign. They would like to have the committee ready beforehand so that byelections and winter elections can run smooth.

Moved by: Faculty of Dentistry Representative; seconded by: Faculty of Law Representative

Motion passes.
8. Presentations

8.1 Centre for Learning and Teaching Presentation
Presenter: Brad Wuetherick, CLT Executive Director

8.2 Fall SUB Operation Updates
Presenter: President
President is not in attendance
Presented by Vice President, Finance and Operations.

They state that the DSU building is open. They state if you go to the DSU website and click on student union building, there is a thorough update about the SUB’s and DSU’s physical operations. The basement and first floor are open to students. The whole building is direction and there are lots of stations with hand sanitizers. All of the common spaces are being regularly cleaned. On the first floor, the Tim Hortons is open. The Loaded Ladle is also open; this week they’re handing out snacks. Next week, they’ll be doing lunch service on non-reusable containers. Currently, these are the only two food service open in the building. If there is demand for it, Mezze and Pete’s are likely to be the next to open. If there is enough traffic in the building, the Grawood and Campus Copy would also open.

Currently, the bookstore isn’t open. However, they’re still doing curb-side pickup. So, if one were to call or order online, they could pick up their order at the LeMarchant street entrance. The food bank will still be open on Mondays and Thursdays from 12-5PM or 1-5PM; food boxes can be ordered online as well by filling out the order form. To pick-up an order, students are advised to come to the main doors on University Avenue, where a volunteer will be present. The farmer’s market isn’t open at the moment, but they’re still doing online orders and pickup on Tuesdays. Room bookings are accepted for societies or individuals, as long as the DSU is provided with the number of people who will be attending.

The DSU still has staff working full-time in the building, which is why the second and third floors are closed. This is to keep the DSU staff safe from the student traffic in the SUB. A phased reopening is planned.

As far as the T-Room, Sexton campus isn’t open yet and the DSU hasn’t been given any word on when it might reopen. Once there is enough traffic and Sexton campus is open, the T-Room will be opened.

Masks are mandatory throughout the building. There will a student at the information desk to answer any questions. If a student wishes to speak with an executive or full-time staff member, they are advised to book an appointment.

Indigenous Students’ Representative asks if there is plexiglass or other forms of protection for staff working at the information desk.
Vice President, Finance and Operations, states that the desk is placed in such a way such that there is a socially-distant spacing. In addition, those who aren’t wearing their masks properly will not be allowed into the building. They state that they cannot remember if there is currently plexiglass at the information desk. However, within a week of opening, they will be doing a check-in with staff to gain a greater understanding of what is needed.

10. Old Business
MOTION 2020-09-10-10.1
BE IT RESOLVED THAT the International Student Emergency Bursary Policy be adopted as circulated.

Moved by the Vice President, Finance and Operations; seconded by: Vice President, Academic and External

Document attached.

Equity and Accessibility Office Coordinator asks why the international student bursary committee is allowed to have discretion to decide what students should and should not spend their money on. Given that international students have different needs to domestic students, they don’t understand how the committee can distinguish between essential and non-essential spending. They state that the committee’s actions go directly against the DSU’s equity statements.

Vice President Finance & Operations states that this committee uses an allowable cost model; they also state that the goal of this committee is not to police international students or criticize their spending. They state that the committee only needs to know what the student’s annual income is and what their expenses are in order to see the shortfalls.

Black Students’ Representative states that their main concerns are with points 5.8.3 and 5.9. They state that they have sat on bursary committees and understand the cost of living framework. They don’t understand 5.8.3, which states “the ISEBC was meant to reduce the amount of bursary funding awarded to applicants whose living costs exceed the standard cost outline in the cost of living framework”. They also state that they don’t understand 5.9, which states “the committee may deprioritize or reject applications where the applicant has not demonstrated adequate financial responsibility and an effort to mitigate their financial needs through other means.” They don’t understand how the committee can regulate financial responsibility.
Indigenous Students’ Representative states that this should be tabled. They state that current guidelines need to be revised to accommodate for students who may have difficulty keeping a record of their spending.

