Conference Call

Executive Committee Members:

Jim Potter        Jacqui Rouse        Nick Colonna        Mary Logan
Steve Allan       Alan Feinberg      Chris Wells         Sean O'Neil
Keisha Ransome    Katie Michael     

1) Welcome - Jim Potter convened the meeting at 10:00 AM.

2) Action on Proposed Agenda
   a) Review minutes of previous meeting – Postponed until November 20th meeting.

3) Reports
   a) Treasurer’s Report
          (APA) currently has a $700,000 budget deficit due to increases in healthcare costs and
          negative effects to its pension plan due to the stock market. As a result, the National APA
          initially proposed a $10 per member increase in Chapter dues in which would significantly
          reduce the amount of money Chapters receive if membership costs remain the same. These
          issues were addressed the Chapter’s Presidents Council (CPC) Meeting and a revised $3- $4
          increase is currently being discussed. Additionally, it was announced that National incurred
          $45,000 in credit card fees, this cost will be passed on to the Chapters in the future and the
          Chapters have the option of passing it on to its members. The CPC also shared ideas
          between chapters regarding social networking.

          Last year the Maryland Chapter had a $2,000 deficit which was recovered in revenues.
          Discussion continued on various budget line items that could be added or removed from the
          2010 budget to save money. Jacqui recommended that we increase the amount of CM CD-
          ROMS purchased for circulation to 4 per year (approximately $100 each, a total of $400).
          Newsletter Advertising line item was removed and will be replaced with a Web line item to
          reflect costs associated with the new electronic newsletter and Chapter website. The MD
          Chapter meeting at the National APA Conference in Las Vegas, NV cost the Chapter $5,000.
          Expenses for the 2010 conference in New Orleans, LA are expected to exceed those costs.
          Jim recommended not incurring expenses for the 2010 meeting and proposed having it off
          site near the conference location.
