Committee Composition

The DSU Hiring Policy mandates that part time position hiring committees be composed of a minimum of two individuals, with one being the position’s direct supervisor who serves as Chair. The Oversight Committee policy states that the Oversight Committee will advise Council as to the appointment of the Council Chair and Recording Secretary, and that the same three members of the Committee will sit as a panel when interviewing candidates for any one position. However, since the hiring of the two council staff members took place in the third week of May; the oversight policy was no longer applicable. The Hiring committee followed rules and procedures from the Hiring Policy which is applicable to any DSU Part-Time Staff. The Hiring Committee was composed of the DSU Policy and Governance Coordinator (the direct supervisor of the Council Chair and Recording Secretary, who served as committee chair) and two members of the Executive Team. The members of the committee were Aananya Paatil (Policy & Governance Coordinator), Mariam Knakriah and Tammy Maniou (Members of the Executive Team). Because these positions were being hired on the same timeline, the members acted as one committee to hire the two positions. The chair ensured that members were trained in hiring, and the committee contained members of multiple designated groups.

Timeline

The job posting for the Council Chair and Recording Secretary positions were uploaded to the DSU website on 1st week of March and applications remained open for just over four weeks, closing on May 3rd. The former President and the Policy and governance Coordinator contacted top candidates to schedule interviews. Interviews were conducted on May 24th and 26th and the committee came to a final decision on May 26th. Offers then went out to the chosen candidates, who accepted on May 30th. In accordance with section 4.9 of the DSU Bylaws, which stipulates that Council shall appoint a Chair and Recording Secretary at the first meeting, the hiring committee’s recommendation is being brought to Council on June 16, 2023 for ratification.