Vice President, Academic and External, states that given their experience with bursary committees, they understand where the concerns are coming from. They state that it is difficult, morally and ethically, to find a solution, especially given that the finances available are very finite. They state that they would appreciate having a guide that would allow the committee to make a decision in cases where it is difficult to decide. They state that they appreciate all of the points brought up during this meeting in regard to bursaries.

**MOTION 2020-09-10-10.2: Motion to postpone indefinitely.**

To postpone the adoption of the International Student Emergency Bursary to the next meeting of the DSU council on September 24th.

Moved by: Faculty of Law Representative; seconded by: Vice President, Internal

Motion **passes.**

**MOTION 2020-09-10-10.3**

WHEREAS almost the entirety of the Council Policy is in contradiction with the DSU Bylaws; and

WHEREAS the Union Rules and Procedures policy outlines Council procedures and the responsibilities of Council staff; therefore

BE IT RESOLVED THAT the Council Policy is repealed; and

BE IT FURTHER RESOLVED THAT Council direct the Bylaw and Policy Review Committee to develop a new policy incorporating the provisions of the Union Rules and Procedures Policy in addition to any provisions from the defunct Council Policy that should be maintained or are not covered in other policies.

Moved by the President; seconded by: Faculty of Law Representative

Motion **passes.**

Indigenous Students’ Representative asks, if council policies are repealed, what is there in the meantime? Will there be something to fill the void?

Council chair states that the Union rules and procedures policy covers anything that is needed to know from the council policy. Almost everything else in the council policy is
irrelevant and in direct contradiction with the bylaws. It isn’t currently serving much of a purpose.

11. New Business
MOTION 2020-09-10-11.1
BE IT RESOLVED THAT the Fall By-Election Schedule be approved as proposed.
Document to be circulated prior to meeting.
Moved by: Faculty of Law Representative; seconded by: Faculty of Management Representative

Motion passes.

Indigenous Students’ Representative asks if the committee was notified of this by-election beforehand.

Vice President, Finance, states that there was mention of the by-election. They state that the bylaws state that if there are vacant positions in the council or executive committee by September 1st, then elections are to be had by October 24th. The Vice President, Finance, also states that the deadline for approval of a by-election is early September; as such, this meeting serves as official notice of the by-election. They also state that there have been passive references to this by-election, but it wasn’t explicitly stated.

Chief Returning Officer states that the reason we are moving quickly through this is because the deadline to pass this is September 14th. The CRO states that there are a number of dates in the document that don’t apply to council. However, the important ones to notice are October 5th and October 12th, which are the dates for the nomination period. October 5th is when registration opens and campaigning can begin. The CRO states that they aim for voting to open by October 21st or October 22nd. They also state that because many students are in different areas of the world, specific times for voting have yet to be determined. In the document, the white dates are past the voting period and are meant to allow for time to deal with appeals and such. The CRO states that the latest end time for this election is November 21st.

BPRC Report:

The AGM is coming up on October 1st. Normally, at the AGM, amendments to the bylaws are presented. However, this year, this won’t be happening. The first reason for this, President states, is that the BPRC is doing extensive amendments to the bylaws. The second reason is because there needs to be good attendance in order to amend bylaws. President states that they are planning on holding a second AGM in the spring semester to present the bylaws.

**MOTION 2020-10-08-11.1**

WHEREAS on September 25, 2020 the Dalhousie Faculty Association (DFA) released the results of a Workload Survey Summary Report demonstrating that over 85% of respondents were experiencing higher or substantially higher levels of stress compared to last year, and that many DFA members feel overworked, anxious, and disrespected by the Board of Governors’ actions; AND
WHEREAS on September 22 the DFA filed for a conciliator to aid in collective bargaining negotiations with the university and on October 7 announced that 90.6% of DFA members who voted indicated support for taking strike action to support the bargaining team’s position in collective bargaining; AND

WHEREAS the DSU acts as the official representative of Dalhousie students and the medium of communication between students and Dalhousie leadership; AND

WHEREAS the DSU and the DFA have shared a relationship based in solidarity, including most recently the DFA offering support for the DSU’s Nova Scotia Needs Students campaign; AND

WHEREAS the process and outcome of DFA/Dalhousie negotiations will have a direct impact on students, both by disrupting learning in the event of a strike and because faculty working conditions are also student learning conditions, and students are therefore directly impacted by the support and fairness extended to their professors and instructors; AND

