Your Enrollment Guide

STEP ONE

The first step and best way to make an informed decision about whether or not your child should attend The Waldorf School of Santa Barbara is to attend Personal tour. These adult only tours are conducted once a month during school hours and give you the opportunity to see our classrooms in action. Attendance at this event is encouraged for all prospective parents prior to enrollment. To inquire about a Personal tour please fill out the online form on our website.

STEP TWO

Submit an application online at http://mytads.com/a/thewaldorschoolofsantabarbara with the $95.00 application fee. If placement is not immediately available, your application and fee is carried forward to the next school year. Placement is ongoing year-round on a space available basis.

STEP THREE

Your family will be invited to attend an interview with the class teacher. This in-depth meeting with the teacher focuses specifically on your family’s home-life, the child’s background and personality to ensure that the “fit” between your child and our programs will be an enriching and fruitful one for your child. After this interview, a 2-5 day visit for your child in the classroom will be scheduled for Grades school applicants. Admittance of your child into the program happens after this interview and visit, and is dependent upon teacher acceptance. Upon admittance, an enrollment agreement will be sent to you and you will be contacted by the Enrollment Director to be welcomed into our school community.

The Waldorf School of Santa Barbara does not discriminate on the basis of race, religion, gender, sexual orientation, ethnic background, or national origin in the admission of any student or in granting financial assistance to any family. We are a welcoming and diverse school community.
If you have questions at any time please do not hesitate to contact Heidi Goodwin, in the Administrative Office at 805-967-6656 or email enroll@waldorfsantabarbara.org.