WHEREAS the External Committee met on October 7 and discussed the situation surrounding the DFA, and concluded that they wanted to see the DSU take action to stand in solidarity with faculty;

THEREFORE;

BE IT RESOLVED THAT the Dalhousie Student Union express solidarity with the Dalhousie Faculty Association and support for a fair and productive bargaining process carried out in good faith; AND

BE IT FURTHER RESOLVED THAT the DSU supports good working conditions for faculty and respect for the collective bargaining process; AND

BE IT FURTHER RESOLVED THAT the DSU continue to advocate for the best interests of students, particularly in the event of a strike action; AND

BE IT FURTHER RESOLVED THAT the DSU work to keep students informed on updates around these negotiations within the restrictions of privacy by amplifying announcements on social media, responding to inquiries, and seeking out information about any potential adjustments to academics that may arise; AND

BE IT FURTHER RESOLVED THAT the DSU seek out input from students about how a strike action could impact their academics and any other matters of concern around this negotiation process and incorporate this feedback into advocacy efforts going forward.
President states that passing this motion is highly significant. They would like for everyone to either be onboard or offboard because they want to go about this responsibly.

Board of Governors Representative 1 states that they have a board meeting coming up and states that it would be great if folks could come forward with questions they may have so that they can be asked directly to the board. In the past, things that have such a degree of severity usually go in-camera, therefore limiting what folks can say. If the meeting is not in-camera and there is a question period, questions submitted to the BOG or President will be asked.

Oluchi Duru asks what voting ‘yes’ entails.

Vice President, Academic & External responds that the Dalhousie Faculty Association (DFA) is in talk with the University about pay and rights, among other things. When they are not able to come to a conclusion, the DFA and Dalhousie go into a rest period. They then apply for a neutral government conciliator to come in and resolve the situation. The DFA has filed for a conciliator and are currently in a rest period with Dalhousie. Motion 11.2 states that the DSU is in favor of the DFA moving into this rest period. In voting ‘yes’ to this motion, folks are saying that they support the DSU taking a pro-DFA stance, as opposed to supporting the University or remaining neutral.

WHEREAS the typical practice at the DSU has been to approve minutes from an Annual General Meeting at the following Annual General Meeting; AND

WHEREAS the last DSU Annual General Meeting to reach a quorum of members was held on April 6, 2016, and because an AGM has not convened since then the minutes of that meeting have not been approved; AND

WHEREAS the DSU’s governing documents do not specify that minutes from an Annual General Meeting must be approved at an Annual General Meeting; AND

WHEREAS some of the amendments to the bylaw amendments proposed in the 2016 meeting were voted on and ratified at the time but have since been recognized to be out of order under Robert’s Rules of Order; AND

MOTION 2020-10-22-11.3

WHEREAS the DSU is located on the unceded and unsurrendered lands of the Mi’kmaq nation and fulfilling our treaty obligations involves supporting our Mi’kmaw and Indigenous members as well as the peoples of this land more broadly; AND

WHEREAS the Mi’kmaq have an inherent right to sovereignty, self-determination, and safety on their territory; AND

WHEREAS the Peace and Friendship Treaties signed between the Mi’kmaq and the British in 1725, 1760, and 1761 included an agreement that the British would not interfere with Mi’kmaw hunting, fishing, and farming, and this agreement was affirmed in 1999 Marshall Decision in the Supreme Court of Canada which stated that Mi’kmaw have the right to earn a “moderate livelihood” through these activities; AND
WHEREAS the failure of Canadian federal governments to respect Mi’kmaw rights and to collaborate on defining “moderate livelihood” led the Sipekne’katik First Nation to launch their own self-governed fishery on September 17, 2020, the 21st anniversary of the Marshall Decision; AND

WHEREAS settler fishers employed by commercial fisheries have responded to this assertion of treaty rights with violence, intimidation, and anti-Indigenous racism, in some cases claiming that their actions are motivated by concern for the environment, conservation, and the preservation of lobster stocks despite significant evidence to discredit this claim; THEREFORE

BE IT RESOLVED THAT the DSU stand wholeheartedly in solidarity with Sipekne’katik First Nation, with the Mi’kmaq asserting their treaty rights, and with the Indigenous people who have been demonstrating and defending these rights despite threats and acts of violence; AND

BE IT FURTHER RESOLVED THAT the DSU follow the leadership and direction of the Dalhousie Indigenous Student Collective (DISC) in determining the best ways to show support and stand in solidarity on this issue; AND

BE IT FURTHER RESOLVED THAT the DSU share educational content relating to this dispute on social media and encourage members to get informed and to show solidarity; AND

BE IT FURTHER RESOLVED THAT the DSU condemn the use of “conservation” as an excuse for anti-Indigenous racism and affirm that decolonization and affirming Indigenous sovereignty are necessary actions for countering environmental destruction.

**Motion:** Motion to omnibus motions 7.1 to 7.5

Moved by: Faculty of Agriculture Representative; seconded by: Faculty of Engineering Representative

Motion **passes.**

The Indigenous Students’ Representative asks whose responsibility it is to reach out to general members in committees.

President responds that the DSU Policy & Governance Coordinator will take care of it.

**8. Presentations**

8.1 Updates on Senate Advocacy and Pass/ILL Grading Option

*Presented by the VPAE (given that the VPAE is absent, it was presented by president)*

Faculty of Science Representative asks whether the deadline to apply for a waiver has passed.

President responds that the SPGS met today but won’t be meeting again as the semester ends Monday. The waiver has to come from the Faculty dean. If there is something specific within the Faculty of Science that is a problem with Pass/ILL, President states that it must be brought to the attention of the SPGS chair.

8.2 Presentation of Revised Budget

*Presented by the VPFO*

Board of Governors Representative 1 asks whether there are any plans as to how the community advocacy support will be advertised.

VPFO responds that they will be working with the grant committee as well as the executive committee to receive input on it. They state that as of right now, they only have a small sum of funds available and don’t know if they should be advertising opportunities or, instead, letting council representatives come to them with concerns from their constituents. They state that they are open to feedback.
Faculty of Management Representative asks, in terms of the statement that Campus Copy is not seeing demand, where has this feedback come from? They state that they have heard from their constituents that there is demand for printing services.

VPFO responds that, to the best of their knowledge, there hasn’t been demand that has been reported to full-time staff. If in fact there has been demand, this is a great place to voice that. They state that they can do consultation in the winter semester to assess whether they can reopen Campus Copy.

Faculty of Agriculture Representative asks whether the Budget & Finance committee will be meeting again or whether questions should be brought to the VPFO directly.

VPFO responds that the committee won’t be meeting again; however, if they receive feedback that suggests that significant alterations to the budget be done, a meeting can be called.

Faculty of Agriculture Representative states that if consultations on Campus Copy are going to be done in the winter semester, it means that it won’t be open to students. Can a meeting be called to discuss this?

VPFO responds that they have sent out a consultation on student priorities. As per the feedback, there wasn’t great interest in Campus Copy. Perhaps there are some low-cost solutions that can be implemented, and a small pilot project can be run on this. If Campus Copy were to reopen next semester, we could implement reduced hours as an interim solution.

MOTION 2020-12-03-11.1

WHEREAS the DSU recognizes that students doing online schooling are struggling with excessive workloads and/or unreasonable behaviour from professors;

WHEREAS the DSU recognizes that without effective feedback, professors & faculty admin cannot correct the behaviour;

WHEREAS graduate students have found success in formally addressing professors as students on a united front and demanding the change they needed; THEREFORE
BE IT RESOLVED THAT faculty representatives on Council are tasked to contact constituents to compile a report on issues that students in their faculty are facing.

BE IT FURTHER RESOLVED THAT these reports will be presented by the first council meeting of 2021 on January 7th

BE IT FURTHER RESOLVED THAT the VPSL will work with each faculty representative over the winter semester to develop faculty-level advocacy about the issues raised, including submitting formal complaints to official body/ies in each faculty where appropriate.

Moved by: Vice President, Student Life; seconded by: President

Motion passes.

Indigenous Students’ Representative asks, given that there is no Faculty of Arts & Social Sciences representative, who will obtain information from that Faculty?

VPSL responds that this motion came from an extensive conversation around mental health put out earlier last month. The context around this motion was to address workload with online learning. They state that one of the individuals who attended the forum was a master’s student and they mentioned that they solved this problem by speaking to their professor to resolve issues relating to their course. This motion is asking Faculty representatives to reach out to their constituents and address specific points around workload and what is or isn’t working and bringing this feedback to the appropriate party in their Faculty before the start of next semester. VPSL states that if there is no Faculty representative present, the issue can be resolved outside this motion.

Indigenous Students’ Representative states that they are able to obtain information from FASS if need be.

VPSL responds that they can have this discussion sometime in the next few weeks.

Faculty of Agriculture Representative states that the timeline is tight and that there isn’t enough time given to councillors to conduct proper consultation with their constituents and make a report.

VPSL states that they understand if there isn’t enough time and that they can discuss pushing the timeline up. VPSL asks what a better timeline would look like.

Faculty of Agriculture Representative states that the holidays is not a good time for consultation because students are preoccupied. Perhaps the first week of winter semester would work better. They are looking for consensus form other councillors.

Faculty of Engineering agrees with this sentiment. They state that in order to be able to compile an accurate report, the timeline should be pushed to the second or third meeting of winter semester.

VPSL states that by the 4th of February, classes will have been going for four weeks which should give plenty of time for consultation.

MOTION 2020-12-03-11.1.1: Amendment to motion
Amendment: change the second last paragraph of Motion 11.1 to:

BE IT FURTHER RESOLVED THAT these reports will be presented by the third council meeting of 2021 on February 4th.

MOTION 2020-12-03-11.2

Moved by: President; seconded by: Faculty of Engineering Representative

Motion passes.

MOTION 2020-12-03-11.3

WHEREAS the COVID-19 pandemic means that many students are studying from outside the HRM, and that those who are within the HRM must limit their close contacts, and therefore soliciting nominations signatures in person is not feasible; AND

WHEREAS requiring hard copy forms during this pandemic is unfair to those students studying outside HRM; THEREFORE

BE IT RESOLVED THAT for the purposes of the winter 2020 general election, the Elections and Referenda Policy be interpreted such that all forms and questionnaires will be submitted using web forms instead of paper forms; AND

BE IT FURTHER RESOLVED THAT for the purposes of the winter general election in 2021, the requirement for nomination forms to include “Full names, student numbers, and signatures of at least twenty-five (25) current students who support the candidacy of a nominee” (Elections and Referenda Policy s.8.2.2.1) be interpreted to allow for the following process:

Nominees will collect the names, student numbers, and @dal.ca email addresses from at least twenty-five (25) current students who support their candidacy and will submit this information to the Chief Returning Officer using a standardized template. The CRO will email all submitted signatories for a particular nominee to ensure that they do in fact support that individual’s candidature.

Moved by: President; seconded by: Board of Governors Representative 1

Motion passes.

MOTION 2020-12-03-11.4
WHEREAS Dalhousie students have expressed widespread concern about financial precarity, rising tuition, and their ability to make ends meet during COVID-19; AND

WHEREAS international students were not covered under the CESB to begin with; AND

WHEREAS the DSU advocates for the rights and needs of international students and all students, and most recently built the NS Needs Students campaign focusing on the need for increased public funding for universities and reduced tuition costs for students; AND

WHEREAS on April 22, 2020, DSU Council voted unanimously in favour of signing on to a petition and open letter by Don’t Forget Students and the Canadian Federation of Students, calling on the Prime Minister to expand CERB to include students and recent graduates, and this petition was a factor in the government’s decision to create the CESB; AND

WHEREAS the April 22, 2020 motion also mandated “THAT the DSU continue to research ways to advocate for better student supports during the COVID-19 pandemic;” THEREFORE

BE IT RESOLVED THAT the executives of DSU sign on to Our Commons petition e-2986 to the Government of Canada, launched by the Canadian Federation of Students and Don’t Forget Students. The petition calls on the Government of Canada “to implement a plan for pandemic relief and stimulus for Canada’s post-secondary sector and students that:

1. Utilizes the funds originally allocated for the CSSG [Canada Student Service Grant] and remaining funds from the $9 billion allocated for post-secondary students in April to extend the CESB while also including International students;

2. Includes newly graduating students and recent graduates (retroactive to Fall 2019) in Employment Insurance and the new CRB program;

WHEREAS the Revised 2020-21 Budget includes funds set aside to distribute an emergency bursary in January and February of 2021;

BE IT RESOLVED THAT Council approve the 2021 DSU Emergency Bursary Terms of Reference as circulated, including designating the Grants Committee the authority to review applications for this bursary.

Moved by the Vice President, Finance and Operations; seconded by: Students with Disabilities Representative

Motion passes.

MOTION 2020-12-17-11.2

WHEREAS the Revised 2020-21 Budget includes funds set aside for the Union to contract an external body to review the Union’s governing documents;

BE IT RESOLVED THAT the Executive Committee develop a Request for Proposals (RFP) defining the scope of the planned Governance Review, including the purpose of the review, objectives, and timeline for the project;

BE IT FURTHER RESOLVED THAT the RFP will define two phases to the project:

• First, a review of disciplinary and complaint procedures within the DSU with specific focus on defining clear steps to be taken when complaints or allegations are brought forward against a Councillor or Executive Officer. This review should particularly focus on allegations of sexual violence, harassment, and discrimination, and should support the DSU in developing a survivor-centred response process. The goal is to ensure that the DSU has mechanisms to respond to student concerns and hold elected representatives accountable through a clear process, while ensuring that said process does not create unwanted legal ramifications for the DSU or any party involved.
• Second, a general review of the DSU’s governing documents to identify inconsistencies, best practices, and areas for change to better meet the objectives of the organization.

BE IT FURTHER RESOLVED THAT the draft RFP will be circulated to Council by January 31st, 2021.

Moved by the Vice President, Finance and Operations; seconded by: President

Motion passes.

President states that these funds will allow the DSU to do governance review as promised. The hired individual will work with the response committee to streamline how complaints and issues will be addressed moving forward. They will also complete a comprehensive review of bylaws and policies to ensure that they work in tandem and don’t contradict one another.
WHEREAS Council struck the Response Committee on July 30, 2020 on recommendation of the Judicial Board with the purpose: “to ensure that DSU policies and procedures reflect a survivor-centric framework as well as due process, fairness, and transparency; AND

WHEREAS since that time, preliminary conversations have highlighted both the need for a comprehensive review that has a lasting impact and the importance of seeking expert advice and counsel on this complex and multidimensional issue; AND

WHEREAS to this end, the Executive has proposed contracting an external organization to undertake a complete governance review with a specific focus on clarifying discipline and complaint procedures through a survivor-centric framework; THEREFORE

BE IT RESOLVED THAT the mandate of the Response Committee be changed to the following:

• To review the process that took place to address the allegations made against the Vice President, Student Life in 2020;
• To consult Executives, Councillors, and other interested parties on their concerns about and perceptions of said process, and their ideas for the development and revision of disciplinary and complaint procedures;
• To develop a report summarizing their findings and the outcome of their consultations

BE IT FURTHER RESOLVED THAT the Response Committee will deliver this report to Council by March 30, 2021

BE IT FURTHER RESOLVED THAT the Response Committee Report will guide the Executive Officers, Bylaw and Policy Review Committee, Council, and any other relevant committees or bodies in the implementation of the recommendations about disciplinary and complaint processes delivered in the governance review.

8.2 Update on International Students Isolation

Presented by the President

President states that the DSU is responding to student concerns about inequitable treatment of international students who are being mandated to quarantine in a hotel. The DSU is calling on the university, the government of Nova Scotia, and the Federal government to acknowledge and remedy the situation. Students are being forced to pay for accommodations when they would otherwise have places they can stay. Some students don’t have adequate food, internet, or heat. There is also an informational document attached that will be on the website shortly; it gives international students information about why this is happening and who is responsible. It also gives details about financing and who to contact if there are any issue.

Documents attached.

8.3 Presentation of Executive Feedback on the Dalhousie Consultation Framework

Presented by the President

Documents attached.

President states that earlier this month, the student affairs office asked council to give feedback on the Dalhousie Consultation Framework. The writing in black is from the university and that in red is by the DSU. President states that the DSU asks that students be consulted on all policies, rather than just key policies. The DSU also asks that consultation occur in an equitable manner and that students be compensated when consulted about policies.
